RECORD OF PROCEEDINGS OF THE FORTY-SEVENTH ANNUAL SESSION OF THE STANLY BAPTIST ASSOCIATION HELD WITH FIRST BAPTIST CHURCH, ALBEMARLE, N. C.

First Day

WEDNESDAY, OCT., 28, 1931—10:00 A. M.

The Forty-Seventh Annual Session of the Stanly Baptist Association met with First Baptist Church of Albemarle, Wednesday, Oct. 28th, 1931, at 10:00 A. M., F. A. Bower, Moderator, presiding.

The worship period was led by Rev. R. W. Torbert who read the 150th Psalm and led the Association in singing, "All Hail the Power of Jesus name." Rev. M. O. Alexander, Thomasville, led in prayer. "We are Marching to Zion," was sung.

The roll of churches was called and 28 of the 33 churches were found to be represented. On motion all representatives present were given voting privilege during the session.

The Association was then organized by electing the following officers: F. A. Bower, Moderator; M. L. Dorton, Vice-Moderator; Rev. W. A. Hough Clerk; Deacon W. A. Hough, Treasurer, and E. F. Eddins, Historian.

The following visitors were recognized: Rev. M. O. Alexander, Mrs. M. O. Alexander, of Thomasville; Rev. J. D. Moose, of Charlotte; Rev. W. W. Rimmer, of Cornelius; Rev. J. C. Canipe, of Siler City; Rev. E. S. Summers, of Concord; R. E. Arrowood and Rev. J. S. Farmer, editor of Biblical Recorder, Raleigh. On motion the report of the Program Committee was adopted.

Rev. R. W. Torbert read the report on Religious Literature which was discussed by J. S. Farmer, F. A. Bower and T. S. Crutchfield and adopted.

There are three periodicals in this report we want to call special attention to: First, The Home and Foreign Fields; Second, Charity and Children, and Third, The Biblical Recorder.

The Home and Foreign Fields, published by the Sunday School Board at Nashville, Tenn., gives information concerning all our Mission fields, both home and abroad. To get an adequate conception of the work of the home and foreign Mission Board this periodical should be read, as this paper contains valuable information for Baptist people to inform themselves of the home and foreign Mission work carried on by our denomination.

Charity and Children, published at our Baptist orphanage, Thomasville, N. C. It is published weekly and always bears messages from the home telling all about the Mills Home, and the children. These messages fall on the heart of a Baptist of North Carolina with esteemed appreciation.

The Biblical Recorder, published at Raleigh, N. C., has been the agent of the Baptist State Convention for almost a century. It is the organ of our denomination in North Carolina, bringing each week many inspiring messages and invaluable information to all who take the time to read its contents.

If more of our people read regularly these periodicals we would have a much larger enlistment in all our denominational work. As reading means enlistment and enlistment means co-operation, and co-operation of the Great Brotherhood of Southern Baptist is a strategic need of our denomination toward the advancement of God's Spiritual Kingdom, it behooves all pastors and leaders to unite their efforts in training our people to God's plan of Christian giving so our churches could include in their annual budgets these periodicals to every resident home of our local churches.

Respectfully submitted,

R. W. TORBERT.

Mrs. Farmer, mother of J. S. Farmer, of Raleigh, and Rev. F. W. Frye of Landis, was recognized.

N. A. Clayton, a charter member of First Baptist Church of Albemarle was recognized and made some remarks relative to the organization of the church.

The following Committee on Committees was appointed by the Moderator: R. A. Smith, W. B. Almond, J. B. Copple, Mrs. B. M. Rogers, and J. L. Greene.

General remarks and announcements were made by Bro. C. W. Gaddy, chairman of Entertainment Committee.

Rev. W. A. Hough was elected reporter for the sessions.

The annual sermon was preached by Rev. W. A. Hough from Acts 4:32-33. Prayer by W. W. Rimmer. Adjourned for dinner. Benediction by E. D. Summers.

AFTERNOON SESSION

The Association reconvened at 1:30. Vice-Moderator Dorton presiding. Devotions were conducted by R. W. Torbert, prayer by J. D. Moose.

The following reports were read: State Missions, by J. F. Gaddy; Home Missions, by F. A. Bower; Foreign Missions, by M. L. Dorton; Woman's Missionary Union, by Mrs. B. M. Rogers. Following the reading of these reports Rev. M. O. Alexander, pastor of First Baptist church, Thomasville N. C., addressed the Association on the general missionary situation. F. A. Bower made some stirring remarks after which the reports were adopted:

REPORT ON STATE MISSIONS

From the very beginning of the organized life of North Carolina Baptists, State Missions have held a large place in the thinking and planning of our people. One of the primary objects in the minds of our fathers in the organization of the Convention was "the employment of missionaries within the limits of this state." This has been the consistent and aggressive policy of the Baptist State Convention for more than a hundred years. The truth is, the wise and aggressive policy of State Missions, humanly speaking, has made the denomination what it is in members and power in North Carolina today. Napoleon said: "Conquest has made me what I am, and conquest will sustain me." That is certainly true of State Missions, and the growth and enlargement of the Baptist churches in North Carolina demonstrate the truth of it. Literally hundreds of our strong churches are trophies of State Missions.

Great and far-reaching changes have taken place in North Carolina within recent years. Three recent developments especially have thrust upon our coutry and village churches acute and critical problems—the coming of good roads, the automobile, and the consolidation and growth of the rural grammar and high schools. We believe these three developments are going to be the very acid test in the life or death struggle of many of our smaller rural churches. Since we have good roads it is no longer necessary to have a church every 3 miles and for the best interest of the kingdom we need consolidation of our weaker churches giving better equipment and support for the ministry.

The great agency in this new and untried situation, for a sane and progressive program of work and development, ought to be our General Board of the Baptist State Convention.

Let's strengthen the hands of this Board and begin with patience and zeal the effort to solve these great State Mission problems.

Respectfully read,

J. F. GADDY.

REPORT ON HOME MISSIONS

The Home Mission Board's record of work from its organization in 1845, a period of 86 years, is unsurpassed by any missionary organization in the world. During this period its missionaries have organized 8,570 churches and baptized more than 785,000 converts. It has done mission work among the Jews and foreigners of our American cities, in addition to its activities in Cuba and the Canal Zone. Its mountain school work has been of vast importance. Its efficient Secretary at the present time is Dr. J. B. Lawrence, whose policy has been to keep the running expenses of the Board within the budget. This he has succeeded in doing, in spite of dwindling receipts. Of course it has been necessary to retrench our work in many places in order to do this. It is to be hoped that soon the Baptists of the South, realizing their stewardship more clearly, will increase their gifts to Home Missions, so that the work may be enlarged and expanded.

Respectfully submitted,

F. A. BOWER

REPORT ON FOREIGN MISSIONS

Jesus said in Matt. 28:19, "Go ye therefore, and teach all nations." V. 20 He says, "I am with you always, even unto the end of the world." Insofar as we obeyed, he proved himself to be true to his promise. Last year we had the largest number of baptisms we have ever reported in any one year—14,415.

The mission schools have been crowded with students and large numbers were turned away. We closed two of our hospitals, but the others had a record year in treating the ill and stricken people. The nine hospitals treated 73,784 patients, most of the patients treated were charity patients. The five publishing houses on foreign fields could not meet the demands for literature.

We say, we believe the Bible, we love lost souls, we love the Lord and we are missionary Baptist; yet we permit the Foreign Mission Board to lie crushed beneath $1,000,000 debt, while 125 are on the waiting list ready to go if Southern Baptist are willing to send them.

It now rests with the local churches and every friend of Foreign Missions to save this work which is in peril. The Convention can only pass resolutions, but with the churches and individuals rest the present and future of this work of Christ. We pray we shall not let the Lord's work fail.

Respectfully submitted,

M. L. DORTON.

WOMANS MISSIONARY UNION REPORT

With thanks unto Him for His mighty blessings upon us and our efforts for Him, we bring the report of the W. M. U.

We have had many handicaps and problems but our God has led us on and a great number of our good women have labored faithfully.

Over some attainments we rejoice, other features cause sorrow because we could not do more. In the Association there are thirty-three churches, thirty-five societies with a total memberrship of 708. One new society, six societies doing personal work. Nine observing weeks of prayer, 110 tithers, thirty-one subscribers to Home and Foreign Fields, 113 subscribers to Royal Service, 55 subscribers to Biblical Recorder, 6 subscribers to World Comrades. Points made on Standard of Excellence, 6.

For the year ending Sept. 30, 1931, we have given to Co-Operative Program $1,042,03. Christmas offering $206.32; Home Missions $95.90; Heck Memorial 90.30; State Missions $70.41; W. M. U. Specials $19.90—Total gifts $1,524.86.

Although this period of depression we went "over the top" in our gifts last year.

The annual meeting of the W. M. U. was held with the Canton church Sept. 8th, 1931. The attendance was excellent, reports good and much interest shown.

Mrs. Edna Harris was with us and gave an inspiring message. Rev. and Mrs. P. W. Hamlett, returned Missionaries, brought messages from China. Mrs. Lila L. Henry, Divisional Superintendent, inspired us with her address "Supreme Achievements." We were glad to have with us quite a number of the pastors in the Association and hope they will continue to come to our meetings.

I wish to thank our Leaders and every one who had a part in the work of the Stanly W. M. U. for their loyalty and faithfulness in their labor of love for God, to make this report what it is. May they have a clearer vision of the task before them and the courage to go forward as "Laborers together with God" that the world may know the unspeakable riches of Jesus Christ our Saviour and Lord.

Respectfully submitted,

MRS. B. M. ROGERS.

The following report of Committee on Committees was adopted: Executive Committee, F. A. Bower, J. S. Tyson, R. W. Torbert, M. L. Dorton, Deacon W. A. Hough and H. R. Greene, to report at next session.

State Missions, C. C. Huneycutt; Home Missions, W. B. Almond; Foreign Missions, E. L. Melton; Christian Education, N. C. Coggin; Religious Literature, R. A. Smith; Obituaries, E. F. Eddins; Needs of Churches, M. L. Dorton; Sunday Schools, J. B. Copple; W. M. U., Mrs. T. S. Crutchfield; Stewardship, F. A. Bower; B. Y. P. U., L. P. Beck; Temperance U. S. Burleyson; Hospitals, Rev. W. A. Hough; Orphanage, C. B. Reid.

Program Committee, F. A. Bower, Rev. W. A. Hough and Entertaining Pastor.

After mentioning several miscellaneous matters the Association adjourned at 3:30 to reconvene at 7:30 P. M.

EVENING SESSION

The Association reassembled at 7:30. Song and praise service was conducted by R. W. Torbert, was concluded by a solo "The Ninety and Nine" by Mrs. Hobart Morton, Albemarle, N. C. Moderator commented on associational chart.

The report on Stewardship was submitted by T. S. Crutchfield and discussed by himself and J. S. Farmer and adopted by a rising vote:

REPORT ON STEWARDSHIP

It is the candid and humble opinion of the writer of this report that Stewardship in the full New Testament sense of the term has not had the consideration that our Savior and Lord would have it receive. If this opinion is in conformity with the truth in the matter, some unmistakable deductions follow. One of which is that the main cause of this delinquency is the fact that only a very few pastors recognize the fundamental importance of it. And this being so, of course, stewardship has not been generally taught and preached in our churches.

The adage, "Like priest like people, "may not hold true in all cases; but the matter of stewardship is one in which it does hold true. And if a pastor has failed to familiarize himself with Bible doctrine on stewardship and to faithfully proclaim it and practice it in his own life, it follows as the night the day his flock fails to make any worthy accounting of their stewardship to the Giver of all good.

Therefore, your committee recommends that the Stanly Association now assembled in its forty-seventh annual session, by a unanimous vote of the body, request every pastor within its bounds to search God's world afresh on this important subject of stewardship and to faithfully proclaim the teachings of the Book on this matter to the churches.

Fraternally submitted,
T. S. CRUTCHFIELD.

After singing "Take My Life And Let It Be" the association adjourned to meet tomorrow at 9:30. Prayer by C. C. Huneycutt.

SECOND DAY

The Association reconvened at 9:30 Thursday morning. Worship period was led by R. W. Torbert who read the 8th Psalm. Prayer by Ralph Harris. The minutes of yesterday were read and approved.

After some general discussion relative to Smyrna church on motion the Moderator appointed the following committee to investigate and report at next session: R. A. Smith, M. L. Dorton, N. A. Teeter.

The report on Sunday Schools was submitted by N. C. Coggin and discussed by himself and T. S. Crutchfield and adopted:

REPORT ON SUNDAY SCHOOLS

In our brief report let us note three things about the Sunday Schools:

First, they are not crime producers. They foster no evil. The scholar from them does not behave himself "unseemingly." Good is the product of his mind. While crime is on the increase in this country the criminals do not come from our Sunday schools. Truely, they are of the salt of the earth and of the light of the world.

Second, they are not prison feeders nor bootleg breeders. The prisons are full of law-breakers and the woods of bootleggers, but they are not the offspring of our Sunday Schools. Truly, the Sunday School is turning "the sinner from the error of his way," and hiding "a multitude of sins."

Third, the Sunday Schools are church feeders. They sow the seed and the churches reap the harvest. And herein is the saying true, "One soweth and another reapeth . . . that both . . . may rejoice together."

Respectfully submitted,
N. C. COGGIN.

The report on Christian Education was read by Rev. W. A. Hough. After

Mrs. P. C. Stringfield of Mars Hill sang "The Golden Bells," Dr. Chas. E. Brewer, president of Meredith College, was introduced and addressed the Association on Christian Education. The report was adopted:

REPORT ON CHRISTIAN EDUCATION

Education is the process and the result of the development of the entire man. We usually limit such development to the intellect. When we wish to include the whole man we must say Christian Education.

Knowledge is power. Power wrongly used is dangerous. There must be for safety sake an element in education which will give proper direction to the power. It is necessary for the proper promotion of civilization that education be dominated by the ideals of Jesus.

Germany had no system of Christian education. Even her schools of Theology was controlled and directed by the State. The result was the World war. All of Germany's intellectual development was used for destruction.

The New Testament teaches spiritual democracy. If that democracy is to function properly in bringing the whole world into proper relationship to Jesus Christ the churches must function in the realm of education. Christianity has always made most progress when it has layed hold of and used the highest culture of the day for Christian progress.

Our Baptist forefathers founded Christian schools to train spiritual leaders at home and abroad. Our Christian colleges and schools today have as their aim this same high and noble purpose of training leaders to promote the Kingdom of God on earth.

Untold good has been and is being done by our system of Christian institutions, and to promote the high aim and purpose of these Christian centers of learning and to make civilization safe we should heartily support them with our prayers, sympathies, patronage and money.

Respectfully submitted,
W. A. HOUGH.

Ralph Harris read the following report on Hospitals which was discussed by himself and adopted:

REPORT ON NORTH CAROLINA BAPTIST HOSPITALS

The New Testament seems to make clear the fact that Christ charged his people with a three-fold responsibility; that is, teaching, preaching and healing. In the years that have passed since the ascension of Christ organized Christianity has perhaps given less attention to the ministry of healing than to either of the other two responsibilities. However, in the last few years there has been a revival of interest in this phase of work with the result that for a little more than eight years the Baptists of North Carolina have had standing on a beautiful site in Winston-Salem the Baptist Hospital. It now takes thousands of dollars per annum to care for the charity patients who seek its healing ministry. For this amount the institution looks in the main to the Mothers' Day offering in our churches and Sunday Schools. Your committee, therefore, recommends that every church and Sunday School in our Association make an offering to this worthy cause once each year.

Respectfully submitted,
RALPH HARRIS.

The report on Mills Home, submitted by R. F. Bass, was read by the Clerk and discussed by J. A. McMillin, pastor of Mills Home Church, F. A. Bower and adopted:

REPORT OF MILLS HOME ORPHANAGE

It is a vital part of the Christian program to care for the widows and the orphans. "Pure religion and undefiled before God and the Father is this, to

visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

The Baptists of North Carolina seek to obey this command, in the positive sense through the Mills Home, Incorporated. This institution is close to the hearts of our Baptist people.

On November 11, 1885, the first child was received.

Up to October 1, 1930, there had been received 2,844 children.

The number in the Orphanage at the present time is 635.

For ten years Mothers' Aid has been in operation. At the present time 64 mothers with 265 children are being assisted in this way. This phase of the work is very important. Its development is to be praised. It prevents the breaking up of the home. This policy should always be encouraged.

Our work is handicapped by lack of needed funds. Many worthy cases are being turned down because there are no funds available.

The Orphanage relies, for the greater part, on the monthly offerings from the Sunday Schools for its support. This is supplemented by an annual Thanksgiving Offering taken in some of our churches.

This Association requests its member churches to see that the monthly offerings are taken regularly. And that a Thanksgiving Offering be taken in all of our churches. Also that our people support this worthy work with our interest and our prayers.

Respectfully submitted,
RICHARD F. BASS.

The following visiting brethren were recognized: J. A. Snow, Coy Muckle. L. P. Smith, C. A. Rhyne, M. W. Gordon. Association adjourned until 1:30 P. M.

AFTERNOON SESSION

The Association reconvened at 1:30 P. M. The devotional service was led by R. W. Torbert who read 24th Psalm. Prayer by N. C. Coggin.

The report on B. Y. P. U. as written by the appointee, Miss Ruth Preslar, was read by the Clerk, discussed by J. F. Gaddy and adopted:

REPORT ON B. Y. P. U.

The condition of kingdom work today challenges every Baptist church to discover its unclaimed resources, to develop these resources, and to distribute them into channels of usefulness for Christ. Only thus will there be complete obedience to His will, and only thus will there be a conquest of the world for Him. There must be a conscious effort on the part of every church to enlist, to train, and to use every possibility it has. Vast resources of faith, vision, daring, and spiritual energy lie in the young people of our churches. As surely as God placed them here, he gave to the church the responsibility of enlisting, training, and using the utmost powers in this youth. The church is answerable to God for neglecting so vital a part of Kingdom extension. Training the young people means a stronger present church and a more powerful future church. The church and pastor must make opportunities for the training of its young people.

The Baptist Young People's Union is the organization which aims solely to enlist, train, and use young church members. It enlists them in kingdom interest and activity by appealing to their spiritual, intellectual, and social natures. The B. Y. P. U. trains young people in Bible study, doctrinal belief, missionary endeavor, scriptural giving, and the stewardship of life in general. It not only teaches him to do, but it practices him in the doing.

In the last few years some progress has been made in the development of our young people through the B. Y. P. U.'s in Stanly Association. Yet many churches have never sensed the possibilities for Christ in their mass of young people. They are not fully obedient to the command of Jesus. Of the 33 churches in this association only ten have any young people's organiza-

tions. In these ten churches there are 3 Adult Unions, 10 Senior Unions, 8 Intermediate Unions, and 8 Junior Unions, making a total of 29. As pastors, superintendents, and leaders in these churches, let us give ourselves anew to the task of enlisting, training, and utilizing the vast powers in our young Christians, that our present church may be stronger and that our future church may be able to conquer principalities and powers and to cause the kingdom to cover the earth as the waters cover the seas.

Respectfully submitted,
RUTH PRESLAR.

The report on Obituaries was read and discussed by Reid Harris and adopted. (See Memorial Page.) On motion the Obituary report and Memorial Page was combined.

In the absence of the report on Temperance to have been submitted by C. B. Reid the Association voted to adopt report to be submitted later. The subject was discussed by F. A. Bower:

The report on Needs of Churches was presented by J. S. Tyson and discussed by himself, W. B. Almond, J. D. Moose, Rev. W. A. Hough, N. C. Coggin, Deacon W. A. Hough, F. W. Frye and adopted:

REPORT ON NEEDS OF THE CHURCHES

1. An Enlarged Vision. Stanly County Baptists need nothing just now more than they need an Enlarged Vision of their task. They need to lift up their eyes and look upon the white harvest fields. Too long have they been seeing and considering only their own personal needs and that of the local church. They need to develop a keener consciousness of their responsibility for carrying the Gospel to the whole world in obedience to the commands of their Lord and Master who said, "As my Father sent me into the world even so send I you."

2. Feeling the weight of the preeminent obligation. The teachings of the New Testament lays upon every Christian a master obligation, to be a good steward of the manifold grace of God, but none more pressing and preeminent than the obligation to be a blessing to others in full measure of God's blessings upon us. As recipients of God's special favors and amazing blessings, we must in turn be a blessing to the whole needy world or cease to call ourselves Christians at all.

3. Our Pastors. If our churches are to carry out successfully the task left them by Jesus, they must come to the consciousness that they are Divinely appointed leaders, and that to them more than any other individual, God is looking to lead his people to higher spiritual planes and deeper consecration. The pastors need to thoroughly arouse themselves and their people to the seriousness of the present situation and bring the full force of our influences to bear upon our task.

Respectfully submitted,
J. S. TYSON.

The Committee on Time, Place and Preacher made the following report: Time—Wednesday and Thursday, October 26th and 27th, 1932. Place—Aquadale Baptist Church. Preacher—M. L. Dorton, alternate R. W. Torbert.

Coy Muckle, President of Wingate Jr. College, made some very helpful remarks relative to Morals at our denominational schools and submitted the following resolution which was adopted by the Association:

RESOLUTIONS WINGATE JR. COLLEGE

Inasmuch as Wingate Junior College has formerly been a child of the

Stanly Association, and inasmuch as a great deal of its long years of service has been rendered in the bounds of this territory, and inasmuch as it is now not being supported by the Baptist State Convention for operating expenses we, therefore, as an association resolve:

First, we heartily indorse the work now being done by Wingate Junior College for young people and churches of our association.

Second, we extend to the college our sympathy, prayers, and words of encouragement.

Third, even though we do not think it wise to vote the school any amount of money from the association as a body, we would look with favor upon any church doing anything for the school which the individual church itself finds in its wisdom able to do.

Fourth, we also recommend the school to our people and urge our people to patronize the school with their boys and girls and in any other way they find themselves able.

O. J. Sikes and N. A. Teeter was elected trustees of Wingate Jr. College from Stanly Baptist Association.

M. L. Dorton offered the following resolution which was heartily adopted:

RESOLUTIONS RELATIVE TO ENTERTAINMENT

Whereas, the Entertainment of the Association by the First Baptist Church has been most excellent and satisfying. Therefore be it Resolved that we by rising give them a hearty vote of thanks for same.

M. L. DORTON.

RELIGIOUS LITERATURE

II Tim. 2: 15—Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

In order for us to be well informed Baptists, we must know what our denomination is doing.

The Home and Foreign Field, The Biblical Recorder, and Charity and Children are sources of valuable information. Every Baptist should have these papers in his home. These will not take the place of the Bible. The Bible is the great source of information for every loyal Baptist and should be given first place.

Respectfully submitted,
R. A. SMITH.

The following visitors were recognized: C. C. Burris, Wingate, N. C.; J. D. Moose, Charlotte, N. C.; R. N. Huneycutt, Salisbury, N. C.; W. W. Rimmer, Cornelius, N. C.; Marvin Smith, Rockingham, N. C.; Bro. Pigg from Anson Association, and Mrs. Thompson from Mecklenbury-Cabarrus Association. T. E. Staley, a new pastor in the Stanly Association, was recognized.

The following Resolution was offered by F. A. Bower. On motion it was discussed by sections and adopted.

ORDINATION TO THE GOSPEL MINISTRY

Inasmuch as there seems to be no settled policy mutually agreed upon or adhered to in regard to the ordination of Baptist preachers in Stanly Association, this body, in regular session assembled, recommends the following:

First. The call for ordination should come from some Missionary Baptist Church being regularly served by the candidate ,which church has convinced itself that its leader has been called of God to preach and is ripe for ordination.

Second. It is understood that the ordaining power is within the local church and that any Baptist church has the right to ordain its preachers without the aid of outside advice.

Third. Inasmuch however, as the exercise of that power is an act of public importance and interest beyond the bounds of the local church, ordination should be withheld until careful examination of the candidate by representative Baptists of sister churches convinces them also that he is worthy.

Fourth. We recommend that the Council of Ordination should be truly reprsentative of the Baptist churches within our Association, and not of some small segment of the same.

Fifth. It is our conviction that a call to preach is also a call to prepare. That the dignity of this, the highest of all human callings, is such that the candidate should give diligence to show himself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth, and that he be content to serve as an unordained preacher until such time as he can satisfy his conscience and his God that he is ready to assume those strenuous duties and meet those mental requirements demanded of the true shepherd of souls in this modern day.

The congregation sang "There Is a Fountain", following which the Annual Sermon was preached by M. L. Dorton. Text: I Cor. 1: 24. Subject: "The Power of God." The congregation sang "When the Roll is Called Up Yonder", and was dismissed by E. L. Melton.

WEDNESDAY AFTERNOON SESSION

The Association reconvened at 1:30 P. M.

The devotional period was led by R. W. Torbert as follows: Song, "Standing on the Promises", and "Is Your Life a Channel of Blessing." Prayer led by T. S. Crutchfield.

The following Reports were submitted: State Missions by C. C. Huneycutt, Home Missions by J. S. Harris, Foreign Missions by E. L. Melton. The above reports were discussed respectively by the writers and C. C. Burris, and adopted.

STATE MISSIONS

The spirit of Christ is essentially the spirit of Missions. Jesus called attention to His wounded hands and feet, reminding His disciples of the sufferings of the cross and then said, "As the Father hath sent me even so send I you."

The mission territory for each of us extends from our own hearthstone to the uttermost part of the earth. We have territorial divisions for convenience of operation only. State Missions for us is missions in the bounds of North Carolina.

While the Baptists of North Carolina, during the past one hundred and two years of their organization, have made wonderful progress in their effort to imprint the life and ideal of Christ on the people of the state, they still have before them a vast unfinished task.

There are in this state more than half million unsaved people, above the years of accountability, for whom Christ died, that they might have life, and have it more abundantly, and yet in the face of these facts there were around 600 of the 2,363 churches in the state, that did not report a single Baptism last year. Any church that is not definitely engaged in winning the lost to Christ is doomed itself.

One of our most acute problems is that of enlistment. Hundreds of our churches and thousands of our members are not contributing a penny to the missionary programme, for the lack of information as to the will of the Master, and need of the world.

We should all be in hearty sympathy with the work of State Missions for four reasons:

(1) Because Jesus is interested in giving His last message to His disciples He told them to begin at Jerusalem, at home.

(2) He expects us to be interested in the things that lie near His heart. The salvation of a lost world. "He came to seek and to save that which was lost."

(3) Because of the great need. The need of State Missions is the greatest it has ever been in the history of the world.

(4) Because it is a paying proposition. It founds, and nourishes churches that afterwards become great assets in the kingdom.

Respectfully submitted,

C. C. HONEYCUTT.

HOME MISSIONS

The Home Mission Board's record of work from its organization in 1845, to 1932, a period of eighty-seven years, can hardly be surpassed by any missionary organization in the world. During this period the Board employed 41.062 missionaries. These reported as a result of their work 785,500 baptisms. They organized 8,500 churches. These 785,500 baptism srepresent one-fifth of the total present membership of the Southern Baptists. These 8,570 churches organized by Home Board Missionaries represent one out of every three of the total number of churches Southern Baptists now have. The Board received and expended in its work during this period $20,500.000. Millions of dollars were spent in church building and other enterprises, and yet, based on this total, the 785,500 baptisms reported by the missionaries of the Home Mission Board cost an average of $25.00 a piece. This is a glorious record of achievement and should inspire our people to gird themselves in the strength of the Lord and go forward.

Respectfully submitted,

REV. J. S. HARRIS.

FOREIGN MISSIONS

Foreign Missions is no more urgent than the great commission, ever as

much. Every New Testament Christian, if loyal to his book and its commands, believes in and works for Foreign Mission. Churches that are dead are so because they have failed to preach and practice the central message of the New Testament. The Bible Vision for the gospel includes the whole earth and every man and woman regardless of color, climate, condition, or circumstance is included in its program.

The Foreign Mission Board had its first meeting in 1845. It now operates in China, Africa, Italy, Mexico, South America, Japan, Hungary, Jugo-Slavia, Romania, Spain, Palestine and Syria. The Board has sent out 971 Foreign Missionaries during its career. We now have on the Foreign Fields 2,651 churches with nearly 200,000 members. Seventy-five per cent of the churches on the Foreign Fields are self-supporting. As that number increases there will be more possibility of increasing the stations and more adequately supplying the stations which we already operate.

The type of work done on the Mission Fields include, evangelism, or the simple preaching of the gospel; publication houses which distribute all types of literature; schools from primary grades through Seminary; and hospitals.

One of the interesting things about this work is the financial situation. The falling off of funds coming into the office has made it necessary to withdraw Missionaries steadily for the last four or five years. Already recently the Board has notified 32 Missionaries, which are at home, that they will not be able to return to the Foreign Fields now, and that the Board will not be able to pay them any salary beyond January1, leaving them to seek work for themselves. The situation is extremely critical, and if our churches would consider the marvelous blessings of God on Mission work, for the small amount of funds invested, they would probably be inspired to greater effort in this particular field of Baptist endeavor.

Baptisms on Foreign Fields increases year by year in spite of smallness of contributions; the fields become more and more open to a democratic New Testament Message; Baptists at home continue to draw their cloak of pride and prejudice about them, and the world waits for the message of the Redeemer.

Respectfully submitted,

E. L. MELTON.

Mrs. T. S. Crutchfield presented the report on W. M. U., which was discussed by herself and Mrs. G. T. Lumpkin, F. A. Bower, Mrs. C. P. Crawley and Mrs. B. A. Simpson, and adopted.

REPORT OF W. M. U.

The purpose of the auxiliary organizations among the women and children of our churches is to stimulate the missionary spirit to the point of activity in missionary endeavor to send the gospel unto the utermost parts of the earth.

The plan of work is educational and inspirational. Our efforts to this end are by prayer and study. We pray for divine guidance and inspiration. We study to learn the will of our Lord and Master as revealed in His word with reference to evangelizing the world and teaching all nations; and also by the use of missionary literature, we endeavor to acquaint ourselves with the needs of the fields and the progress that is being made.

Through the years the missionary leaven has been steadily working in the Stanly Association until today we have enlisted in our various W. M. U. organizations around 831 members. Some 145 missionary periodicals come into our homes. Some two thousand dollars have been contributed by the members of these organizations to the various objects of the Baptist State Convention this year.

All of our churches that have given these organizations a fair trial have found that they have added much to their efficiency both in their local and missionary efforts. Therefore we recommend that all of the churches open their doors to this work, and let us all co-operate in a worthwhile way to ad-

vance the Kingdom of God, not only at home, but to the ends of the earth as well.

Respectfully submitted,

MRS. T. S. CRUTCHFIELD.

The report on Hospitals was submitted by Rev. W. A. Hough and discussed by G. T. Lumpkin, and adopted.

REPORT ON HOSPITALS

The Baptists of North Carolina have at Winston-Salem one of the best hospitals in all the land: A well-arranged building, a splendid equipment, an excellent superintendent, an efficient medical staff, a competent corps of nurses, and best of all a thoroughly Christian atmosphere prevails throughout the institution.

Because the above is true, our resources are taxed, even beyond their limit, to care for the ever-increasing number of patients seeking admission and help.

Fortunately for us, the hospital is managed so economically that a dollar goes a long ways. Were this not true we would be compelled to turn even larger numbers of urgent and worthy cases away to suffer and many of them to die.

During 1932 the demand for help has greatly increased while the income from pay patients has greatly decreased. Many hospitals have been compelled to discontinue charity work, and that increases the number who seek admission in our hospital.

In this economic crisis a large number of our people are without work; still larger numbers have only part time work, and for all wages have been greatly reduced. Our farmers have but little money.

Worry, poor living conditions and to rigid economy caused by this crisis have increased the amount of sickness among those unable to pay. All of these things combine to increase the financial burden of the hospital.

All the time there are a large number of charity patients in our hospital, coming all the way from the Atlantic to the Tennessee line. They must be cared for or many of them will die. How can it be done? The decrease in pay patients, the increase in charity patients, the decrease in Mothers day contributions brings about a trying situation for the institution. In an effort to meet these conditions salaries have been reduced, needed equipment left off and expenses curtailed everywhere possible; still the urgent demands can not be met. Unless the churches help bear the expenses of the patients they send, the institution will be compelled to turn away many of our needy, worthy sick brothers and sisters or go hopelessly in debt. We have commanded that the hospital stay out of debt and still we insist that they take and care for our sick.

The hospital cannot do the impossible. Since these needy sick ones are our brothers and sisters, and since it is our hospital buildt to care for them, we recommend that when it is possible each church send the hospital $1.50 per day for each patient it send. If we will do this they will take care of the patients and stay out of debt. This will not burden any church and will enable the hospital to care for 2,000 patients annually. If not done they will be compelled to curtail charity work to an unthinkable point.

We recommend further that each church be urgently requested to do their best to increase its Mothers day offering next May.

We further recommend we talk up our hospital and send our pay patients there when possible to do so.

May we join hands in the battle for health and life we challenge in the name of Christ and our sick. Let's do our best.

Respectfully submitted,

W. A. HOUGH.

The following committee on Committees was appointed by the Moderator: R. A. Smith, E. D. Thompson and T. E. Staley.

The Association adjourned until 7:30 P. M.

EVENING SESSION

The evening session of the Association convened at 7:30 with Vice Moderator Dorton presiding. After a song service conducted by Mrs. H. S. Leafe, Coy Muckle led in prayer. C. C. Dry read Rom. 12: 1-2, and made some helpful remarks on "The Transformed Life". The Wingate Junior College quartet sang two selections.

The report on B. Y. P. U., written by L. P. Beck, was read by W. A. Hough, and adopted. A quartet of ladies from the Badin Baptist church sang a selection.

The Senior B. Y. P. U. of the West Albemarle Baptist church very impressively rendered a playlet—"The Three Visitors." Bryon Hurd very helpfully addressed the Association on "A Transformed Leadership." B. Y. P. U. work was further discussed by T. S. Crutchfield. The Wingate Junior College quartet sang a selection and the Associaiton adjourned, the closing prayer being led by M. L. Dorton.

REPORT ON B. Y. P. U.

On October 14, 1931, the Stanly Associational B. Y. P. U. was reorganized for the purpose of stimulating the work in the Association. An associational rally was planned to be held at the First Baptist Church in Albemarle on December 13. Miss Winnie Rickett, State B. Y. P. U. secretary, agreed to come as the principal speaker.

The annual convention for 1932 was held at the Norwood Baptist Church on Sunday afternoon, June 19. A large number of churches were represented.

Representatives from this Association attended both the Regional Convention at Hickory, April 8-9, and the State Convention at Ridgecrest, July 2-8.

Of the 33 churches in the Association, 15 have a B. Y. P. U. organization. There is a total of 29 unions in the Association—9 junior, 5 intermediate, 15 senior.

Thirty study courses have been taught during the year and approximately 450 awards have been given to B. Y. P. U. members.

The B. Y. P. U. is the greatest training agency for young Christians in our denomination. "We shall save our churches for tomorrow by saving our young people of today." Wisdom has fled from us if we neglect longer this task of training in every church in our Association.

Respectfully submitted,

L. P. BECK.

THURSDAY MORNING SESSION

The Thursday morning session met at 9:45. The worship period was conducted by R. W. Torbert, who led the Association in singing "We're Marching to Zion" and "To the Work." Following this, M. L. Dorton led in prayer. Brother Torbert then read 57th Psalm, and Deacon W. A. Hough led in prayer.

The proceedings of yesterday were read, corrected and approved.

The following visitors were recognized: C. J. Black, Bessemer City, N. C.; W. P. Biggerstaff, Bessemer City; C. A. Upchurch, Raleigh, N. C.; R. D. Covington and a quartet of girls from Mills Home, Thomasville, N. C.; S. T. Morris, Kannapolis, N. C.; H. E. Nash, Z. W. Roitan, Concord, N. C.; and L. D. Munn, recently called pastor of Oakboro Baptist church.

The report on Sunday Schools, written by J. B. Copple, was read by F. A. Bower. After discissions by T. S. Crutchfield, F. A. Bower, E. F. Eddins, and Deacon W. A. Hough, the report was adopted.

REPORT ON SUNDAY SCHOOLS

In my brief report on Sunday Schools there are two things I desire to stress:

First, in the last few years the tendency of so many of our people both old and young to make the Sunday School the main service of the Sabbath is shown by the way so many adults and young people leave the church and do not return for the preaching service. This feeling of church members and others that the Sunday School can fill their need of worship is to be greatly regretted. The Sunday School was never intended to supplant the worship service of the church nor even be a substitute in any case. The Sunday School should be only the teaching function of the church and should, in no case, be allowed to grow into the position of supplanting or becoming a larger idea in the minds of our people than the regular worship of the church.

Secondly, the tendency to place too much emphasis on the Sunday School hour is due to two things; over-organization and unwise selection of officers and teachers. In the adult classes organization has become such an important factor that members of these classes too often feel that they have been through one complete service and hence feel no duty or obligation to attend another during the entire day. In the lower departments of our Sunday Schools the teachers should be selected with great care not only for their fitness to teach the subject matter to be presented but more especially for the life and example they set before those in their care. Too often our teachers live the careless pleasure-loving life of the world and have lost their influence for good on those who are under their instruction. Far too often do we see even the teachers leaving after Sunday School and not staying for the regular worship hour of the church.

The writer urges all our churches to be very careful in the selection of officers and teachers and not have our young people under the care of those whose example we do not care for our children to follow.

J. B. COPPLE.

The report on Christian Education was submitted by N. C. Coggin and discussed by himself and N. A. Teeter, and adopted.

REPORT ON CHRISTIAN EDUCATION

In its annual report the Education Commission of the Southern Baptist Convention suggests three lines of work facing us in the task of Christian educations today. First, how shall we continue to attract and hold students for our Christian colleges? Second, how can we provide sufficient funds to maintain adequate educational plants, laboratories, libraries and faculties for our Christian schools? Third, how are we to differentiate Christian colleges in fact as well as in theory in this age of indifference to spiritual values that is invading our homes and churches?

The value of the Christian college to Kingdom work is generally conceded by all leaders among Christians. Woodrow Wilson declared: "The

Christian college is a lighthouse of Civilization". There never was a time when the ideals of Jesus were so demanded as they are now. The colelge truly devoted to such education has heretofore rendered an incalculable service and on its record deserves the support of all men.

As churches we must never forget that ninety per cent of the world's Christian workers come from Christian schools. Our Baptist schools are indispensable for furnishing us our preachers, missionaries, and trained workers. This is the special field of our Christian schools today in the work of the kingdom.

Respectfully submitted,

N. C. COGGIN.

The following visitors were recognized: N. H. Shepherd and wife, F. W. Frye and wife and Mrs. Lowder.

The committee of investigation relative to Smyrna church made the following report. The report was discussed by C. A. Upchurch, M. L. Dorton, F. A. Bower, C. J. Black, E. F. Eddins, J. S. Tyson, Rev. W. A. Hough. J. T. Calloway, R. A. Smith, and adopted.

REPORT ON SMYRNA CHURCH

Having been appointed as a committee to make an investigation in regard to the condition of Smyrna Baptist Church and having made the investigation we hereby name the following report:

We find that Smyrna Baptist Church held its last conference in March, 1926. The church has had no Sunday School this year and has had no additions in membership in the last six years. It now has only seven members and has had no pastor during the past six years except one year when Rev. C. C. Honeycutt was their pastor.

We, therefore, recommend that Smyrna Baptist Church be dropped from the list of churches in the Stanly Association.

Signed by the committee,

R. A. SMITH,

M. L. DORTON.

The committee on Committees made the following report which was adopted. (See directory.)

The report on Stewardship was submitted by F. A. Bower and discussed by himself and T. S. Crutchfield, and adopted.

REPORT ON STEWARDSHIP

The loyalty of Southern Baptists on most of the cardinal doctrines of the Bible has never been questioned. We believe in the Inspiration of the Bible, the Atoning work of Christ on the Cross, the Resurrection of Jesus, Believers' Baptism and a Regenerated Church Membership. We believe in the Deity of Jesus Christ and the certainty of Heaven for the saved and of Hell for Unbelievers; but as a whole we have either wilfully neglected or ignorantly ignored the great doctrine of THE LORDSHIP OF JESUS CHRIST OVER OUR LIVES.

We call Him Saviour, but we do not obey Him as Lord.

We come to Him for Salvation, but we have not come to Him for direction. He has been Saviour of our souls, but he is not Lord of our substance. We call Him Lord, Lord, but we do not the things which He says.

In view of these solemn facts we earnestly recommend: First, that we

respectfully request each pastor in this Association to preach at least one sermon of Stewardship in November of this year, in each of his churches.

Second, That we who belong to Christ proceed without delay to make use of what light we now have on the subject of our stewardship and cease quibbling with and questioning His commands.

Third, That we here and now pledge ourselves and our substance afresh to our blessed Redeemer, to be used by Him when and where and in what manner it may be most pleasing to Him.

Respectfully submitted,

F. A. BOWER.

While the Mills Home girls quartet sang "Take My Life", the Association bowed in dedication of self and substance to God.

In the absence of the Mills Home report, R. D. Covington, treasurer of Mills Home, presented two students of the institution, Miss Mary Black and Miss Grace Bennet, who addressed the Association. The Mills Home quartet then sang "Tread Softly." Brother Covington then addressed the Association the "History, Work and Call of Mills Home." C. J. Black led in prayer.

On motion Thursday, one week before Thanksgiving was set as the day to go to Mills Home with produce. Adjourned prayer by F. W. Frye.

THURSDAY AFTERNOON SESSION

The Association reassembled at 1:30, M. L. Dorton, presiding.

R. W. Torbert led the devotions as follows: Song, "Wonderful Words of Light." Prayer by E. F. Eagle. Song, "Trusting Jesus That is All." Scripture, First Psalm.

By request the Mills Home quartet sang again, "Tread Softly."

The report on Needs of the Churches was submitted by M. L. Dorton. and was discussed by himself and adopted.

NEEDS OF THE CHURCHES

The needs of the churches are legeon. Few can be mentioned here.

1. Evangelism, the preaching of the gospel that wins the lost to Christ, but not the unsaved into the Churches.

2. When new members come into our churches, it at once becomes our duty to train them for service. If we are to succeed in this noble task, we must of necessity have trained leaders, and to have trained leaders, we must have a trained ministery.

3. A true Missionary Baptist Church must be co-operative, of necessity it must be missionary at home and to the ends of the earth. Why all this confusion among our Baptist Churches? Is it not for the lack of vision, co-operation, brotherly love and consecration, much of which is brought about by selfishness and greed?

Respectfully submitted,

M. L. DORTON.

The report on Temperance was read by U. S. Burleyson. After it was discussed by "Uncle" Alford Morton, C. A. Upchurch, F. A. Bower, J. T. Calloway and Q. E. C. Coble, it was adopted.

REPORT ON TEMPERANCE

One among the greatest evils since Noah went out of the ark is using strong drink as a beverage.

The drinker is injured physically, financially, mentally and morally.

Noah Webster said that strong drinks destroy more lives than wars, famine and pestilence. It makes many widows and orphans. Many cases that our Churches have to deal with come from liquor. Indeed the temperance cause looks gloomy this year as it is almost certain that the 73rd Congress will have about 10 wets to one dry.

So the prohibition laws, especially the 18th amendment and the Volstead act are in great danger of being changed or even repealed. Therefore, be it resolved:

1. That we, The Stanly Baptist Association, use our influence and vote for candidates who will uphold and enforce our temperance laws.

2. That we wage a ceaseless educational campaign of teaching and preaching against intemperance, especially the liquor business, until our people are informed and a stronger public sentiment is aroused for temperance.

Respectfully submitted,

U. S. BURLEYSON.

The chair recognized the following visitors: M. A. Huggins, acting general secretary of Missions, and Hugh Lottimore, representing the Relief and Annuity Board. The Mills Home quartet sang "Peace Be Still." M. A. Huggins addressed the Association on the Mission Situation in North Carolina.

The committee on Time, Place and Preacher made the following report: Time, last Wednesday and Thursday in October, 1933. Place, Richfield Baptist church. Preacher, J. S. Tyson. Alternate, R. A. Smith.

The following resolution was offered by J. S. Tyson.

RESOLUTION BY J. S. TYSON

Resolved that we, the members of the Stanly Baptist Association, by rising vote, express our appreciation to our Moderator and Clerk for the very helpful information and inspiration given to us, by their board tabulation of the statistics of the various churches of the Association.

J. S. TYSON.

The clerk was asked to prepare and include in the Minutes the following resolution:

RESOLUTION AS TO ENTERTAINMENT BY AQUADALE CHURCH

In view of the fact that the 48th session of the Stanly Baptist Association has been most wonderfully entertained by the Aquadale Baptist Church. Therefore, be it resolved, that we express our hearty appreciation to them for the same.

W. A. HOUGH, *Clerk.*

"Blest Be the Tie" was sung and the Association was adjourned with prayer by R. A. Smith.

Reports on State, Home and Foreign Missions

The State Board has done a great work for one hundred and three years. They have helped hundreds of churches that were not able to finance their work. And now many of these churches are paying a big dividend.

Last year a church in North Carolina which at one time was aided by the State Mission Board gave as much to the support of all objects: State, southwide, and worldwide as were given by 25 entire Associations for the same objects. The poor do not always remain poor, but need encouragement and help. There are in North Carolina more than half million unsaved people above the years of accountability. In the face of all this, hundreds of churches and thousands of members have closed their hearts, ears and eyes against State Missions. When we lose the spirit of mission we have lost our power with God and man. Jesus says ye are the salt of the earth and the light of the world. This is His only plan to save a lost world is through His children. The challenge is to us.

Respectfully submitted,
T. E. Staley.

Home Mission work, organized in 1845, has grown to a great degree. Last year there were 3,128 baptisms in all the fields in which Home Board Missionaries labored. This year, the report shows an increase over the above.

Jesus gave his disciples charge to begin at Jerusalem—at home. May we, as Southern Baptists, go forward in the great work of the Kingdom.
E. F. EAGLE.

Our Foreign Mission work in spite of serious drawbacks continues to go forward in a glorious way. In the past 25 years the churches on the foreign fields have grown from 233 to 2,651, and their membership from 13,000 to 185,000. Many churches are not only self-supporting but are themselves missionary in turn. It will surprise many to learn that gifts from these churches to missions elsewhere have been in excess of half a million dollars.

The cause of Foreign Missions at the home base is not so bright. Benevolences have declined out of proportion to the declining resources of our people. Many have openly ignored the command of Jesus and have cut off their missionary gifts. The debt on the Foreign Mission board is over a million dollars. One bright spot in the local situation however is that in recent months a number of our finest missionary veterans who have been detained here have been able to return to their work, due to the gracious generosity of a few individuals here and there. For this we are profoundly grateful.

Our present need is threefold: First, more prayer for missions and missionaries. Second, more study of the missionary cause, particularly on the part of our men in the churches, and third, more generous and Christ-like giving on the part of each and every member of each and every church.
F. A. Bower.

After singing "Thy Kingdom is Coming", Mrs. C. P. Crawley outlined the W. M. U. work in the Association.

Mrs. F. A. Bower introduced Mrs. Carter Wright, who addressed the Association instructively and inspiringly on the accomplishments and aims of the W. M. U. Later, Mrs. Crawley submitted the following report on Woman's Work which was adopted.

Report on W. M. U.

The W. M. U. is composed of Woman's Missionary Societies, Young Women's Auxiliaries, Girls' Auxiliaries, Royal Embassadors and Sunbeams.

The purpose of the W. M. U. is to enlist the women and young people of the churches in prayer, Bible study, mission study, personal service, law observance, giving of self and substance, and world-wide evangelism.

There were in 1933, 31,549 women and young people organizations in Southern Baptist convention; 2,780 in North Carolina and 35 in Stanly Asso-

ciation. South-wide gifts in 1932 amounted to $1,867,168.78 in North Carolina $173,583, in Stanly Association $145,196. North Carolina's apportionment for 1933 is $196,000. Stanly Associations apportionment is 10 per cent increase over 1932 or $1,597.15, of which $1,020.70 has been paid to date.

Respectfully submitted,
MRS. C. P. CRAWLEY.

The following committee on Committees were appointed: F. A. Bower, L. D. Munn, M. L. Ross, Ralph Harris and H. S. Herlocker.

The committee on Time, Place and Preacher for the 1934 session was appointed as follows: S. L. Morton, F. T. White and Ellis Burris.

After some announcements the Association adjourned until 7:00 P. M. Closing prayer by C. C. Huneycutt.

WEDNESDAY EVENING SESSION

The evening session was called to order at 7:00 o'clock. After singing "Loyalty to Christ", Miss Mary Lowder led the devotional service.

The report on Christian Education was submitted by M. L. Dorton. After discussion by himself and Coy Muckle the report was adopted.

REPORT ON CHRISTIAN EDUCATION

The rationalists of the past century succeeded in sowing down the world with their attacks upon the Bible, their sneering disbelief in the supernatural and their open effort to discount the history if the Bible narratives. The head of a large and very rich university has stated his own views openly, saying, "The purpose of higher education is to unsettle the minds of young men, to widen their horizons, to inflame their intellects." The battle is on in the schools between a materialistic and a spiritual interpretation of life. Must not Baptist in self-defense of their cherished beliefs sacrifice for consciously sought Christian ends in education?

The report on B. Y. P. U. was read by Crawford Poplin. The report was condensed and adopted.

A group of B. Y. P. U. members selected from several of the Senior Unions of the Association rendered a Mission program, demonstrating the regular program of individual Senior Unions. The following officers of the Associational organization were announced and approved: President, Crawford Poplin; Vice-President, Miss Leola Caudle; Secretary and Treasurer, Miss Hazel Smith; Intermediate Leader, Mabel Kimrey; Jr. Leader, Miss Mary Lowder. C. C. Burris then briefly addressed the Association on B. Y. P. U. work.

On motion the following trustees of Wingate Jr. College were approved: N. A. Teeter and W. A. Hough. The evening session was closed with prayer by C. C. Burris.

REPORT ON B. Y. P. U.

A study of the history of the B. Y. P. U. convinces us that it had its beginning in the mind of God. It came into being to meet the need of the young Christians for spiritual growth and the need of the churches for consecrated, useful leaders and members. There are four outstanding factors which have promoted the marvelous growth of the work.

First: Leadership. Outstanding leaders of the Southern Baptist Convention launched the movement. Later the Sunday School Board joined hands with the leadership of State Mission Boards through the B. Y. P. U. Secretaries.

Second: Loyalty to Sound Principles. It is and has been strictly a

church and denominational organization for training young and untrained church members in the duties of church membership. It ministers mainly to those who are church members.

Third: Better Methods. These methods have been characterized by the group and committee plan of organization, which make it possible to train each individual rather than only the more gifted members. The Standard of Excellence serves as a guide in reaching the great goal of Christian efficiency. It prevents wandering into useless activities and keeps the department on the main track in training and enlisting in church service. The General Organization presents a church plan for supervision and leadership and each and support the local church.

Fourth: Good Literature. In our B. Y. P. U. curriculum we have B. Y. P. U. Department should link its work closely with all church activities thirty-two suggested study course books. These books are on methods, church activities, soul winning, the Bible, doctrine, stewardship, missions and all phases of denominational life. The literature provided by the Sunday School Board is educational because the topics are written with a view of meeting the needs in the lives of young people. In addition to this a daily Bible Reader's Course is outlined to aid our young people in a fuller appreciation of the Bible.

The General Board of the Baptist State Convention in co-operation with the Sunday School Board at Nashville, Tenneesee, fosters the training work in our State.

In North Carolina we have 2,516 B. Y. P. U.'s. There are 698 Junior; 640 Intermediate; 1,013 Senior; 154 Adult; and 478 General Organizations. There are 68 Associations in which there are 64 organizations.

In This Association there are 32 churches and 12 B. Y. P. U.'s. We urgently request leaders and pastors to make every effort to organize the young people in the churches without unions and strive to reach the hundreds of untrained church members and train them for intelligent participation in the work of the local church and the full program of the denomination.

Respectfully,
CRAWFORD POPLIN.

THURSDAY MORNING SESSION

The devotional service for the Thursday morning session was led by T. B. Mauney. Song, Come Thou Almighty King. Scripture, Psalm 63.

The minutes of yesterday's sessions were read, corrected and approved.

The report on Sunday Schools was submitted by A. P. Harris and discussed by himself and M. L. Dorton, and adopted.

Report on Sunday Schools

The Sunday School is the channel through which is drawn Church Membership, and constitutes the best asset in securing Church attendance. The Sunday School, the Church and the home constitute the training ground for Christian workers.

In the past six years the Church membership of the Stanly Association has increased above seven hundred. The enrollment of the Sunday Schools has increased about the same number. In the same period the average attendance of the schools have almost doubled. The Church attendance may have increased in like proportion, but we are inclined to believe that such is not true. It should be the well defined purpose of the leaders in Sunday School work to use every possible effort in securing a larger attendance at the Church services. The growing idea that the Sunday School can take the place of the Church service should be discouraged.

The officers, teachers and parents in our Sunday Schools should be regular attendants upon the Church services, and these should set worthy examples in Christian living.

Many of the Sunday Schools of the county have not the advantages of

commodious buildings and useful equipment, but no school should be discouraged. No school should spare effort or expense to obtain the best possible in physical equipment, but above all should be the well-defined purpose to build and equip Christian character.

The Mills Home is the ward of the Church and Sunday School and we recommend that every Sunday School in the county become a monthly contributor to the Home and that Charity and Children be placed in every home represented in the School.

The following report on Stewardship, written by Coy Muckle, was read by R. F. Bass and discussed by R. F. Bass, E. S. Summers, W. A. Hough, and adopted.

Report on Stewardship

The basis for stewardship is in the fact that God is the owner of everything. Ownership involves the ability to destroy, or make, or remake, and only God has that power. In order to be a steward we must clearly and definitely realize and admit the ownership of God of everything we have in charge. That once admitted, we are in a fair way to become stewards.

The reach of stewardship includes everything which we are, which we own, and which we hope to be. Our time, our personality, and our influence is all given us that we might use it for Him. There are not any exemptions in the matter of the reach of stewardship. To be proper stewards we must make regular returns to the owner, and that must include an honest account of ourselves and ours.

The amount of stewardship is a mooted question with many of the leaders and thinkers. Some think Christians are bound by the tithe which was the strict law of the Jews for giving. These advocates of the tithe claim that the law was never revoked, and, therefore, comes into the Christian church of today. There are others who do not deny the validity of the tithe, but they think that should not be the regulation for Christians now. They think certainly the Christian should not think of giving less, but he should always give more than the tithe. They are correct when they say that everything we possess and control is, and of right ought to be, dedicated to the use of the Kingdom.

Perhaps the finest ideal of stewardship will be found to be practiced by the individual who recognizes that everything belongs to God; that He has had committed to him a certain section of God's wealth; that he is obligated as a Christian to use it with all his ability, and that he is finally required to make proper returns for its use.

The New Testament is very specific in its demands of stewardship. It requires that preachers be good stewards of the Gospel, that laymen be good stewards of temporal affairs of the church, that women be good stewards of their right to Christian hospitality and alms-giving, and that the entire Christian body shall be good stewards for the promotion of *truth* around the world.

Respectfully submitted,
Coy Muckle.

The report on Orphanage was submitted by Ellis Burris and discussed by Supt. I. G. Greer, J. C. Hough, and adopted.

Report on Orphanage

For many years North Carolina Baptists have undertaken the support of the orphaned children in their constituency. As is well known, the plan of this care is twofold:

First, the mothers' aid plan, whereby the mother is encouraged by the aid of a small monthly stipend, to keep her children with her in her own humble home. Second, institutional care. We have two homes for this purpose: One at Thomasville, where approximately 500 children are housed in

cottages about the Orphanage grounds. The other is at Kinston and cares for about 135 at the present time. In these two institutions the physical, mental and spiritual well-being of the children is given most careful consideration.

Our Orphanage work is maintained solely by the freewill gifts of the Baptists of the state, made up largely from the monthly offerings in the Sunday Schools and the special offering at Thanksgiving. A special effort is being made this year in Stanly Association as in the last two years, to supplement these offerings by a generous supply of farm produce from each and all of our rural churches.

Only the heartiest co-operation of all our people can keep our Orphanage from the distressing burden of debt. We urge this co-operation on the part of every Stanly County Baptist.

Respectfully submitted,

ELLIS BURRIS.

The following report on Temperance was read by C. C. Huneycutt and discussed by C. A. Upchurch, of Raleigh, N. C., and adopted. Adjourned.

Report on Temperance

One among the greatest evils of the world is intemperance.

The liquor traffic with which we have to deal is a foe to the moral, interlectual, and Spiritual welfare of the human race. Therefore, it behooves us, as Christian men and women, to set ourselves afresh to the great task of abolishing this from our midst.

The people of North Carolina will soon have an opportunity to decide by a vote whether or not intoxicating liquor may be lawfully sold. It is the duty of the people in deciding a grave issue to have a thorough knowledge of the facts connected with the issue, and a conviction of the right course to follow, that will seem most likely to affect their future happiness, and the happiness of their posterity.

It is a question North Carolinians must face without bias or flinching, or mincing of words. It does not only require altruism, but the dictates of sound business judgment as well, for upon its solution depends the integrity of our national character.

Before prohibition, liquor wrote dark pages in our history. The years when saloons flourished on every corner and often in the middle of the block, when in every city, town and hamlet its doors swung open to welcome the working man on his way home, to take the money of the youth. Its victims, women and children, were suffering from depreviation and cruelty, while they filled the courthouses and charity organizations. In its back rooms were the meeting places of the gamblers, the criminals and the public undesirables.

Before prohibition there were in the United States 98 Keely Institutes. They have been reduced to 11 under the 18th amendment, a decrease of 90 per cent. There were 275 institutions for treatment of alcoholic diseases. Now there are only 68. Decrease in drunkenness caused 207 to close.

In Chicago during legalized liquor the Washingtonian home for men, for drunkards, had 700 to 1,000 patients at a time and treated 300,000 drunkards. Since the 18th amendment it has been turned into a hotel. No patients.

Prohibition has been a noble accomplishment, because it has not only brought about the things mentioned above but has been the cause of eliminating 177,790 saloons. Shall we vote on November 7th for the return of these places of sin, vice, and the ruinations risking posterity?

Brethren, let us awake and put on the strength God and on November 7, 1933, give the devil and his crowd a black eye by rolling up an overwhelmingly majority for the cause of prohibition and temperance.

Respectfully submitted,

C. C. Honeycutt.

THURSDAY AFTERNOON SESSION

The Association reconvened at 1:40 P. M. T. E. Staley led the devotions.

The following report of the committee on time, place and preacher for the next session was adopted. Time, Thursday and Friday after the fourth Sunday in October, 1934. Place, Silver Springs. Preacher, L. D. Munn. Alternate, F. A. Bower.

The following report of committee on Committees was adopted. (See directory).

On motion of F. A. Bower a vote of appreciation was extended the Richfield Church for the splendid entertainment given the Association during its 49th session.

The subject of Needs of Churches was conducted by W. A. Hough as follows: One minute talks on "The Biggest Thing My Church Has Done This Year", by representatives from the several churches. The subject was further discussed by F. A. Bower, C. A. Upchurch, Deacon W. A. Hough and E. D. Teeter.

C. B. Reid, the appointee to submit report on Hospitals being absent, the report was postponed.

The following report on Obituaries was read by W. S. Coggin, and adopted:

Report on Obituaries

Since our meeting with the Aquadale Baptist Church a year ago we have witnessed the passing away of some of our most worthy and outstanding Kingdom workers. While we are recording the names of all these faithful Christian men and women in our Minutes we wish to make special mention of Rev. R. W. Torbert, who was the faithful and beloved pastor of the Badin Baptist church. His sweet and lovely life will no doubt have a large place in the hearts and lives of the people he so kindly and faithfully served and the friends he made. But we know that our loss is heaven's eternal gain and we expect to meet him along with the rest of our worthy dead in our Father's house on the other shore.

Respectfully submitted,
W. S. COGGIN.

STANLY BAPTIST ASSOCIATION

NORTH CAROLINA

FIFTIETH ANNUAL SESSION

Held With

Silver Springs Baptist Church

October 25-26, 1934

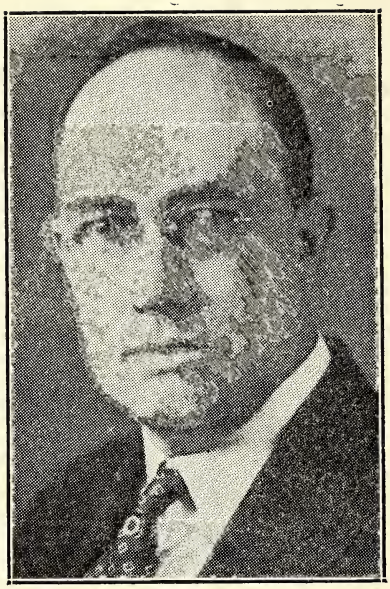
SILVER SPRINGS BAPTIST CHURCH

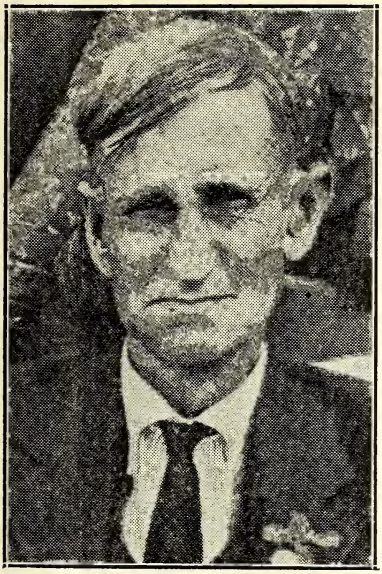


REV. M. L. DORTON

Pastor of West Albemarle Baptist Church and Moderator of Stanly Baptist Association 1934.

TO THE MEMORY OF REV. C. C. FOREMAN

Rev. C. C. Foreman, was born March 24, 1828. Died March 12, 1890. He was among the first of Baptist preachers of Stanly County, and served three terms as pastor of Silver Springs Church, being the first pastor of that great church. Rev. Foreman was also the first Moderator of Stanly Baptist Association. He was author of many substantial Resolutions that sustained the Christian morale of Baptist Doctrine in pioneer days of the association and which today are incorporated in the Stanly Baptist Constitution. He fought the "winning fight"; has laid down his armor of battle, and while his ashes repose in Silver Springs cemetery, his soul rests in the bossom of God.

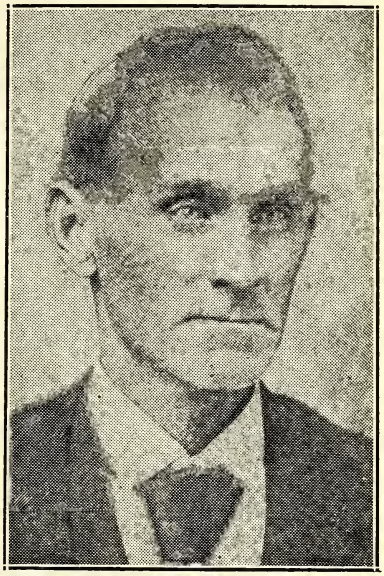


H. L. GREENE, SR.

With tender recollections of our beloved grandfather, we offer tribute to the memory of his Christian life and influence. Henry Lafayette Greene was borned May 24, 1858; died November 22, 1931. He was a Deacon and Trustee of Silver Springs Baptist Church from 1891 to 1919, and of Aquadale Baptist Church from 1919 until his death.

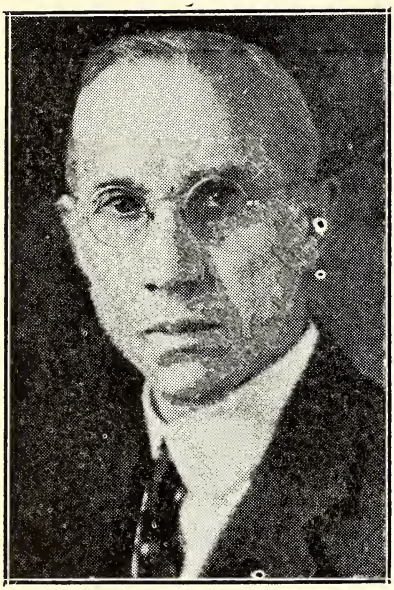
His greatest delight was singing; and all his active Christian life he was choir leader of the churches honored by his membership. His consolation was worded with, "When All Redeemed Singers Get Home".

He was known by his many friends as "Moncha" Greene.



REV. G. O. WILHOIT

Rev. G. O. Wilhoit was born May 19, 1840, and died August 22, 1919. He was converted in the Confederate Army in July, 1863. And with another staunch Baptist, Mr. Frank Cooper, was baptized in the Neuse River. Rev. Wilhoit was licensed and ordained to the ministery by Silver Springs in 1866 and preached his first sermon there in July of the same year. He held several pastorates in the association and rendered much and lasting service to Stanly Baptist Association. The fruits of his labors are abundant. Rev. G. O. Wilhoit was author of first History of Silver Springs Baptist church.



REV. J. S. TYSON

Pastor of Silver Springs Baptist Church, 1934.

Rev. Tyson is a grandson of Joel Tyson I who, with Ervin Maulden donated the original two acres of land to the church. Joel Tyson I was a member of the first Board of Deacons of Silver Springs Church.

SILVER SPRINGS BAPTIST CHURCH

Silver Springs was the place of organization of Stanly Baptist Association and also place of the 50th annual session of the Organization. This historic church was organized in 1857 with Rev. C. C. REPORT ON PERIODICALS

Your committee desires to call your attention to the invaluable service rendered to our work by our Baptist Publications. It is through the eye gate that about eighty or ninety per cent of our knowledge is attained. We can usually tell the type of character one has by what he reads. Therefore, it is to the interest of God's Kingdom's progress, that we help those who labor with us in our Master's cause. Therefore, we wish to make the following resolutions:

(1). We recommend our State Paper, the Biblical Recorder, and urge our pastors, deacons, superintendents and churches to co-operate in securing subscriptions to increase the circulation in our association.

(2). We most earnestly recommend our Home and Foreign Field, published by our Sunday School Board, which gives inspiring information of our mission fields at home and abroad.

(3). We further recommend that our pastors, superintendents, and churches lend their support to the circulation of Charity and Children, published by our Mills Home in the interest of our adopted children.

(4). We also recommend that each church have an efficient and consecrated person to represent Baptist Periodicals, and do as far as possible secure more reading of wholesome literature among our Baptist members.

Respectfully submitted,
Z. W. ROTAN.

8. H. S. Herlocker read the following report on Mills Home which was discussed by J. C. Hough, Supt. of Kennedy Home at Kinston, N. C., and adopted.

REPORT OF MILLS HOME ORPHANAGE

The Orphanage is an institution that is being fostered by various churches and individuals. This is a matter that all Christians as well as others should be vitally interested in to the extent that they would welcome the opportunity to contribute to its support..

In this home hundreds of children are being fed, clothed and given religious training by precept and example through the influence of teachers who are well acquainted with the nature and capacity of children. All the activities of the Orphanage is so systematically arranged that children are taught the importance of doing things at the right time and in the right manner.

Many children are turned away each year for the lack of needed room and funds. This condition should so appeal to us that we would make a greater effort to contribute more freely that the many worthy cases that are now being turned down can be cared for.

We recommend that each pastor sees to it that a monthly collection be taken either through the Sunday School or regular church service for the support of this worthy institution.

Respectfully submitted,
H. S. HERLOCKER.

9. The Moderator announced the following committee on Committees: J. C. Russell, F. A. Bower, Shelly Caudle, Mrs. J. M. Mauney and Henry Greene. Also the committee on Time, Place and Preacher for the next session of the Association as follows: E. D. Teeter, W. B. Almond and J. C. Bennett.

10. The following visitors were recognized: C. C. Burris from Union Association, J. D. Hovis and Mrs. W. C. Thompson from Mecklenburg-Cabarrus Association, N. C. Coggin, J. B. Little and T. B. Little from Union Association, Mrs. J. C. Hough, Mrs. Flow and Mrs. Baxter Griffin.

11. J. S. Tyson, pastor of the entertaining church, made some announcements relative to serving dinner.

12. The Wiscassett Street Church made application for admission into the Association, and the following committee was appointed to investigate and report on the application: L. D. Munn, J. S. Tyson and R. A. Smith.

REPORT OF COMMITTEE ON PETITION OF WISCASSETT CHURCH

We, the committee appointed by the Stanly Baptist Association to investigate the request of Wiscassett Street Baptist Church for admittance to the Stanly Association, recommend, after careful deliberation and prayerful investigation, that this association refuse the recognition of said church as a member of this association for the following reasons, to-wit:

(1) Because we have reason to believe the said church was unorthodox in its original set-up. We base our belief on the following reasons:

(a). That neither member of the Presbytery was and is a recognized member of this association; or any association.

(b). That we have failed to establish the church membership of the Moderator of said Presbytery.

(2). Because we have reason to believe there is now friction between some of the five charter members of said church.

(3). Because we have knowledge that the proper courtesy and respect, as recognized by this association, were not shown by the above said Presby-

tery to the neighboring Baptist churches, churches that are surely to be influenced by the above said church, in its failure to invite the neighboring churches into its organizing conferences.

(4). That the presented credentials of the above-said church for admittance to this association are not full and complete.

(5). That we see no need at present for another Baptist church in the above-named vicinity.

On the other hand, we have reason to believe the above organization is accomplishing some good; and we feel that if it is God's desire for the above church to become a Missionary Baptist Church, He will in due time reveal His desire to the satisfaction of this association.

Respectfully submitted,
L. D. MUNN, Chairman
R. A. SMITH
J. S. TYSON.

13. The annual sermon was preached by L. D. Munn, whose subject was "Christianity and Religion." The closing prayer was led by C. C. Burris.

Afternoon Session

14. The Association reassembled at 1:30 P. M., and C. C. Huneycutt led in praise and worship, using as a scripture lesson Psalms 41. J. C. Bennett led in prayer.

15. The following communication from Union Grove Baptist church was read by the clerk, and on motion the moderator appointed the following committee to investigate the trouble and report to the next session of the Association: F. A. Bower, T. B. Mauney, T. W. Fogleman.

Whereas, Union Grove Church feels that it has been offended by Porter Baptist Church, and

Whereas, Union Grove Church has notified Porter Church to this effect, but received no reply, although about three months have elapsed since Porter was notified.

Therefore, we, the members of Union Grove Church, hereby request the Stanly Association to take such steps as it may deem necessary toward establishing a relation of understanding and full fellowship between the two Churches herein mentioned.

Done by order of Union Grove Baptist Church in conference, this 21st day of October, 1934.

J. K. HARWOOD, Moderator.
AMON WISE, Clerk.

16. The report on State of Churches was submitted by Ralph Harris and discussed by himself, W. A. Hough, and E. D. Teeter. . One minute reports were made by a messenger from each church on the state of his church and the report was adopted.

REPORT ON NEEDS OF THE CHURCHES

The state or needs of the churches under the present conditions of the world today, the conditions or the needs of the churches leads us to this thought: 1. We need an organized body of true regenerated men, women and boys and girls who will work together in Christian love and sympathy. 2. The church needs an efficient pastor who has been divinely chosen of God who has come out from amongst the world and has studied to show himself ap-

proved unto God a workman that needeth not to be ashamed, rightly dividing the Word of truth—2 Tim. 2:15. 3. And one of the major needs of the churches is a board of Divinely chosen deacons, co-operating together in Christian love one for another, and full of the Holy Ghost and of good report. 4. An efficient regenerated body of officers of the Sunday School, including the superintendent, teachers, secretaries of Sunday Schools.

And also efficient leaders of the W. M. U., B. Y. P. U., and all other business of the churches.

Respectfully submitted,
RALPH HARRIS.

17. The following reports were submitted: State Missions, by J. C. Russell; Home Missions, by Shelley Caudle; Foreign Missions, prepared by J. B. Copple and read by J. C. Bennett; Stewardship, by C. C. Huneycutt. These reports were discussed by M. A. Huggins of Raleigh, N. C., general secretary of Missions.

REPORT ON STATE MISSIONS

For a little more than one hundred years the State Mission Board has been working in North Carolina. Many weak churches have been aided during this time. Many of them are now strong churches, contributing to the aid of missions. At present there are more than fifty missionary pastors, preaching to about one hundred and thirty churches. There are at least fifty other fields, counting four churches to the field, that are in great need of help from the board. At present the majority of churches aided are in the eastern part of the state, while the west needs our help just as much. Some churches are being aided in building churches while there are numbers of applications from small churches for help.

Another part of the work of the board is being carried on through the Sunday Schools. There is much being accomplished in this work in addition to the regular work. Sunday School revivals are being conducted.

There were on July 1, 1933, 3,275,000 people in North Carolina. There were 2,358,000 white people. Of this number there were 1,144,000 Baptists, or Baptist inclined. The Board is anxious to help all of our boys and girls, but is handicapped for lack of funds. The Board undertook a few years ago to help some of our negro churches, but for lack of funds it has had to leave off that work.

There are also many foreigners in our state and they need the Gospel of Christ. The spirit of the Master was the spirit of missions. His Great Commission was to carry the Gospel to every creature, and He said begin at Jerusalem. Let us do our very best for the State Mission cause. That the Gospel may be carried to every destitute place in North Carolina.

Respectfully,
J. C. RUSSELL.

HOME MISSIONS

Home Mission work, in its pioneer days, was sponsored by Christian leaders carrying the cross of Christ into the isolated sections of our Homeland, but today our Home Mission work is carried to our cities and towns as well for our "Man without a chance", such as the Jews, Foreigners, Deaf Mutes, Negroes and the underprivileged. No longer can we define Home Mission work only by geographical bounds, but we must also define it in terms of our more than forty million human souls. In considering the changes of modern times as a daily menace to social and moral life, the supreme challenge of every Baptist is to set a Christ-like example and make our Homeland Christian. With this challenge before us, may we turn to the Home Mission Board to see the work that is being done in our Home Mission Field.

Our Home Mission Board has lived within its income every year since 1928, and during this period over $700,000 has been paid on the principal of the debt and Mission work. The overhead operating expenses for the last

convention year was only $10,063.49. The Board has in all departments and fields 202 missionaries and workers. It is maintaining 400 mission stations and preaching places. It is operating directly or through its missionaries five good will centers, two rescue missions, one seaman's institute, fifteen schools, one tubercular sanatorium and owns one building and loan department with over a million dollars loaned to churches. With these facts in view, may we accept the challenge as a call to establish ourselves as one to help set up Christ in our Homeland?

Respectfully submitted,
W. SHELLY CAUDLE.

REPORT ON FOREIGN MISSIONS

God's call to Abraham: "Get thee out of thy country and from thy kindred and from thy father's house unto a land that I will show thee", is just as urgent upon his people today as it was upon Abraham.

For many years the great need of Southern Baptists was to secure an "open door" to all foreign lands and then a sufficient number of volunteers for the foreign field to enter these "doors". This prayer has long since been answered and our need today is for the churches at home to send out the hundreds of well-equipped young people who are begging to be sent and who unless they are sent soon will be located in pastorates at home or be compelled to take up other work and thus their fine training will be forever lost to the cause of missions.

Quoting from Dr. Carver of our own Southern Baptist Seminary with reference to our denomination ,"Suffice it to say that a denomination which can release for the evangelization of the world outside its own geographical territory no more than four (4) cents of the dollar which it invests in religious work, must confess that, so far as its vast majority is concerned, it has no adequate concern for a lost world and no profound sharing of the passion of the universal Christ."

When we realize that the number of our missionaries has been reduced more than 30 per cent in the last seven years and many of our schools and hospitals closed we see how significant is this statement from Dr. Carver.

Shall we not be more obedient to His last command, "Go ye, therefore, and teach all nations, baptizing them in the name of the Father, Son and Holy Ghost, teaching them to observe all things, whatsoever I have commanded you, and lo, I am with you always, even unto the end of the world"?

J. B. COPPLE.

REPORT ON STEWARDSHIP

The great work of Missions, now pressing upon the church, will never be adequately supported until God's people fully realize their privileges and obligations as Christian Stewards.

Missions cannot exist without Stewardship.

Stewardship and Missions are, therefore, linked together by the spirit of God. The financial problems of the Kingdom of God cannot be settled by limiting their discussion to the question of giving. The emphasis must be shifted from giving to Stewardship.

The church has largely lost the consciousness of its Stewardship of the manifold grace of God. God's people do not realize that they are Stewards. Many live as though they were owners instead of trustees. They fail to do their duty as Stewards, not because they are unwilling to do what God wants them to do, but because they have never been clearly taught what their duty is. Stewardship is trusteeship administering that which belongs to another. Thus of Abraham's faithful steward it is said, "All the goods of his Master were in his hands"—not his, but his Master's. Delegated or committed to Him in trust, so are we God's Stewards with all the goods delegated or committed to us in trust, for us to occupy till He comes. We are to make the best possible use of that which has been committed to us, not for ourselves, but for the owner. We are to have the owner's interest and honor always in view.

We should be Stewards of the Gospel, of all the faculties and powers

with which God has been pleased to endow us; of time that God has given us; of all the privileges and opportunities. And last, but not least, of all the wealth and property. May we commit ourselves to this great program of Stewardship?

Respectfully submitted,
C. C. HONEYCUTT.

18. After some announcements the Association adjourned to meet at 7:30. The closing prayer was led by E. D. Teeter.

Evening Session

19. The evening session of the Association was called to order by the moderator at 7:30. The devotional service was led by R. A. Smith.

The following report on B. T. U. was submitted by Crawford Poplin, after which the following program was rendered: Song by Badin Junior boys and girls; duet by Juniors from West Albemarle B. T. U. A playlet entitled "Awakening" was given by the Senior B. T. U. of Albemarle First Church. Song by members of West Albemarle B. T. U. The congregation sang one stanza of "Star Spangled Banner". A quartet, "Sunrise", was sung by members of Badin B. T. U.

REPORT OF B. T. U.

This year at our state B. Y. P. U. assembly there was a feeling that with the growth and demand from the churches over the south that B. Y. P. U. was not meeting the demand of the churches. The training of young and adult Christians should have a broader and more generous name that would include B. Y. P. U. and B. A. U. The name, "Baptist Training Union" was given. It will give us B. A. U., B. Y. P. U., and Story Hour. This name will bring all of our church members for a study of recognizing the authority of Christian individual lives, recognition of the authority of Christian preparation, faithfulness, and witnessing.

Our ambition is to discover and train sufficient leadership in the church and in districts to put on any program that the denomination suggests as well as to promote every item in the commission to a local church. With this in view we want to attempt to organize every church with definite lining up of all the forces. Adults, seniors, intermediates, juniors, and story hour. The association is divided into five districts with a leader in each to encourage and promote the program, and each fifth Sunday to call the district together with a fine program, and help promote the training school.

Respectfully,
CRAWFORD POPLIN.

Special B. T. U. sermon by Clyde E. Baucom, pastor of McGill Street Baptist Church, Concord, N. C. Text, I Tim., 4:14. Solo by Dora Mae Pickler. The report was adopted and the Association adjourned to meet tomorrow at 9:30 A. M. The closing prayer was led by E. F. Eagle.

SECOND DAY

20. The morning session of the second day of the Association was called to order by the moderator at 9:30. The praise and worship period was led by Ralph Harris, followed by prayer led by W. A. Hough.

21. The following report on Sunday Schools was submitted by G. L. Efird and discussed by G. L. Efird, M. L. Dorton, E. F Eagle, W. A Hough, Henry R Greene, and adopted

REPORT ON SUNDAY SCHOOLS

The Sunday School is one of the most important branches of the Master's cause. It is the church at work training for more effective Christian living, and the recruiting station or feeder of the church.

The purpose of the Sunday school is to foster in individuals a consciousness of God as a reality in human experiences and to strengthen their sense of loyalty to His will, and to develop in each student an understanding and appreciation of the life and examples of Christ, to lead him to accept Christ wholeheartedly as Saviour, Friend and Companion, and to develop in each individual the ability and desire to participate in the life and work of the church.

Through this agency, many have been taught to know their Saviour better and to live more loyal and nobler Christian lives as set forth by the New Testament scriptures. In the light of these truths, we should endeavor to enlarge its field of usefulness.

The Stanly Association has the following:

No. of Sunday Schools	32
Enrollment	6,310
No. gained over previous year	689
No. of classes	396
No. of S. S. using the 6 Point Record System	8
No. of possibilities as shown by canvass	10,040
Contributed to Orphanage	$1,893.34
No. of Baptisms from Sunday Schools	404

The Baptist Sunday Schools in this association were never so well organized and equipped than now. There is evidence that much has been accomplished, and there is still much work to be done along this line.

Matthew 9: 37-38 says, Then saith he unto his disciples, The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Looking to the future let us say that our task is to mobilize, organize, and vitalize our forces and evangalize our fields.

Respectfully submitted,
G. L. EFIRD.

22. The following report on W. M. U. was submitted by Mrs. B. M. Rogers and discussed by Mrs. J. M. Mauney, Mrs. W. A. Cagle, C. J. Black, Mrs. C. W. Gaddy and W. A. Hough, and adopted.

REPORT OF THE STANLY W. M. U.

Unto "Him who loved us, and gave Himself for us" we give thanks, for all His blessings, in the past year. We ask His guidance now and through all the years.

Our annual meeting was held with the New London Baptist Church October 12, 1934. Splendid attendance, interesting reports from the Woman's Missionary Societies and the Young People's organizations.

We greatly enjoyed having with us Mrs. Edna R. Harris, our State secretary, and Mrs. Charles Leonard, Missionary from China. These splendid Christian women brought us messages of information, inspiration and love. It was good to be there.

For the year ending September 30, 1930, we have given to Co-operative Program, $802.17; Lottie Moon offering, $292.47; Thanksgiving offering, $11.85; Home Missions, $110.84; Heck Memorial, $15.75; Hospital, $27.51; W. M. U. Specials, $17.00; State Expense, $12.00; State Missions, $90.85; 100,000 Club, $12.00; total, $1,382.44.

As we labor together with God and for Him, may we "launch out into the deep and let down our nets" just as He commanded His disciples to do.

Respectfully submitted,
MRS. B. M. ROGERS.

23. The following visitors were recognized: Dr. Chas. E. Brewer, president of Meredith college, Raleigh, N. C., F. W. Frye and wife of Landis, N. C., Mr. and Mrs. Brown, of Landis, N. C.

The following report on Christian Education was submitted by F. A. Bower. After the report was ably discussed by Dr. C. E. Brower, it was adopted.

CHRISTIAN EDUCATION

Broadly speaking, Christian Education embraces the entire Christian program. The Sunday School is in the business of Christian Education; so is the B. T. U., the Orphanage, the Sunday School Board, the Denominational Paper, the Women's Missionary Organization, the Christian pulpit. And, along with these, the Christian Home should be and is, a mighty factor in Christian Education.

Today, however, we are thinking particularly of the value of the Christian School and College as aids to the promotion of Christ's Kingdom. This value can hardly be overstated. The Christian School has ever been the helpmeet and handmaid of the Home, the Church, the Missionary Enterprise. Wherever you find a Christian School you find bettered conditions in the neighborhood 'round about it, reflected in the home life of the community. Again, there is hardly to be found a church in our state that has not been enriched in the quality of its leadership because of the quality of the men and women who have returned to the local churches from these halls of learning. Moreover, in the propagation of our Foreign Mission work it was early found that the Christian School, set up on foreign soil was an absolutely necessary adjunct to the work of the evangelist. Where our Foreign Mission work is today the strongest, there you will find the Christian School has been the longest.

As to our Christian Schools in the State and in the south, we have nothing but praise for the magnificent contribution they have made to the Master's cause. We should see to it that the uplifted Christ is ever kept before the students that attend our Baptist Schools. As long as we have men of the type of Moore and Brewer and Campbell and the other leaders at present at the head of our schools, parents need have no fear that everything in reason will be done to this end. We should undergird our Baptist Schools with our prayers. We should speedily free them all from the incubus of debt. We should send them our best boys and girls as students. In return they will send back to our homes, our churches, and our communities at home and abroad, a product that will pay for our investment a thousand fold.

Respectfully submitted,
F. A. BOWER.

25. The following report on Hospitals was submitted by T. S. Crutchfield and discussed by T. S. Crutchfield and Mrs. J. M. Mauney and adopted.

REPORT ON HOSPITALS

The Baptist Hospital, Winston-Salem, N. C., was established for the purpose of providing hospital treatment for the sick, needing it, in our state, particularly for those who are unable to pay for such treatment; and, furthermore, that our own Baptist people might have a hospital under Christian management and influence.

The hospital now has a staff of 60 medical and surgical doctors. These doctors are of the best of the country, and are giving much of their time and services to the patients of the hospital without any pay whatever. There are also 42 nurses who, in addition to the services usually rendered by nurses, give Christian instruction and comfort to those who so desire.

In the eleven years of excellent service which the hospital has to its credit, more than 25,000 patients have received treatment. An average of some 70 to 90 of our sick are receiving treatment each day at the present time. The average daily cost of caring for a patient is about $4.00. More

than half of all treated are free or part-pay patients. The Mother's Day offerings by the churches and Sunday Schools are the only provision we have for the expenses of the charity cases. There is great need that the offerings be increased in the number and in the aggregate amount of the offerings. Only about half of the churches have heretofore been taking these Mother's Day offerings.

It might be well for us to remember that in that great coming day some are going to hear: "Inasmuch as ye did it not unto one of the least of these, ye did not to me."

There is not permitted space in our minutes to more than mention the names of our two South-wide hospitals: Southern Baptist Tuberculosis Sanatorium, El Pasa, Texas; and Southern Baptist Hospital, New Orleans, La.

T. S. CRUTCHFIELD.

26. M. L. Ross, who was appointed to submit the report on Ministerial Relief, was absent, and on motion it was voted to discuss the subject and let the report be submitted later. The subject was discussed by E. M. Harris, M. L. Dorton, Dea. W. A. Hough and D. P. Morris. Following the discussion a collection amounting to $11.70 was taken with which to send the Biblical Recorder to the following brethren for one year: D. P. Morris, G. A. Huneycutt, E. M. Brooks, R. H. James, Dr. E. R. Burris and others.

27. The Association adjourned until 1:30 P. M. Closing prayer by F. A. Bower.

Afternoon Session

28. The afternoon session of the second day of the Association was called to order by the moderator at 1:30. F. A. Bower led in praise and worship.

29. The following report on Temperance and Public Morals was submitted by J. C. Bennett and discussed by J. C. Bennett, C. J.. Black, Dr. E. R. Burris, and E. F. Eagle, and adopted.

REPORT ON TEMPERANCE

The repeal of the eighteenth amendment was the most backward step our country ever made. It was brought about by two forces. First, the forces of evil being well organized and having unlimited financial backing. And second, the friends of temperance going to sleep on the job.

As soon as national prohibition became a law the friends of temperance sat idly by feeling secure. We showed little interest in and concern for the enforcement of temperance laws. We neglected to carry on a campaign of education as to the nature and effects of alcoholic beverages. We ceased to warn our young folks and appeal to the conscience of our people at large.

While on the other hand the enemies of temperance became well organized and made subtle, well-timed, shrewdly planned and deftly directed attacks upon the recently enacted temperance laws. All types of evil and crimes of every description were falsely attributed to the eighteenth amendment. These adverse sentiments gained momntum and many of our well-meaning people were swept off their feet and led astray. Some said control was better than prohibition and revenue more desired than restraint.

Not all is lost. We hope the defeat is temporary and that our people will soon become awakened and arise in their might, recoup the loses and make new gains. To do this it will be necessary to carry on a campaign of education as to the nature and destructive effects of alcoholic beverages. This should be done not only in the family, church, Sunday School and church organizations but in our public schools. It should be written in our textbooks and faithfully taught by every public school teacher.

Respectfully submitted,

J. C. BENNETT.

30. Deacon W. A. Hough submitted the following report on Obituaries, which was adopted without discussion.

REPORT ON OBITUARIES

Since the meeting of our association one year ago with the Richfield Baptist Church several of our beloved brethren and sisters have fallen by the wayside. Our earthly ties with them have been broken, but we feel that our loss is their eternal gain. So may our association, with each of their loved ones, humbly say to our Heavenly Father: Thy will be done. Blessed are the dead that die in the Lord.

Respectfully submitted,
W. A. HOUGH.

31. C. J. Black of Bessemer City, N. C., was recognized. He brought greetings from Gaston County Association and Kings Mountain Association, also from Rev. J. W. Suttle and Dr. J. L. Jenkins.

32. C. J. Black submitted the following historic sketch of the organization and growth of the Stanly Baptist Association.

THE ORGANIZATION AND GROWTH OF THE STANLY BAPTIST ASSOCIATION

In giving the history of the organization of the Stanly Baptist Association, it is necessary for me to begin with the organization of the Old Rocky River Association. It was organized at Pleasant Grove Baptist church November 2, 1867, introductory sermon was preached by Elder E. C. Williams. This association covered several counties, but did not embrace all of the Baptist churches in these counties. These counties were Mecklenburg, Cabarrus, Union, and Stanly. When this association was organized there were but two Baptist churches in Mecklenburg, Charlotte and Clear Creek; there were just two in Cabarrus, Cold Water and Howells. This organization was purely a missionary enterprise, and as such, it functioned well as may be seen today. This association existed for nineteen years, but during all of this time, it never became a very strong body.

The last meeting of the Rocky River Association was with Prospect Baptist church. Near the close of this meeting, several of the churches requested letters of dismission to join other associations, and, as it began to look like that some confusion might arise, Elder C. C. Foreman arose and said that the reason these churches were asking for letters to join other associations was not because of any ill feeling as he had good reasons to believe that there were none whatever, but that the brethren believed that more good could be done for the cause of God if they did not embrace so much territory. After these timely remarks, a motion was made and carried to discontinue the Rocky River Baptist Association, and thus it went out of existence to be resurrected in two others more powerful than the old mother had ever been. It was agreed then that Rocky River would be the dividing line; the association on the east to be known as "The Stanly", and that on the west side to be known as "The Mecklenburg and Cabarrus". Preliminary meetings were held for the purpose of formulating plans for the organization of these associations. The meeting for "The Stanly" was held at Poplin's Grove Saturday before the third Sunday in November, 1885; the other meeting was held with Clear Creek Baptist church Friday before the fourth Sunday in December, 1885. These meetings were for the purpose of arranging programs for the organization of the two new associations. The Old Rocky River was to lose its name, but it was understood that the two new ones were just simply the old one working under two heads. So the Stanly and the Mecklenburg and Cabarrus are the two arms of the original association with the same purpose in view.

The brethren got busy, and as soon as possible, a time was set for the

organization of The Stanly Baptist Association. The brethren decided that they had better organize that year, so they met with Silver Springs Baptist church Saturday, December 5, 1885, for the purpose of completing the organization of The Stanly Association. Messengers were present with letters from two associations, the Old Rocky River and the Pee Dee. Elder E. P. Harrington called the house to order and then read the one hundredth Psalm. Elder L. A. Whitlock then led in prayer. Elder Harrington then stated the purpose of the meeting, and on motion Elder C. C. Foreman was called to the chair. After a few very appropriate remarks by him, the following churches presented letters for membership: Silver Springs, Poplin's Grove, Union Grove, Locust Level, Barbee's Grove, Mt. Olive, Pleasant Grove, and Canton. At this time these churches had a total of four hundred and five members. After these letters were presented, the delegates declared themselves to be a new body called "The Stanly Baptist Association", and at once proceeded to elect officers, which resulted in Elder C. C. Foreman, Moderator; Elder D. S. Morton, Clerk; Elder P. G. Hartsell, Treasurer, and Elder T. S. Wright, Historian. Thus The Stanly Baptist Association came into existence.

The following day, which was the Lord's Day, Elder C. C. Foreman preached a very interesting sermon from Acts 9: 6, and the association resumed its activities the following day which was Monday, December 7, 1885.

Just a few words about the progress this association has made will not be out of place.

When this association was organized, there were but two Sunday Schools in this association. These were at Canton and Barbee's Grove. Their enrollment was very small and they were greatly handicapped because of a lack of literature, but now what do the churches have? A good, lively Sunday School in every church with good literature and splendid equipment to take care of the work. The association, now 1933, has a Sunday School enrollment of 5,909, and a church membership of 5,924, which is just fifteen more than the Sunday School enrollment. This is very fine for rural churches.

A few comparisons along financial lines may be of interest here. During the first decade, this association baptized 860 into the fellowship of its churches, gave the pastors $3,232.50, and sent $173.61 to the orphanage. During the next decade, the pastors of this association baptized 1,248 candidates, received $12,146.90 for their services, while the churches gave $883.96 to the orphanage. During the third decade, 2,282 were baptized by the pastors of this association, and $33,838.53 were received by them in salaries, and $5,125.99 were given to the orphanage. During the fourth decade, 2,889 candidates were baptized into the fellowship of the churches, $93,039.39 were paid the pastors, and $18,452.25 were given to the Baptist orphanage.

These figures are given just to show the marvelous growth of this body. Many things detrimental may have been said, but no association in the state has made greater progress along all lines like this one. She has patronized our denominational schools; she has stood by every movement the denomination has put on, and today is just getting ready for the greatest campaign she has ever put on. We refer to the revival along evalgelistic lines just ahead of us.

This last word: Her preachers have been faithful men of God; they have been uncompromising in their declaration of the word, and they have stood firm for the standard of morals set up by the New Testament scriptures. They have never compromised with error, but they have stood for sound doctrine. After the old ones have passed away, shall the younger men stand true? Surely they cannot forget the ashes of the past; surely they cannot forget the sacrifices the old preachers made, but may they stand firm and build upon the foundation they well laid.

CONSTITUTION OF THE STANLY BAPTIST ASSOCIATION

Art. 1. This body shall be known as the Stanly Baptist Association.

Art. 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers.

Art. 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Art. 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Art. 5. The Association may desolve connection with any church that becomes interodox in doctrine or disorderly in practice, or that fails to represent itself, either by delegates or letter more than two successive sessions, without sufficient reasons; or that treats with contemp its objects and requirements; or upon application of a church for its dismission.

Art. 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Art. 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance,

and to send by them a contribution to the Association fund, to pay for the printing of the minutes and other necessary expenses.

Art. 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. the names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Art. 9. The officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall continue in office until next annual election. As soon as the new officers have taken their seats, the body shall be declared organized and prepared for business.

Art. 10. It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce the rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principals established by parliamentary usage.

Art. 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Art. 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Art. 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Art. 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

REV. C. J. BLACK

Bessemer City, N. C.

Rev. C. J. Black is possibly remembered by more Baptists of Stanly County than any other preacher of the denomination. He came to Stanly Baptist Association a young man, and conducted a Baptist school for years at Big Lick, N. C. Many leading citizens of our State attended that school.

Rev. Black is an active pastor and evangelist. He served Stanly Baptist Association as Moderator, Clerk, and Historian. He is also widely known for his historic writing for many other associations and churches.

Has educated a large family of children, who today occupy some of the greatest positions of trust given by fellowmen.

Rev. C. J. Black is a great preacher of repentance, orphanage and mission activities. He has conducted many excursions to the Baptist Orphanage at Thomasville. He is known and loved by thousands of friends whom he knows by name. This personal touch seems to be the key to his great success as a leader of men.

PROF. E. F. EDDINS

June 25, 1859-April 27, 1935. Taught school at Palmerville 48 consecutive years. Moderator of Stanly Association 13 years. Sunday School Superintendent 45 years. Deacon in Palmerville Church 35 years.

Prof. E. F. Eddins, though dead, yet speaketh, for he instilled in the lives of the host of students he taught, by precept and example the principles of sincerity of life and loyalty to right. His ideal in life was "Esse quam videre", to be rather than seem to be.

In every thing he sought to please God regardless of the ideas of man. He gave his life without complaint or dimiinshed enthusiasm in an effort to develop the young mentally and spiritually.

Coming to Stanly county fifty years ago from Wake county, N. C., where he was born, he at once identified himself with the civic, educational and religious life of the county. He soon became a leading figure in Stanly Baptist Association, doing much to help shape the policies of development.

During his more than fifty years of teaching, he, both in the day school and Sunday School, ever held up the Christ of God as man's ideal and Master Teacher.

He will be remembered and spoken of in the years to come as a man of Christ-like ideals and sterling character.

He lives on in the lives of his children and the host of men and women he taught, among whom, are leaders in almost all honorable walks of life.

7. The writer of the report on Religious Literature was not present and C. A. Upchurch, Representative of the Biblical Recorder, discussed Religious Literature. The report to be read and adopted later.

9. The report on W. M. U. was submitted by Mrs. M. L. Dorton. On motion to adopt the report it was discussed by Mrs. T. S. Crutchfield and adopted.

REPORT OF W. M. U.

The Woman's Missionary Union of the Stanly Association held its annual meeting October 11th with Plyler Baptist church. The attendance was very good. The report showed progress in many lines of our work. Miss Alda Grayson, one of our missionaries from China, and Mrs. Edna Harris of Raleigh, were both visiting speakers ,and brought spiritual messages which were indeed inspiring.

The W. M. U. is not neglectful of the important phase of Christian service. She included among her fundamentals "Personal Service" with "Soul Winning" as the chief motive, yet surely none of us would claim that we are doing our best. Oh! that it could be said of us as of John Wesley that

he was out of breath pursuing souls.

Then, too, the W. M. U. places much stress on prayer. The greatest of all things we can do for the spread of the gospel is to pray. Through prayer we can journey around the world, even while we stay at home. Things happen in far-away places because we pray.

Away in Foreign lands they wonder,
How their single word had power;
At Home the Christians, two or three,
Had met to pray an hour.

The possibilities of prayer are limited only by the power of God. Surely prayer is the Christian's greatest privilege, his greatest opportunity and his greatest power.

According to our records we had last year, 13 W. M. S.'s, 4 Y. W. A.'s, 5 G. A.'s, 5 R. A.'s and 6 Sunbeams, which gave a total of $1,382.44. This year we have 16 W. M. S.'s, 8 Y. W. A.'s, 8 G. A.'s, 5 R. A.'s and 9 Sunbeams, which gave a total of $2,106.32. We have 4 graded unions—Albemarle First, Albemarle West, Badin and Canton. This is far short of what we should have accomplished. So we not need to "whet" the edge of our mental equipmen for the task at hand in our own church and Association? (Ecc. 10:10) "If the iron be blunt and he do not what the edge, then must he be put to more strength; but wisdom is profitable to direct". Are we not guilty of thinking it useless to "whet" the axe even though we know that "whetting" will make for faster and better cutting! Even the keenest witted need frequent "whetting". Prominent among the whet stones are our Mission Study Books. There are books on Missionary Methods, Stewardship and Prayer. Also, many other books which give us true pictures of our missionaries and the various fields in which Southern Baptists are at work. Will the pastors, W. M. U. presidents and mission study leaders not put forth a special effort to have a Church School of Missions in each church at least once a year? When our young people see the pastors, Sunday School superintendents, teachers and W. M. U. leaders all missionary-minded and lined up for the cause, will they fail to join the ranks and live true to the example set? One example is worth a thousand arguments.

When shall we awake and fling out our banner for Christ?

Respectfully submitted: MRS. M. L. DORTON.

10. The following Committee on Time, Place and Preacher for the 1936 session of the Association was appointed by the Moderator: Z. W. Rotan, chairman; R. A. Smith and H. R. Cornelle.

11. The following visitors were recognized: Rev. E. S. Summers, A. T. Nash, J. A. Seymour, W. R. Kiser, T. C. Stallings, T. C. Herrin, J. S. Harris, from the Cabarrus Association; J. F. Gaddy and M. H. Trexler, from the Rowan Association; Rev. and Mrs. Fletcher Lambert from the South Yadkin Association; Rev. C. C. Burris and Rev. I. B. Little, from the Union Association; Mrs. Bettie Thompson, from the Mecklenburg Association.

12. The annual sermon was preached by T. W. Fogleman, pastor of Grace Baptist Church, Albemarle. His subject was, "The Basis of Missionary Activity", based on II Tim. 3:16. Rev. E. S. Summers led in prayer. On motion the Association adjourned until 1:30 P. M.

Thursday Afternoon Session

13. The Association reassembled at 1:30 P. M. The congregation sang, "What a Fellowship" and "When the Roll is Called Up Yonder".

14. Upon request the Midland Baptist church was granted a letter of dismission from the Stanly Baptist Association to unite with the newly organized Cabarrus Association.

15. The committee appointed at the 1934 session of the Association to investigate complaints from the Union Grove Baptist Church relative to conduct of Porter Baptist Church submitted the following report which after discussion by F. A. Bower, Henry Howard, G. A. Huneycutt, M. L. Ross was adopted.

REPORT OF INVESTIGATING COMMITTEE

We, your committee to investigate the trouble between Union Grove and Porter Churches, beg to report as follows:

1. In June, 1934, a letter sent by Union Grove Church to Porter, contained a grievance concerning the reception into the latter church of two brethren who had been excluded from the former, and asking for an explanation.

2. We find that this letter was intercepted by individuals in Porter Church and consequently was not acted upon by the church in conference. In view of this fact, we feel that Porter Church is exonerated from blame in not replying to this communication.

3. Your committee also investigated the actions of Porter Church relative to the reception of these excluded members and which provoked the letter of June, 1934, mentioned above. After such investigation, we find that upon presentation of the two brethren for membership, Porter Church appointed an investigating committee in each case, and upon favorable report of each of the investigating committees, Porter Church received the brethren, which in our judgment Porter Church was within its constitutional right in doing.

In conclusion:

1. It is regrettable and inercusable that the letter of June, 1934, did not reach Porter Church, where it should have been acted upon in church conference, and not by private individuals to whom it was not addressed. Had this been done, we feel that Porter Church would have taken wise steps to promote a harmonious understanding with Union Grove Church.

2. We would humbly urge, for the sake of Christ and his cause, that all concerned, in the spirit of mutual forbearance and love, "forget the things that are behind", and, remembering that we are the light of the world and the salt of the earth, give ourselves to our high calling with diligence and consecration.

Respectfully submitted,
F. A. BOWER,
T. W .FOGLEMAN,
T. B. MAUNEY.

16. The following report on State of Churches was submitted by F. A. Bower and discussed by himself, M. L. Dorton, W. B. Almond, Deacon W. A. Hough, C. C. Huneycutt and P. G. Hartsell. T. W Fogleman offered a resolution as an amendment to the report which was accepted by F. A. Bower as a part of the report and the report as amended was adopted.

NEEDS OF THE CHURCHES

The outstanding needs of our churches, as we see them, are these:

1. An awakening to our Stewardship obligations. This whole subject, particularly as relates to the tithe, demands our re-thinking in the light of our New Testaments.

2. The Missionary Passion. With all the teaching in our churches in this

modern day, we are far below the standard we should set for ourselves in our individual churches.

3. A return to New Testament Scripture. The laxness in regard to this third item is in most of our churches responsible for our shortcomings in the first two items.

The writer would earnestly commend that we, as a body, begin at once to take steps to correct these faults in our midst.

AMENDMENT

Where-as, the churches of this Association as well as churches everywhere are in a state of spiritual lethargy, and therefore contaminated with ungodliness among their membership, and

Where-as the churches of today have become slack in their discipline of ungodly church members, be it therefore resolved,

1. That this Association set its approval upon any and all churches which with discretion and Christian love, discipline its members.

2. That this body register its most hearty disapproval henceforth of any church which disregards to any degree the discipline of sister churches and especially to the extent of receiving excluded members into a full fellowship erlation.

F. A. BOWER.

17. The writer of report on State Missions was not present and on motion the report was omitted.

18. The appointe to write the report on Home Mission did not have it prepared. Home Missions was discussed by L. D. Munn and the report was submitted later.

HOME MISSIONS

According to our table for this year practically every church of our Association gave to the Cooperative Program. Since our State Board allots a certain per cent of these gifts to Home Missions, it means that our churches are contributing to this cause. But, according to the 1934 table, only 14 churches last year gave special ocerings to Home Missions. That means much work needs to be done among our churches in behalf of this urgent cause. Of these special offerings are a criterion of our mission mindedness, it means most of our churches have not caught the vision of the specific phases of our work. May the leaders of our churches present these causes faithfully, prayerfully and periodically to our people.

Respectfully submitted: L. D. MUNN.

19. The report on Foreign Missions was read by W. S. Coggins and on motion to adopt it was discussed by W. S. Coggins and adopted.

FOREIGN MISSIONS

The first reason for Foreign Missions is found in the Nature, Will and Purpose of God.

God's nature is a living and saving nature. There is nothing about Him that brings death. Everything that comes in touch with His is made alive, and everything that loses connection with Him dies. Since this is true it is our duty to carry the gospel to every land.

God does not only have power to save all but He wills to save all men by coming in fellowship with them because only His touch can save them. Then if God has made us alive by coming in fellowship with us it is our duty to bring Him in touch with all men because all men are dead without him.

Then too, it is the purpose of God to save men by the use of saved men. He says: "I will dwell in them and walk in them", II Cor. 6:16. We are to be hands and feet for God. We also are to be a voice and light for Him. Much that the world knows about God is what it sees and hears of us, and in a great many places the world has never heard from us or our God. It is our duty to let them hear and see. God has laid this great task upon us.

The second reason for Foreign Missions is found in the nature, will and purpose of man.

Man's carmal nature is the opposite of that of God. God's is living and giving. Man's carmal nature is dying, selfish and ungiving. By carmal nature man keeps all for himself and lets the other fellow die. There are no redeeming qualities found in carmal man; such qualities are found only in God. So we can see man's carmal nature is a reason for missions.

When we come to the will and purpose of man what do we find We find that he wills and purposes to save himself at the expense of others. Man, by nature, never plans the salvation of others. The will to save men and the plan of sealvation come from God. Since this is true it is our duty to make it known to the world.

Respectfully submitted: W. S. COGGIN.

20. On motion Rev. C. C. Burris, Wingate, N. C., was given thirty minutes to discuss Temperance and Public Morals. His address was followed by discussion by D. P. Morris, "Uncle" Dock Burris and Rev. E. S. Summers.

21. On motion of F. A. Bower the Associational Promotion Committee is composed of the pastors of the Association and one lay representative from each Church in the Association.

22. On motion of T. W. Fogleman, L. D. Munn was elected chairman of the Promotion Committee.

23. On motion of the action of the Association in electing Deacon W. A. Hough as Historian was recinded and Miss Nora Eddins was elected Historian.

24. On motion the following committee was appointed to write a historical sketch of the late E. F. Eddins: W. A. Hough and U. S. Burleyson, and that said sketch be printed in the Minutes and that the 1935 Minutes of the Association be dedicated to him.

25. The following resolution was offered by L. D. Munn and adopted:

RESOLUTION

Realizing the splendid work that has been done and the necessity for further recommendations, the following resolutions are offered:

1. That we have two sermons at the Association, the regular introductory sermon on the first day and the doctrinal sermon on the second day, said doctrinal sermon to set forth some great Baptist doctrine.

2. That a more attractive and sympathetic cooperation be given to the B. T. U. We recommend that the Association give the B. T. U. as much as twenty minutes, for a report and a response, on its regular day program.

Respectfully submitted: L. D. M.

26. The following Committee on Reception of New Churches was appointed: T. W. Fogleman, L. D. Munn and J. C. Bennett.

27. The Association adjourned to meet at 7:00 o'clock tonight.

Thursday Evening Session

28. The Association reconvened at 7:00 P. M. after the Moderator called the body to order. The following program was rendered by the B. T. U.: The report on B. T. U. was read by Miss Annie Beck and upon motion to adopt it a very interesting playlet was given by the Oakboro Senior B. Y. P. U. The report was discussed by Alfred Mauldin, Associational B. T. U. Director. Special music was rendered by Badin B. Y. P. U.

The following B. T. U. officers were approved by the Association: Alfred Mauldin, president; Crawford Poplin, vice-president; Miss Nancy Barton, secretary-treasurer; Miss Leola Caudle, choirister; Miss Letha Easley, painist; L. D. Munn, pastor councilor.

29. Rev. Clyde E. Baucom, pastor of McGill Street Church, Concord, N. C., preached a special sermon on Young People's Work. His text was Mark 8:34-38, and his subject was "Life's Best". The report was adopted.

B. T. U. REPORT

B. Y. P. U. work was first started by the Southern Baptist Convention in 1895. Forty years of advancement and progress have been made. Today as we see our Southern Baptist Convention we are pleased with the growth of this Christian Young People's Movement which began with a little society of young people and which has developed in our churches into the Baptist Training Union for both youth and adults. There are 33,864 B. Y. P. U.'s and B. A. U.'s with an enrollment of 649,773 young people and adults in our Southern Baptist Convention.

We have 32 churches in our Stanly Association. Nine of this number have one or more of the B. T. U. organizations. We have a total of 29 unions, including the Story Hour, Junior, Intermediate, Senior and Adult unions. Twenty-three churches without an organization. Is this a challenge to our Association? Is it a challenge to us individually?

The possibilities for growth in the Baptist Training Union are almost unlimited. Train the youth of today, and you've a leader for tomorrow.

Respectfully submitted: ANNIE BECK.

30. The Association adjourned until 9:30.

SECOND DAY

Friday, October 25, 1935

31. The morning session of the second day was called to order by the Moderator as 9:30. The congregation sang, "Footprints of Jesus" and "Faith of Our Father" and Shelly Caudle led in prayer.

32. The Minutes of yesterday was read, corrected and approved.

33. The Committee on Reception of New Churches reported that they had investigated the application of Paul's Crossing Baptist Church and found the organization orthodox and recommended its reception. The recommendation was adopted and Paul's Crossing Baptist Church was received as a member of the Stanly Baptist Association. The Moderator gave the Messengers the right hand of fellowship.

34. The following report on the Orphanage was submitted by J. C. Russell and dismissed by J. C. Russell, Supt. I. G. Greer of the Mills Home and T. S. Crutchfield and adopted:

REPORT ON ORPHANAGE

One of the greatest Institutions in North Carolina is the Orphanage at Thomasville. The first child was received there in year 1885 or fifty years ago. Since that time hundreds of children have been cared for in this institution.

This institution is now caring for about eight hundred sixty at the institution and in their homes. The children are well cared for. This institution

has a fine herd of cows to furnish milk for them. Also they raise a lot of hogs and vegetables and many other crops on the farm, but many things must be bought which they can not grow. The ones who manage the institution and the teachers must be paid. This great institution is depending on the Baptists of North Carolina. Do we hear the croy of some poor fatherless or motherless child as it crys for a home and the care of a father or mother. Won't we as Christian people see that this institution does not lack for funds? Let us go back to our churches and make our contributions larger and send them to the Orphanage each month, and then on Thanksgiving let us remember how the Lord has blessed us, and let us make the greatest offering to the Orphanage we have ever made.

35. The report on Christian Education was read by W. A. Hough. On motion to adopt the report it was discussed by Dr. C. E. Brewer, president of Meredith College, Raleigh, N. C., and Professor Hoyt Blackwell of Mars Hill College, and adopted.

REPORT ON CHRISTIAN EDUCATION

Knowledge is essential to life. Without it the people perish. Knowledge divorced from Christianity is more harmful than ignorance. Education without Christianity is generally destructive.

We live in a great nation: not because her resources are great but because her people are great. And her people are great because we have always tried to maintain a close connection between education and religion. In the early years of our national existence the little school house, often built of logs, was used as a school house during the week and a house of worship on the Lord's Day. Often the community teacher was also the preacher. The Baptist people have never departed from that practice. Today we endeavor to join together education and religion.

If we are to remain free and great the doors of our schools and colleges must remain wide open to every truth from whatever source it might come. The Biblical statement, "If the truth shall make you free, you are free indeed", has made Baptists unafraid of truth and our schools and colleges one free to seek after truth.

This freedom that is essential to a free people is found in the Christian College and reaches as near perfection in a Baptist college as anywhere on earth. In seeking truth the Christian College opens the Bible and Baptist Colleges opens it wide and listens when it speaks.

The colleges owned and controlled by the Baptists in our state are well-known: Wake Forest, Meredith and Chowan Senior Colleges; Mars Hill Campbell, Wingate, Boiling Springs and Fruitland Junior Colleges. Also our southwide institutions with their location are well-known Southern Baptist Theological Seminary, Southwestern Seminary Baptist Bible Institute and Woman's Training School.

Our future denominational development and usefulness depends largely on these institutions of learning. These schools make it their first concern to foster a Baptist attitude and atmosphere for the son or daughter you send to them.

They are the training centers for our preachers, missionaries and lay leaders. As go our schools so will go the future of our denomination. Nearly all our Baptist schools have "Religion Emphasis Week" when unsaved boys and girls are won to Christ. They foster many students' religious activities which emphasize the work Baptists are doing. Would you have your boy or girl responsive to the program of our great denominations? Send them to a Baptist school.

36. J. C. Russell, orphanage representative, made announcement relative to produce contribution to Mills Home on Tuesday before Thanksgiving day.

G. Greer, of Mills Home; Rev. J. A. McKaughan, Thomasville, N. C.; Rev. T. W. Hearne, Rockingham, N. C.; Rev. C. E. Ruffian, Ellerbe, N. C., and Rev. C. T. Calloway, South Fork Association

38. The Association adjourned until 1:30 P. M.

Afternoon Session

39. The afternoon session of the second day was called to order by the Moderator as 1:30 o'clock. The congregation sang, "Amazing Grace" and "All Hail the Power of Jesus Name", and T. S. Crutchfield led in prayer.

40. The report on Hospitals written by J. T. Russell was read by the clerk and discussed by Supt. Smith Hagaman of the Baptist Hospital, Winston-Salem, N. C., M. L. Dorton, F. A. Bower and T. S. Crutchfield and adopted.

REPORT ON HOSPITALS

The Baptist Hospital, Winston-Salem, N. C., was established for the purpose of providing hospital treatment for the sick of the entire state, particularly those who are unable to pay for it, and that such treatment might be under Christian direction and influence.

During the 12 years of its existence more than 29,000 patients have entered for treatment. In the first half of the year 1935 1,760 patients have been treated. At this rate the Hospital will have 3,500 patients this year, or 31,260 patient days. Of this 11,882 will be full pay, 9,704 part pay, and 9,674 free. The Hospital has had an average of 86 patients per day for the last six months and is now averaging 300 per month, almost half of which are free.

It is apparent, therefore, that a large amount of money is necessary to care for this increasing number of patients, coming from practically every section of the state. The Hospital must depend very largely upon the offerings of the Churches and Sunday Schools for this money. The W. M. U.'s of the state, in addition to cash contributions, have sent to the Hospital during the first six months of this year 3,635 articles of linen, consisting of spreads, sheets, pillow cases, towels, etc., all of which were much needed and appreciated.

Mother's Day (2nd Sunday in May) has been designated by the demonination as "Hospital Day". If all of our churches would seriously put on a well-planned Mother's Day program, enough money could be provided to amply care for this vast host of God's poor who cannot provide this service for themselves.

We also have two southwide hospitals: Southern Baptist Tuberculosis Sanitorium, El Paso, Texas, and Southern Baptist Hospital, New Orleans, La. All of these demand our interest and support, because healing constituted a large part of the ministry of Jesus, and He commanded those whom He left to continue His ministry to "Go into *all* the world".

Respectfully submitted: J. T. RUSSELL.

41. The following report on Old Ministers' Relief was submitted by Deacon W. A. Hough. Upon motion to adopt the report it was discussed by Deacon Hough and an offering was taken for the purpose of sending the Biblical Recorder to some aged ministers. The offering amounted to $10.36. The report was adopted.

REPORT ON OLD MINISTERIAL RELIEF

Next to their loyal, faithful and sacrificial wives, I believe our ministers of Christ to be our most honored servants of our Lord and Savior, Jesus Christ, and yet, even in their d eclining years, great numbers of them have been denited through neglect, the comfort and peace of mind which should have lightened their burdens along the way.

We support the belief that their high calling is of God. Their burning passion is for souls bought by the precious blood of Jesus, spilt on Calvary's Cross for poor sinful human beings. Their devotion has always been quickened and sustained by the Holy Spirit, and their hearts overflow with the constraining love of our Savior. They count not their lives dear unto themselves, but toil and suffer, rejoicing that it has been their lot and privilege to preach the "unsearchable riches" of their Lord and Master.

Personally, I cannot claim the honor of a place with them in the "inner circle of Christ". My path has been too smooth for that, but I have observed with astonishment and admiration more than one faithful minister who set his face toward the sunrise, and staggering under a heavy load, faithfully serving churches which were, in my humble judgment, unworthy of the sacrifce made by the ministers.

There is no greater injustice on earth, according to my way of thinking, than the treatment some of our faithful ministers have received at the hands of some of our visionless churches. But, thank God, a better day has dawned for our aged ministry.

The Relief and Annuity Board of the Southern Baptist Convention has been operating since 1918, and in addition to paying benefits of more than two and a quarter million dollars, has accumulated an endowment and reserves approximately a quarter million dollars.

May I remind the representatives of our churches who are present today that part of the contributions made by them through the Cooperative Program, unless designated otherwise, go to the relief of aged ministers and widows. Then may we not give ourselves more earnestly to the support of our Cooperative Program and this will provide better care in the future for our aged denominational servants.

To help these "good and faithful servants of God" while they yet live, or their widows and children after they have gone to their reward, is to be partners with God in the spread of the gospel through the world. In all the range of beneficience there is nothing more Christ-like than the support of these faithful ones. We, as Baptists, must not fail them. May I urge the various churches in the Stanly Baptist Association to cooperate to the limit of their ability, not only in supporting this one phase of our denominational program, but all the objects which are included in our Cooperative Program.

Respectfully submitted.
W. A. HOUGH.

42. The report on Sunday Schools was submitted by Henry R. Greene. The report was condensed and adopted.

REPORT OF SUNDAY SCHOOLS

Jesus, the world's greatest Teacher, placed Teaching the Bible next to preaching the gospel. He said, "Go ye into all the world and preach the gospel to every creature, teaching them to observe all things whatsoever I have commanded you". It is obedience to this command that the churches maintain the Bible Teaching Agency, The Sunday School.

The Sunday School has been a history making movement. Out of it has come many of the rich and purifying things that have gone into the fabric of human society. It has counteracted a flood of evil influences which have threatened to ingulf all vestiges of Christianity.

The Army of thirty-three million members and three and a half million teeachers and officers makes it the greatest army of religious workers in the world. Yet in America only one person in four is enlisted in Sunday

School . Our observation leads us to think that this average applies in our Association.

In Stanly Baptist Association there are thirty-two churches with a church membership of 6,381. Each church maintains a Sunday School. There is also one or more Baptist Mission Schools with a total membership of 6,500 together with over five hundred teachers and officers. Several of these have held training classes this year.

The Sunday School has its objective: the leading of the unsaved to Christ, teaching the Bible to every one, helping the Christian to acquire a deeper knowledge of God and develop right attitudes, to make right choices and live the Abundant Life, and to promote the whole program of Christ to the whole world.

Let us urge that every church accept the challenge of opportunity that is placed upon you to go forth into greater fields of endeavor and set worthy goals for the Sunday School in your church to attain. Some worth goals are these: Install the six-point record system, for accuracy and as a program for the individual. Set the Standard of Excellency as a goal and a program for the school. We recommend the Sunday School Builder, (a publication of the Sunday School Board, for all pastrs and superintendents) to every progressive Sunday School superintendent.

Finally, let your committee urge a greater use of the Associational Sunday School organization for the development of every school within the bounds of this Association. May we be joined together in one mind and with one accord that we may go forward in conquest of the world for Christ.

Respectively submitted: HENRY R. GREENE.

Stanly Association W. M. U.

The Plyler Baptist Church was hostess to the Stanly W. M. U. Friday, October 11, 1935, when the Association met in its annual session. With the superintendent, Mrs. T. S. Crutchfield, presiding, the meeting opened with the singing of "Onward Christian Soldiers".

Mrs. T. W. Fogleman brought a very timely devotional message, Act 4:23-30, and Mrs. Edna R. Harris led in prayer.

The year's watchword was given—"In the name of our God we will set up our banners. Psalm 20:5."

Cordial words of welcome were spoken by Mrs. Hobart Bowers to which Mrs. Rodolphus Strider of New London Church responded.

The Association immediately went into the business of the session.

Report on Personal Service was made by Mrs. W. B. Poplin, as follows:

Number of socities doing Personal Service—W. M. S., 9; Y. W. A., 6; G. A., 6; R. A., 2; Sunbeams, 7. Kinds of service being done are: Cisits, cards, trays and flowers to sick and shutins, services held in homes and jails; gifts to needy persons, objects and institutions, help in organizations among Negro churches. Furnishing periodicals to Negro organizations, cash and

other gifts to worthy causes. This line of work is going forward and we feel that much good is being accomplished.

In the absence of Mrs. C. P. Crawley, Mission Study Leader, the secretary read her report as follows:

One class "Keys of the Kingdom", 19 taking course; 1 class "Stewardship and Missions", 15 taking course; 2 classes "Winning the Border", 57 taking course; 1 class "Gates of Asia", 12 taking course.

YOUNG PEOPLE'S CLASSES

Y. W. A. "Travels in Japan", 18 in class; G. A. "Ann of Ava", 14 in class; R. A. "The Wandering Jew in Brazil", 7 in class.

The above classes of Young People's organizations had 50 per cent of membership in classes. No written examinations.

No. Classes held 8.

No. Books studied in classes 7.

No. Members enrolled in classes 142.

Stewardship was discussed by Mrs. L. D. Munn in a very interesting manner, stressing particularly tithing, after which the congregation joined in singing "All Hail the Power of Jesus Name".

The roll call of the Societies was had and messengers from 14 societies in the Association were recognized.

The superintendent made her report which was very interesting and which gave us an idea of the wonderful work she is doing. The report being as follows:

"For the first time as superintendent of Stanly W. M. U. I bring to you our year's report. Certainly not because of my own choosing, but because of the Lord's leadin, I trust. Just a year ago, or little less, I responded to what seemed to me a direct call from the Master to undertake the tremendous responsibility of leading the work in this county. I shuddered at the thought but feeling assured of His promise to be with me, even as His children of old, and with your promised support, I launched out with fear and trembling to try to the best of my ability to serve. Through the year I have felt the Master's presence, and your loyal cooperation has been most gratifying. Altho there have been some difficulties and obstacles, I have found joy in serving. I wish to thank you, my colaborers, and each and every one who have labored with me so faithfully.

The year has not been as full of accomplishments as we had hoped, but for all that has been done we are grateful. The year's watchword has most assuredly been a constant reminder and inspiration to each of us to try to lift high the Banner of our Lord not only in our own hearts and lives and in Stanly County, but unto the uttermost parts of the world as well. As we have worked in our various societies this year our chief aim, I trust, has been to exalt the Christ, to lift Him above all things else. If this be true, then our efforts have been honored and blessed of Him, and we have been a blessing to others.

During the year, we have not gone forward by leaps and bounds, but we have held our own and made some little progress. Effort has been made to strengthen and encourage our weaker societies, by visiting, putting on programs, supplying with literature, etc., and we have three new W. M. S.'s to add to our list, namely, Prospect, Locust and Pleasant Grove, making a total of sixteen dotted over our county as lighthouses, we trust, to each community round about. This being 50 per cent of the churches in the county, thus making that point on the Standard.

In the early part of the year, a meeting of the Association was held at First Church Albemarle, at which time, some plans were made for the year, including the appointment of Chairmen for the Districts that had been previously arranged. These Chairmen have been a real help and inspiration, which we hope is only a beginning of greater things for Stanly County W. M. U. Through these Chairmen we have tried, and shall continue to try, to foster our weaker organizations and organize new ones. Holding up the chief aims of our work always.

We are pleased to observe a seemingly increased interest in Mission

Study. Several societies have had classes this year that did not make the effort last, and others are planning for classes soon.

A large majority of the societies have been faithfully reporting their work quarter by quarter. We are grateful for this bit of prompt service. Seven points on the Standard have been attained, but we shall not be satisfied until we make the ten.

We find that the women of Stanly County are not unlike other women. When they are informed and convinced of their Christian duty, they are willing to fall in line in helping to carry out the great commission. The great need in all our work is information and leaders. When they are informed we find interest, and good work being done. No information and interest lags always. W. M. S.'s can no more do effective work without literature than a farmer can make a crop without tools. Royal Service is the working tool for W. M. S. The Window for Y. W. A. and World Comrades for R. A. and Sunbeam. These supplemented with the Biblical Recorder, Home and Foreign Field, and leaflets to be had for the asking from Raleigh headquarters and from Birmingham headquarters for a few cents, make a good assortment of tools with which to work your Missionary organizations. We are just now in the midst of a campaign for the Recorder. Scieties throughout the county have been asked to stress it through committees, canvassing not only society members but the whole membership as well. Let's do our best to put the Recorder in our homes and be intelligent Missionary Baptists.

We had a small part in helping with expenses of a vacation for our Hyde County missionary, Rev. E. B. Stuart, and his family. This we found joy in doing. When there is an appeal for real need, Stanly County women always respond.

For this year I want us to undertake some definite work in addition to what we are already doing. It might be a fund towards the support of a Missionary, a Native Pastor or a Bible Woman, or something else. Nothing would so thrill and enliven our missionary interest. Let us be considering this and in the near future we can make some decision.

A circulating Library is a great need of our Association. I am suggesting that we start one, with a Librarian to be elected at this meeting. Books to be donated by individuals or societies, and to be used by any and all societies of the County.

As a means of stressing Stewardship and promoting the Stewardship Declaration Contest throughout our Association, I recommend the election of a Stewardship Chairman at this meeting. Also a Margaret Fund and Training School Chairman, whose duty shall be to keep us informed as to the importance and needs of these two most worthy objects.

And now as we turn from the old year, and face a new year's task, may we do so with renewed zeal, enthusiasm and determination to lift the Banner of our Lord higher and higher. In all our various activities may we never lose sight of the fact that our one object is to help save the lost world, and the key is prayer.

Letters and cards written, 169; Societies visited, 18; Miles traveled, 334; Meetings held, 4; Societies (W. M. S.) organized, 3.

The report was adopted.

Short messages that were very instructive and interesting were given by the following: Mrs. M. A. Small, Badin Church, on "Margaret Fund"; Mrs. D. B. McCurdy, First Church, Albemarle, on "The Training Schools"; Mrs. J. M. Mauney, New London Church, on "Biblical Recorder".

Mrs. Edna R. Harris spoke briefly on reports and explained various phases of same.

One hundred forty-three (143) members and visitors, including eight pastors, registered during the meeting.

Special music, a solo, "Go and Tell" was rendered by Mrs. F. A. Bower.

Mrs. T. S. Crutchfield introduced Miss Alda Grayson, missionary to China, who brought greetings and thanks from the Chinese women. She displayed various handwork of the Chinese which was thoroughly enjoyed. She gave first-hand information about her work in China and the needs of that field, saying, the greatest need is Christ. Our hearts were stirred as we listened to

the many interesting facts and experiences from one of the Banner Bearers of Christ. She spoke of the wonderful revival in China and the marvelous results therefrom. We realize anew the great need of more missionaries to carry the Word to all the world.

The superintendent announced the following committees: Time and place—Mrs. J. R. Pickler, Mrs. A. L. Burleson and Mrs. Roy Moore. Resolution—Mrs. M. L. Dorton, Mrs. C. C. Huneycutt and Mrs. H. C. Herman. Nominating—Mrs. B. M. Rogers, Mrs. J. M. Mauney, Mrs. C. W. Gaddy, and Mrs A. L. Lemmond.

Offering for expenses of meeting was taken and $15.35 received.

The morning session was closed with prayer by Rev. J. C. Bennett.

Dinner was served on the grounds, which was enjoyed by all present.

The afternoon session opened with the singing of "O Zion Haste", after which the devotional was led by Mrs. W. F. Biles, Matt. 7:1-11, and Rev. M. L. Dorton led in prayer.

The Young People's Leader, Mrs. N. A. Hayes, gave her report which was very encouraging and showed splendid work done by her, during which the roll call of the Young People's societies was had. Mrs. J. B. Morris reported on R. A. work, Mrs. M. L. Dorton reported on Y. W. A. The report being as follows:

"I have now finished my year's work as Young People's Leader for the W. M. U. Stanly County, and wish to make the following report: My love for the Baptist young people of our county and my desire that they should be given more Missionary training led me to accept this work.

Our work has not been startling in its effects, but progress has been made and we trust that the results shall be lasting. We have seven (7) new organizations: Sunbeams, 9; Girls' Auxiliaries, 8; Royal Ambassador Chapters, 5; Young Women's Auxiliaries, 8.

I wish to thank the leaders for the splendid cooperation in senring me their reports, and for the lovely spirit and interest they have shown in their organizations.

I have the following statistical report to submit: Letters and cards written, 53; Societies visited, 10; Miles traveled, 256.

Our associational financial aim for the year was $467.82. I had reported to me $481.97.

I trust that in the coming year we may as Baptist Churches get a new vision of our young people and what it means to train them in the nurture and admonition of the Lord."

The report was adopted.

A trio, "Sitting at the Feet of Jesus", was rendered by Y. W. A. girls from Grace Church.

Mrs. Edna R. Harris, Corresponding Secretary of the State W. M. U., brought a challenging message. Stressing earnestly the importance of leading and guiding our young people right. By her splendid and instructive messages she made us feed that we want, in our association, to do more work and better work that Christ's will may be done more perfectly.

Report of nominating committee was accepted as follows:

Mrs. T. S. Crutchfield, superintendent.
Mrs. R. R. Ingram, assistant superintendent.

Mrs. J. T. Mabry, Norwood district.
Mrs. J. M. Mauney, New London district.
Mrs. K. S. Herman, Oakboro district.

The committee on resolutions made the following report which was accepted:

Rev. M. L. Dorton invited and urged a full attendance of the ladies to the Stanly Baptist Association to be held with Big Lick Baptist Church on Ocotber 24th and 25th.

Upon motion the sum of $15.00 was given to Miss Alda Grayson as a love gift from the association.

There was an open discussion of some specific work, in addition to what we are doing, that we might do this year. Upon motion the assoiiation agreed that we raise the sum of $60.00 for the purpose of buying gasoline to be used by Miss Grayson in her work in China.

The rommittee on time and place reported as follows, which was adopted: "Time—September 11th, 1936. Place—Grace Baptist Church."

A beautiful pantomime, "Fling Out the Banner", was given by the Y. W. A. of First Church Albemarle. This was quite a fitting climax for this association meeting. One verse of "Lead on Oh King Eternal" was sung. Rev. T. W. Fogleman led in the closing prayer.

CONSTITUTION OF THE STANLY BAPTIST ASSOCIATION

Art. 1. This body shall be known as the Stanly Baptist Association.

Art. 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members, or fraction thereof,

and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Art. 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Art. 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Art. 5. The Association may desolve connection with any church that becomes interodox in doctrine or disorderly in practice, or that fails to represent itself, either by delegates or letter more than two successive sessions, without sufficient reasons; or that threats with contempt its objects and requirements; or upon application of a church for its dismission.

Art. 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Art. 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send them a contribution to the Association fund, to pay for the printing of the minutes and other necessary expenses.

Art. 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. the names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. REPORT ON RELIGIOUS LITERATURE

The wise man has said: "Of making many books there is no end." In keeping with this declaration, we live in a day when there is an abundance of reading matter, some of which is good, some bad, and some indifferent.

We as a Christian denomination are fortunate in that there is available to us a sufficient amount of helpful literature for every class, condition, and need among us. And many are making good use of it, and they are being greatly helped and blessed in their reading and study.

In connection with the statement quoted above, there is another statement the truthfulness of which may account for the fact that so many others do not read and study. It is this: "Much study is a weariness of the flesh." Possibly this applies more generally to the failure to read religious matter than to other literature.

There are three periodicals that we commend as being specially interesting and helpful to North Carolina Baptists. First among them, we place the Biblical Recorder. And the other two are Charity and Children and Home and Foreign Fields.

The Recorder is now offering a plan by which the paper may be had for one dollar and fifty cents per year in cases where one-tenth of the resident members of a church are regular subscribers to the paper. Pastors who are interested in having their people read the paper can render an excellent service by inducing the churches to adopt the plan.

Respectfully submitted: T. S. CRUTCHFIELD.

REPORT ON ORPHANAGE

The Orphanage is one of the most worthy institutions being cared for by the North Carolina Baptists. First, because of the Christian influence thrown around them. Second, because of the training. We find in the book of Proverbs, chapter 22, verse 6, "Train up a child in the way he should go and when he is old he will not depart from it."

So we as your committee suggest that every member of every Baptist church make a once a month offering and a Thanksgiving offering for the Orphanage.

Respectfully submitted: RALPH HARRIS.

REPORT ON STATE MISSIONS

More than 100 years ago Baptists in North Carolina numbered about 36,000 in all. There arose a difference of opinion among them on the question of Missions, with the result that the denomination split into two groups known as the Primitive Baptists and the Missionary Baptists. Through the years the Missionary Baptists have endeavored, not as thoroughly as they should, to be sure, to carry out the command of Jesus when he said Go into all the world and make disciples of all nations.

The result has been that in North Carolina today Missionary Baptists number more than 400,000. They have been abundantly blessed in their work, while those who opposed the missionary idea have been reduced in numbers and strength. With these figures before us, is it not evident that State Missions pays? W. B. ALMOND.

REPORT ON HOME MISSIONS

The Home Mission Board was organized in 1845, being 91 years old. During these 91 years its influence has been a wonderful power for the upbuilding of the Master's Kingdom. The value of its service perhaps will never be known this side of eternity.

During this time the board has employed over 41,000 missionaries. There has been more than 800.000 baptisms, and around 9,000 churches organized. This is almost a fifth of the total membership of the Southern Baptist Convention, and almost one-third of the churches. Up until 1932 the Board had expended $20,500,000. A large portion of it was spent on church building and other enterprises. According to these figures it cost Southern Baptist only approximately $25.00 for the saving of a soul. This is a glorious investment, and should inspire us to go forward.

In as much as the New Testament teaches the practice of Home Missions, and whereas, there are millions in our home land yet unsaved; and whereas, this Association is not contributing to the mission causes as we should, be it resolved that we show our love for the Kingdom of Christ, not by word only, but in deed and truth.

Respectfully Submitted: ELLIS BURRIS.

REPORT ON FOREIGN MISSIONS

Ninety-one years ago our fathers met in Augusta, Georgia, and launched the great foreign mission enterprise of Southern Baptists. God has so blessed their effort that today we are represented in fiften foreign countries with 418 missionaries, 1,665 churches, 844 of which are self-supporting, and a total church membership of 198,640. Native contributions last year amounted to $310,309.02, with 13,982 baptisms.

On January 1, 1935, our debt to the bank was $924,000, but it has now been reduced to $400,000. The Board has pledged itself before the convention to pay its debts and live within its income. In the light of this pledge and present conditions, the leaders have formulated a minimum, forward-looking plan for the next three years, the first item of which is to pay the entire debt by the close of 1938.

Many of the past achievements have been wrought through the support of the W. M. U. whose gifts covered the salaries of 125 missionaries,

plus an additional amount of $140,000 paid on property and literature.

Therefore, may every loyal Baptist accept the challenge and rally to the support of this great cause.

"He hath sounded forth a trumpet
That shall never know defeat.
Me swift my soul to answer it;
Be jubilant my feet."

CHRISTIAN EDUCATION

Says Roger Babson: The need of the hour is not more factories, not more railroads or steamships, not more armies or navies but more education based on the plain teachings of Jesus. To this sentiment we all heartily subscribe. The Christian is most excellent who is most intelligent. The will of God must be known on earth as it is known in Heaven if it is to be done on earth as it is done in Heaven. When there is a veil upon the eye of knowledge there will be a chain upon the hand of service. Christian education imparts light to the mind and removes ignorance from the soul. There is not a problem on earth but would have quick and happy solution if the truth as it is in Jesus were properly imparted and implicity obeyed. It is the supreme task of our churches to lend ready hand and heart to the spread of this truth through every legitimate channel. out to the ends of the earth. F. A. BOWER.

REPORT OF THE B. T. U. OF STANLY ASSOCIATION

The members of the B. T. U.'s of this Association are the future soul winners because they are thoroughly familiar with the Bible, doctrines of the church and the methods of combating the devil. For this reason every one of the six and one-half thousand Baptist church members should be active in the B. Y. P. U. It is almost unbelievable that less than eight per cent of our Baptist members are in the training unions. At the present time, we have four hundred ninety-one members which are found in seven churches. This number is made up of twenty-six unions, namely: Four adults, seven seniors, six intermediates, six juniors and three story hours. Let us awake to the statement of Christ, "And whosoever doth not bear his cross and come after Me, cannot be My disciple." And take courage and rise to enlist every church, every pastor and every member in our training agency of our church.

Respectively Submitted: W. SHELLY CAUDLE.

W. M. U. REPORT

Jesus said, "As the father hath sent me, even so send I you." As individuals engaged in different fields of work, we each feel highly honored when we receive a personal message or request from the highest official. How eagerly we work to be worthy of personal recognition. Isn't it wonderful to know that as Christians we are all engaged in the same type of work, with a loving all-seeing Father from whom we receive our commissions? Do we thrill as we ought when Jesus says, "I send you in my stead"? Do we appreciate the honor conferred upon us by being allowed to be witnesses for such a Master?

We must begin in our Judea—Stanly County. What are we doing with Jesus in our homes, our churches, and our county? Are we sharing Him or denying Him—we are doing one or the other.

The purpose of organized missionary effort is to impress upon people the need and the privilege of sharing the Savior of all mankind. The missionary spirit is growing in Stanly County. Are you having any part in its growth?

May we as pastors and church members realize that trained Christians of tomorrow must be trained today. Let us be up and doing lest our youth point the finger of scorn at us and say, "Jesus said, 'As the Father hath sent me, even so send I you,' but you didn't come. I was never taught the beauty of witnessing for Christ."

Respectfully Submitted: MRS. N. A. HAYES.

REPORT ON OLD MINISTERS RELIEF

For a number of years the Baptists of North Carolina have been aiding the aged ministers. Those who have gone through the heat and cold to preach the Gospel to a dying world with but little if any salary. They preached in school houses or anywhere they could get the people together. They would tell the story of Jesus and His love. Many of them got what education they had by reading by a pine knot fire at night, and worked in the day time to support their families.

We have a number of them now that have worn themselves out, and for the lack of funds our Board has a very small amount of money to help them with. Some of them can't get any help because of the restrictions that the Board has to have, because of the small of money for this object. A part of each dollar that is payed to the cooperative program goes to this object. Let us Baptist increase our offerings to the cooperative program so the aged ministers can be cared for in a better way. Let us pray for them and do all we can to help them, that they may enjoy the few more days they have to stay with us.

Respectfully: J. C. RUSSELL.

REPORT ON HOSPITALS

The North Carolina Baptist Hospital, Inc., located at Winston-Salem, North Carolina, is owned and controlled by the Baptist denomination and hence it is state-wide in its service.

Since the hospital was opened in 1923, a little more than 33,000 patients have entered for treatment. We shall have this year about 4,000 patients; of this number almost one-half will be part-pay and free patients. We had a little more than 14,000 free days last year. This year, as we are now running we shall have a little more than that number. We shall have at the present rate 19,932 part-pay and free days, or 1,436 free and part-pay patients. This with our present capacity, cannot be increased as we are running as full as possible.

We received from the Duke Endowment last year a little more than $14,000.00. Apart from this, we are dependent upon the Churches and Sunday Schools, through their Mother's Day offerings. It cost $3.87 per day to care for a patient in the hospital.

The different organizations of our women are rendering an exceedingly valuable service for the hospital by furnishing linen such as sheets, pillow cases, tray covers, towels, etc. Those are always needed and gratefully received. We will gladly furnish a list, giving the specifications of linens used in the hospital.

We might add that we have fine staff of sixty-six doctors and surgeons, also, a school in which nurses are trained with the Christian idea of service.

T. E. STALEY.

HISTORIAN'S REPORT

We would give thanks to our Heavenly Father for our spiritual and temporal blessings of the past associational year. We have, compared with some other sections, been wonderfully blessed. The Stanly Association is now fifty-two years old. During these years many advances in membership and baptisms have been made, and the churches have increased their pledges to most of the various objects.

In the recent death of Rev. W. A. Hough the Stanly Association loses a very efficient clerk who has served faithfully for the past seven years.

The church in which the Association meets this year (West Albemarle Baptist) was organized in the year 1903. It was dedicated by Rev. C. A. Davis who was also the first pastor. The building is worth forty thousand dollars. The present membership is more than three hundred and fifty. This church is doing a great work in uplifting and christianizing the surrounding community.

Respectfully Submitted: NORA PAGE EDDINS.

REPORT ON SUNDAY SCHOOL—

In the Stanly Baptist Association, our churches reported last year a membership of 6,433. A Sunday School enrollment of 6,367, with an average attendance of 3,630. We are not reaching our constituency in enlistment. Among our many problems that we have, we need trained officers and teachers, whose life is consecrated to the Master's service.

We are neglecting our Associational Sunday School movement, which is an agency to help supply our needs in efficiency. Every church should cooperate in this movement, for without cooperation the progress of this work is not satisfactory.

We, therefore, recommend that the churches of this Association give more attention to the Associational Sunday School Organization, and that pastors and superintendents see as far as possible that their school cooperates with the Associational Movement.

Z. W. ROTAN.

REPORT ON TEMPERANCE

The Baptists of Stanly County view with alarm the rising tide of the social approval of intoxicating drinks in North Carolina. We are prayerfully and fearfully concerned with the increased usage of strong drink as a beverage in the United States and in our State.

We condemn bitterly this sinister advertising of alcoholic drinks in the daily press and over the radio, which in the name of health, is by erroneous statements robbing science of its honor and integrity.

We should support our officers and office-holders who are conscientiously endeavoring to drive this deamon from our County and State, and we should help to defeat those officers who are careless and indifferent in the performance of their duties towards drinking and drinking-drivers.

The Bible condemns nothing more severely than it does the use of strong drink, and every Baptist of Stanly County should do his Christian duty to see that North Carolina retreats no further against the onsloughts of alcohol, but that she should gird the armor of truth about her and drive this off-spring of hell from her borders.

Respectfully Submitted: L. D. MUNN.

REPORT ON OBITUARIES

Since the meeting of our Association one year ago with Big Lick Baptist Church, several of our Brethren and Sisters have passed on to their reward. With those were Brother W. A. Hough. Brother Hough was an untiring Minister and Pastor and a true servant of his people.

He served as Clerk of the Stanly Baptist Association and Union Meeting for several years. His familiar smiles and noble Christian greetings will be missed by all.

Our earthly ties with them have been broken but we feel that our loss is their Heavenly gain. So may our Association with each loved one of these humbly say, "Thy will be done".

Stanly Association W. M. U.

The W. M. U. of the Stanly Baptist Association held its annual meeting with Grace Church, Friday, September 11th, 1936.

Through the untiring and able efforts of the superintendent, Mrs. T. S. Crutchfield, who is ever on the lookout for things of interest and inspire the women of the Stanly Association and to help in the cause of Missions, a splendid day's program was rendered.

The meeting opened with the singing of "Lead on, O King Eternal". The W. M. U. motto was then repeated by all: "Jesus said, as the Father hath sent me, even so send I you." John 20:21.

Mrs. B. M. Rogers, of Oakboro Church, led in a devotional

service, using as the central thought, "Go", during which she led in prayer.

A hearty welcome was extended to the Union by Miss Phronie Russell of the local society. Response was given by Mrs. U. S. Almond of the Plyler Church.

Mrs. W. B. Poplin reported on Personal Service, giving an inspiring talk on serving through personal service, her report being as follows:

Number of societies doing personal service: W. M. S., 10; Y. W. A., 8; G. A., 4; R. A., 4; Sunbeams, 5. The report shows the kinds of service being done—visits in interest of Sunday School or Church, to prisoners, strangers, sick or shut-ins; holding services with negroes, prisons and at institutions; gifts to needy persons; good literature distributed; garments, baskets, trays, and flowers to the sick and needy, cash and other gifts to worthy causes. This work is going forward and much good is being done.

Training School and Margaret Fund was reported by Rev. L. D. Munn, in the absence of Mrs. M. A. Small, who was kept away on account of sickness but who sent her report as follows:

"Don't you just love twins? Of course you do! They're adorable! And none more so than our own precious two. Surely you have met, loved and prayed for them many years, but we can never become too well acquainted with them that we need not have them brought to our remembrance often—so I am bringing them to you today.

In 1904 these lovely twins—Margaret and Beautiful—were brought into existence by great mother love and devotion and are the only children of our W. M. U. Each year of their lives they have grown lovelier and more useful. Margaret has brought joy and comfort to many of our noble missionaries by mothering and educating their sons and daughters in the homeland—296 of these children have been aided by love gifts of more than $200,000.00 Beautiful has polished and prepared for His kingdom's work 1891 daughters and we find them serving the Master in every phase of His work. We have in our own state more than 140 of these workers.

This year we are celebrating for the twins by giving them a forget-me-not party and asking each member to give a dime love offering. Have you observed this occasion and given your love gift? If not, let me beg you not to miss the joy of having your forget-me-not party before the end of this quarter, as the twins' names appear on the third quarter's report.

North Carolina should feel especially interested and responsible for the welfare of our twins, for she has nine of the 61 students now at House Beautiful and more than her share of Margaret Fund students within her borders. Each division mothers one Margaret Fund student—we have Rachel

Leonard in ours. Let's show our love and loyalty to our Forget-Me-Not twins and to our Master by being true to the trust He has given us."

Stewardship was presented by Mrs. N. A. Hayes for Mrs. L. D. Munn, who sent her report, as follows:

"Stewardship has not received the emphasis among our Stanly W. M. U. it ought to have received. We are seriously lagging in this department of our work. Records as to what our societies have been doing the past year in the various phases of this department have been unavilable.

Your chairman has encouraged tithing as a minimum basis of giving, called for a record of tithers in the various organizations, and encouraged the three seasons of prayer and offering for Foreign, Home and State Missions.

For the first time our Associational organization fostered a Stewardship campaign with Albemarle, Oakboro and Badin cooperating. Forty-two letters and cards have been written in the interest of Stewardship and approximately seventy-five miles have been traveled to foster this work."

Betty B. Palmer gave report as treasurer.

The superintendent's report was very interesting, helpful and instructive, and is as follows:

"Lift up your eyes and look on the fields for they are white already unto harvest, so said the Master in the long ago. Again, the harvest truly is plenteous, but the laborers are few, pray we therefore the Lord of the harvest that He will send forth laborers into His harvest. Truly the fields are white to harvest, today in Stanly County as well as the uttermot parts, but the laborers are few, for as yet a large majority of God's redeemed ones are unenlisted in the great and glorious task of giving the gospel to a lost world. In view of these things, we are challenged with tremendous possibilities for Christian service. How we need to visualize, to work and pray that His will may be done in us and through us!

During the year we have not made any great strides of progress, but there has been a deepening of the spiritual life and a true development of Missionary ideals with many individuals that make up our Missionary Societies. There has been a steady going forward in gifts as well. Many are faithfully striving for new attainments in our various departments of work. Three new societies have been added, namely—Oak Grove, Mission and Mineral Springs. Mrs. C. C. Huneycutt, our faithful and consecrated district leader, assisted ably in the organizations of these and is sponsoring the work.

The most forward step in our work has been with the Young People. Mrs. Hayes, our efficient leader has worked faithfully and well, and has been rewarded with a large number of organizations this year. The women have truly had

a vision for the Young People and have provided leaders in every instance. We now have seven full graded unions, New London, Pleasant Grove and North Albemarle, having attained the standard this year. Albemarle First is an A-1 full graded union.

In early March there was a call meeting of the Association at which time the newly elected chairman, namely, Mrs. L. D. Munn, Stewardship, and Mrs. M. A. Small, Training School and Margaret Fund, outlined their work and plans in general for the year's work were discussed and set more definitely before us. At this same meeting the Alda Grayson gasoline fund agreed upon at our annual meeting last year was apportioned to the various societies of the county. The amount of $60.00 was raised and sent to Miss Grayson in June. We are happier because of this bit of service we are able to render in far away China this year.

The Association came together again in April at First Church Albemarle for an all day study of the "Year Book". Every society except one was represented. Leaders had been previously selected and an interesting and helpful study was entered into.

Realizing our great need is information, I urge that we continue to stress Mission Study. If possible put on an Associational-wide study or inaugurate a plan whereby the larger churches will carry the study to the weaker societies.

I want to suggest also that we undertake again some definite work over and above what we are already doing.

Fifty percent of our churches are still without a definite Missionary program. The W. M. U. has one to offer. Since the pastor is the key to the situation, I appeal to the pastors of this Association in behalf of this all important task.

I wish to thank every officer, chairman and every individual who has cooperated through the year, thus making it possible to carry on the work.

Another year of service is ended and we enter upon a new one full of wonderful opportunities. May we accept the chllenge of the great commission with renewed faith, love and devotion, and the determination to do our best.

Statistics: Letters and cards 208; societies visited 11; societies organized 3; meetings held 9; miles traveled 441."

The report was adopted.

125 responded to roll call of societies. 16 out of 17 socities in the Association were represented. A total of approximately 150 members, visitors and pastors were present.

Hymn, "All Hail the Power", was sung.

A special feature of the morning session was the address by Mrs. Edna R. Harris, Corresponding Secretary and Mission Study Superintendent of the State W. M. U. Mrs. Harris' pres-

ence and messages are always helpful. She broadens the missionary vision and calls forth a deeper devotion to the King.

Mrs. C. P. Crawley told of the wonderful help through Mission Study and gave the following report:

6 classes "Who is My Neighbor".
2 classes "The Larger Standard".
2 classes "G. A. Manual".
1 class "Y. W. A. Manual".
4 classes "Christ in the Silver Lands".
Averaging 75%.
2 classes "Who is My Neighbor".
Averaging 50%.
2 classes Y. W. A. "Stewardship and Missions".
Averaging 50%.
1 class G. A. "Ann of Ava". Averaging 50%.
1 class "Pioneering for Jesus". Averaging 50%.

The superintendent aoppinted the following committees: Time and Place—Mrs. Fannie Barrett, Mrs. Leslie Efird and Mrs. J. R. Pickler. Resolution—Mrs. F. A. Bower, Mrs. C. C. Huneycutt and Mrs. W. B. Poplin. Nominating—Mrs Z. W. Rotan, Mrs. T. W. Fogleman and Mrs. T. B. Mauney.

The meeting was dismissed with prayer by Rev. J. C. Powell.

At the noon hour a bountiful picnic dinner was served.

The afternoon session opened with singing, "The Kingdom is Coming". The devotional was conducted by Mrs. J. D. Marler of the New London Church. She used Psalm 46. A solo, "Tread Softly", by Mrs. H. S. Leafe of the New London Church was greatly enjoyed, after which Rev. T. W. Fogleman offered prayer.

Mrs. N. A. Hayes, Young People's Leader, Badin, gave her report, from which was shown the splendid work being accomplished by her. The report being as follows:

"As we survey the work of our Young People during the past year, we lift our hearts in gratitude to our Heavenly Father and say—Hitherto hath the Lord helped us.

It is marvelous what can be done when God's people set themselves to the task. Our work has gone forward and though we are far from the goal, we feel that a wave of interest has swept over our Baptist women to such an extent that our children in the near future are going to be a group of worthy Missionary Baptists.

Our Young People's rally meant much to our work and we are certain that this meeting can be made more directly beneficial to the boys and girls next year. We were fortunate to have Miss Currin and Miss Aguillard with us.

The Stewardship Contests, also a new feature for us, was very helpful to those who took part. Our winners were—

Sunbeam, Joe Lewis, Badin; G. A., Georgia Herman, Oakboro; R. A., Lee Copple, Albemarle First Church.

An outstanding need of our Young People's work is a more active interest in Mission Study. We cannot do unless we know. Let us provide our Young People with the most thrilling stories of all the ages, the lives of our Missionaries and the witnessing of their converts.

Statistical report—Letters and cards, 36; societies visited, 9; meetings held, 4; study course taught, 3; miles traveled, 390; organizations, 43; full graded unions, 7; churches with organizations, 13; total gifts, $558.43.

I extend to every one my most heartfelt thanks for every kindness and cooperative effort that has been extended me in the work. May the vision of our young people in service grow till every church in our county shall be active in the spread of the Kingdom."

The report was adopted.

If one message of the days session could be of more interest and appeal it would be that of Rev. J. C. Powell, our own missionary to Africa as he spoke with such interest of his work in Nigeria. It was a most interesting address. After picturing conditions in Africa and reviewing some personal experiences, he said that the doors in Africa are wide open to Christianity. We are grateful to Christ for the coming to us of such a consecrated follower as Rev. Powell.

A love offering was taken for Rev. Powell, and the Association's gift to him was $20.00.

The committee on time and place reported as follows: "Time—October 8th, 1937. Place—Richfield Church." The report was adopted.

The Committee on Resolutions made the following report, which was adopted:

"We the Committee on Resolution in behalf of the delegates and visitors of the W. M. U. of the Stanly Association wish to recommend:

1. We wish to express our gratitude to the members of Grace Church for their gracious hospitality extended to us today.

2. We wish to express our appreciation to all who have taken part on the program and helped to make the day a helpful one.

3. Especially would we express our thanks to Mr. Harris and Rev. J. C. Powell who have helped and inspired us so much with their messages.

4. We are grateful to the pastors for their presence and cooperation during the year.

5. To our faithful superintendent, Mrs. T. S. Crutchfield, and

the officers associated with her, we would express our heartfelt appreciation for their untiring efforts."

Report of Nominating Committee was heard and adopted as follows:

Mrs. T. S. Crutchfield, superintendent.
Mrs. R. R. Ingram, assistant superintendent.
Betty B. Palmer, secretary-treasurer.
Mrs. L. D. Munn, Stewardship chairman.
Mrs. M. A. Small, Training School and Margaret Fund.
Mrs. W. B. Poplin, Personal Service chairman.
Mrs. N. A. Hayes, Young People's leader.
Mrs. C. P. Crawley, Mission Study leader.
Mrs. M. L. Dorton, Albemarle District.
Mrs. J. M. Mauney, New London District.
Mrs. K. S. Herman, Oakboro District.
Mrs. C. C. Huneycutt, Stanfield District.
Mrs. J. T. Mabry, Norwood District.
Mrs. C. W. Gaddy, Librarian.

It was moved, seconded and unanimously carried that the association invite Rev. and Mrs. Powell to come into the Association and teach or lecture in connection with a County-wide School of Missions. The superintendent appointed Mrs. C. P. Crawley, Mrs. F. A. Bower and Mrs. J. M. Mauney as a committee to make plans and arrange for the School of Missions.

The W. M. S. of the Badin Church gave a playlet portraying how the tithe can be used in taking care of all the needs of a church, carrying forward the Lord's work in a noble and worthwhile way. It was a beautiful playlet and splendidly given.

In closing the audience sang, "Praise God from Whom All Blessings Flow", and Rev. J. D. Marler pronounced the benediction.

REPORT ON BAPTIST HOSPITALS

The North Carolina Baptist Hospital opened its doors for service to sick h manity in 1923. Hence it has rendered fourteen years of healing ministry to t people of this state. The year just closed was the greatest in its history. The grea est number of churches contributing to its support and greatest in the amount co tributed.

About 5,000 patients applied for treatment during the year. Of this numb 1,000 could not be admitted for want of rooms. The hospital never turns away patient as long as there is an empty bed.

The Nurses' Home is now being enlarged to twice its present capacity. Pla are also under way to enlarge the hospital.

The Hospital has a staff of five interres, 66 doctors and 55 nurses. Both t hospital and doctors are rendering a vast amount of free service to sick and distres ed humanity—not less than $160,000 for the year. These patients came from pra tically every section of the State.

The hospital depends largely on the Mother's Day offering for treatment those who cannot pay. This offering last year was a little more than $20,000,0 Hospital linens, such as sheets, pillow cases, towels etc., has been donated in increas quantities this year by Woman's Missionary Societies and other church organizatio

In the spirit of Jesus who went about all Gallilee teaching and preaching t gospel of the Kingdom, and healing all manner of sickness and disease among t people, the Hospital as a Christian institution, always endeavors to minister to r only the suffering body, but to the diseased mind and spirit as well.

BAPTIST TRAINING UNION REPORT

This being the Training department of our Baptist churches, everyone of our tanly Baptist members should be enrolled. This is a great power-house that fur-ish our best workers for the promotion of God's kingdom. We have not done our art in the Stanly association, having only nine churches listed in this association ith B. Y. P. U.'s. This takes in just a small percentage of the nearly seven thous-nd Baptist in Stanly county. Let us go forward. "If ye continue in my word, then re ye my disciples indeed."

Respectfully, ALFRED F. MAULDIN

REPORT OF BAPTIST ORPHANAGE OF NORTH CAROLINA

On November 11, 1885, the first child was received which was the beginning of ır orphanage in North Carolina. Since that time more than 4000 children have been ded.

After operation under the sponsorship of North Carolina orphanage association, ıe Baptist State convention took it over and has operated it under the same charter ith but five amendments.

In 1928, the name "Mills Home" was given to the orphanage in honor of it's under and was operated under that name until 1934 when it was named Baptist Or-ıanage of North Carolina.

There are 599 children enrolled in the orphanage and a number being aided in e Mother's aid department at the cost of about $21.00 per month per child.

The farm is a great asset to the orphanage. From it comes milk, grain, gs. chickens, eggs and vegetables, giving employment as well as supplies for chil-en.

The support of the orphanage must come from the Baptist people. Therefore every Sunday School in Stanly association take a once-a-week offering and thanks-ving offering for the orphanage of North Carolina Baptist.

REPORT ON STATE MISSIONS

In Matthew 28-19, the risen Lord said to the disciples, go ye therefore and ake disciples of all nations, baptise them and teach thme to observe. For more than hundred years the State mission board has tried to win our people to Christ and en to the fellowship which the church provides. In the early days of state mis-ons attention was almost solely on evangelism but now that our membership has own so rapidly the emphasis should be the training and development of the mem-rship, of course the church must never omit Evangelism it must be our chief aim t let training and Evangelism march on hand in hand. To evangelize our state must first of all save the church. We recommend that every church in the Stanly sociation put on a stewardship revival and an aggressive training campaign.

Respectfully submitted, W. B. HOLMES.

HOME MISSIONS

The Home Mission Board differs from the Foreign Board not at all in the ssage it carries, and but very little in the method of doing its work. It is an ency of all Southern Baptist which seek to give the gospel in all its fullness to people of the South and Cuba. It gives, however, especial atention to them our midst, to the Jews, to the Negroes, and the deaf.

The Home Board now has 327 full time missionaries and about 125 part time ive workers who receive no salary, 850 missions stations, good will centers, res-missions, etc.

Five schools are operated or aided, in whole or part.

Indebtedness has been reduced from $2,465,000 in 1928 to $1,428,460 as of June 1937. The income for the past year was $431,505 in contrast to $1,462,377 in 1.

The Board needs now 1000 missionaries and an annual income of $1,000,000 if Gospel message is to be carried to every group in the Southland within a gen-tion.

May we catch the vision a new, and rally to the needs of our friends and ghbors of this dear old Southland of ours.

Respectfully submitted, C. C. HONEYCUTT

REPORT OF FOREIGN MISSIONS

In our Foreign Mission Board personnel on April 15th, 1937, there were fifty six emeritus missionaries on pension, 415 missionaries in active service in sixteen foreign countries. Of this number, there are sixty-three who are sixty years of age or over. Who will take their places? The need for replacement is acute and desperate.

The income of the Board for 1936 from the convention endowment funds, bequests, special gifts and miscellaneous sources was $1,040,547.57. This is the first time in several years that the income has passed the million mark.

Of the $291,761.72 received from the Lottie Moon Christmas offering, one hundred thouand is used for salaries of 125 missionaries. Many phases of missionary work will be made possible through the use of the remaining $191,761.72. This gift from the women of the South, greatly appreciated by the board, proves the value of well planned united work.

The beloved physician wrote, "The former treatise have I made Oh Theopilus of all that Jesus began to do and teach." Jesus began. He commanded us to continue.

Can we, dare we Stanly Baptist fail him.

Respectfully submitted, MRS. CHARLES P. CRAWLEY

CHRISTIAN EDUCATION

When you educate a man's head and not his heart you have a menance to civilization. Education divorced from christianity is destructive, as demonstrated by the history of mankind. Therefore, the need of the hour is the type of education which develops mind, soul, and spirit. We have in our state, schools which are training centers for ministers, missionaries and lay workers.

We wish to commend to you, all our denominational schools, soliciting your interest and your prayers for them, coupled with your cooperation with them. Among the schools in our state we favorably mention are: Wake Forest, Meredith, Mars Hill Wingate, Campbell, Chowan, and Boiling Springs.

Pray for them, patronize them, they are your own.

Respectfully submitted, B. G. HENRY

CHRISTIAN STEWARDSHIP

Speaking at Columbus, Ohio on Monday of this week, Mr. Guy P. Leavitt, a responsible publisher stated that the One Hundred and Twenty Five Millions in the United States, more than Seventy Millions, or 14 out of 25, were unchurched. America said he, is going increasingly pagan. The world is going pagan at the rate of 6 million annually, according to this eminent authority.

Only 39 per cent of our church members worship regularly.

47 per cent never attend worship.

23 per cent do all the work of the church.

73 per cent give nothing to missions.

Are not these startling facts related as cause to effect? And should not Christians bestir themselves to meet these challenging times?

F. A. BOWERS

Recent legalization of the sale of alcholic liquor in several of the counties of North Carolina under the disguise of the Alcoholic Beverages Control Act, better known as the ABC Act, is one of the calamities of the present generation.

The stratagem used by the legislature in passing this law, which was rushed through the general assembly at about 3 o'clock in the morning of the last day of the session, without notice or hearing, and after many members had gone home, is a disgrace to this great State, and a rebuff to the church and its constituents.

At first only a few counties were affected by the Act, but one county after an

other has joined the procession, until today 25 counties or one fourth of the counties in this great State of ours are legally selling hard liquor at the rate of over one-half million dollars worth per month; and, all over the State, wine and beer is being legally disbursed at almost every cross-road.

The manufacturers of liquors are well organized and adequately financed and present their cause in such a way as to sweep many well-meaning people from their feet. It is therefore necessary that our people be taught the truth concerning the effects of alcohol, especially in its mildest forms.

From past experience it seems that we will never be able to eliminate entirely the liquor problem, any more than we will be able to drive the devil himself from our land, for truly alcohol is man's chief enemy and the devil's chief weapon, and one that he will never relinquish. We have also learned that we cannot afford, even momentarily, to quit the fight against liquor, for to do so would be to stop our crusade against the devil himself. Adequate laws will not suffice; they must be enforced, which calls for the combined efforts of all Christian people.

An educational campaign as to the nature and effect of alcohol must be a continuous campaign, beginning in the home, extending through the Sunday School, the public schools and the church.

We should not despair, but realizing our failures and profiting by our mistakes, we should put forth renewed efforts until such time as we can truthfully say with Paul of Tarsus, "I have fought a good fight, I have finished my course, I have kept the faith."

T. B. MAUNEY

W. M. U. REPORT FOR 1937

The purpose of the W. M. U. is to enlist, to inspire, to teach and to train for world-wide service.

Nearly 2000 years ago the Master said: "Go ye into all the world and preach the gospel to every creature." Just as truly is He speaking to His disciples today. How clearly have we heard how well have we responded? Again He said: He that keepeth my commandments, he it is that loveth me." How much have we loved?

There are countless millions of lost people in the world today. What are we doing that they may have eternal life?

Through the organized and united efforts of the W. M. U. Women and young people may have a very definite part in extending His kingdom, even to the uttermost parts of the earth. The men also may share in the opportunities and responsibilities by giving sympathy and encouragement.

The work is growing in Stanly county. We now have 18 W. M.'s and 46 young people's organizations. 7 full graded unions and 1 full graded A-1 union. Our gifts this year far exceeded any previous year. For all the blessings and accomplishments, we offer thanksgiving and praise to our Heavenly Father.

Our task is to try to enlist the large number who as yet seem uninterested in the missionary program. We ask the prayers and whole-hearted cooperation of pastors and all who love the Lord and want to do His will.

May we prove our faith and discipleship by recognizing and assuming our obligation to a lost world.

Respectfully submitted, MRS. T. S. CRUTCHFIELD

REPORT ON RELIGIOUS LITERATURE

From the dawn of Creation until now, the cry of the world has been for light, and more light. The State cannot exist without it, the Nation cannot exist without it, and the Denominations cannot make progress without it.

We should do all within our power to encourage the reading of a better class of literature, and to see to it that it is placed in the homes of our people.

The Bible says: "As a Man thinketh in his heart so is he." The character of our thoughts today depend largely upon what we read. Many human wrecks may be attributed to the reading of cheap, obscure literature.

We, your Committee recommend:

First, That our Pastors and leaders do all possible to discourage the reading of degrading literature. Second, That we urge upon our people the importance of daily Bible reading.

Third, That we recommend most heartily for all of our people The Biblical

Recorder, Charity and Children, Home and Foreign Fields, and other periodicals a] proved by our Sunday School Board.

Respectfully submitted, W. R. KISER

REPORT ON SUNDAY SCHOOL

Jesus said, "Go ye therefore, and teach all nations, etc" and it is not hard t detect that the staunch Baptist forefathers and our leader of today believed that con mand because the plans of our Sunday Schools surely are so formed that they a1 quickly recognized as the teaching agency of the New Testament church. There we1 enrolled in our Sunday Schools last year 5863, and from the last census, we found tha more, who were baptist inclined were not attending Sunday School than there we1 attending. There must be some inefficiency in our schools, or we would have attracte many of them long ago. In view of this fact, I recommend a simultaneous stud course and enlistment campaign that will go into every church of the Stanly Bapti Association during 1938.

Respectively submitted, W. S. CAUDLE

MRS. C. P. CRAWLEY

STEWARDSHIP REPORT

"For 1937 our four chief aims for the promotion of Stewardship in our W. U. have been (1) Intercessary prayer for the convicting and constraining power the Spirit on the money question; (2) Securing a gift to missions from every sident woman member of the church; (3) More of our young people in definite ewardship education; (4) The promotion of the "Prove Me Plan." We believe at most of (if not all) our Unions have tried to promote these aims. That some ork along these lines have been done is evident from the report of the various nions, yet, much more needs to be done. Stanly's W. M. U's need more study of tewardship if we are to reach the standards laid down for us in the New Testament d transcribed for us in the Year Book.

The Statistical reports from the various Unions sustain the fact that much eeds to be done; yet our reports are very gratifying, considering the work that has en done. Out of the 12 Unions of the 19 reporting, we have tithers 118, Cooperative ogram and missions 350"

TRAINING SCHOOL AND MARGARET FUND REPORT

"And (she) shall be like a tree planted by the rivers of waters, that bringeth rth (her) fruit in (her) season; (her) leaf also shall not wither; and whatsoever he) doeth shall prosper."

About thirty years ago Woman's Missionary Union planted in her garden two autiful trees. So carefully has she tended them with loyalty and devotion their anches have grown and spread in every direction, scattering golden fruit to the utost parts of the world.

Three hundred and sixteen sons and daughters of our noble missionaries have en assisted in their higher education in the homeland and about $284.000 given in holarships—every gift an expresssion of love—the aim and purpose of the Margret Fund from the beginning. During 1936-37 there were 67 beneficiaries and 6,375 given in scholarships. Every state met its apportionment. Many young en and women would have been denied college education or would have found it ry difficult to finance it had it not been for the Margaret Fund.

Nothing in the world is more beautiful than a life consecrated to the Master's rvice; and such are the lives sent out from our W. M. U. Training School at Louisle. Eager-hearted young women enter the School with a sipirt similar to that

of the disciples of long ago. After two years spent in such a spiritual atmospher the average young woman emerges a changed person. In every land and clime, a home and abroad, we find graduates of our Training School serving the Lord triumph antly. This year four young women received certificates; thirteen the degree o Bachelor of Religious Education and fifteen the degree of Master of Religious Educa tion.

New branches have been grafted into these trees from time to time and the too are bearing abundant fruit. In 1930 the Margaret Memorial was launched. 216 Margarets are now enrolled in this Book of Rememberance and $6,000 added to th Margaret Fund.

In 1934 the Elizabeth Lowndes Scholarship Fund was grafted—to be given t the Margaret Fund college senior whose three preceding years were outstanding i high scholarship and whose conduct and influence most worthy. On Wednesday o Foreign Mission Week at Ridgecrest this year, Archibald McMillan was awarded thi scholarship, becoming the very first beneficiary of this Fund.

The fruit-bearing qualities and possibilities of these two precious trees depen upon our love, prayers, and gifts. May wedo our part year by year to enhance thes qualities, for "Herein is my Father glorified, that ye bear much fruit."

MRS. M. A. SMALL

SUPERINTENDENT'S REPORT

"Not by might, nor by power, but by My Spirit saith the Lord of Hosts. Zech 4 6". What an inspiration! What a challenge to all who endeavor to do effectiv Kingdom work! How we need to realize the full significance of this great truth, an apply it in our own daily lives. As we have sought His guidance through the year He has faithfully lead and blessed our effort. To Him be thanks, praise and hono for any and all that has been accomplished.

There has been growth and development despite the fact there have been dis couragements and problems. Organization has not been stressed due largely to th fact that time and effort has been needed to maintain the work already established. I is one thing to organize, another to foster. The latter seems most important at th present. Our gifts to Missions have far exceeded any previous year. "Christ fo the World" has ever been our chief aim in all of our various activities.

An additional objective this year has been the 100.000 Club. As our Wome and Young People have been informed as to the importance of relieving our denomi nation of the crushing debts, many have responded.

Fifty dollars has been contributed by the various societies of the Associatio for the education of an African girl. We consider this a worthy thing and rejoice t have had a part.

The outstanding peak of interest with us perhaps, was an Associational-Wid School of Missions directed by Rev. J. C. Powell, Misionary to Africa.

Mission Study has been stressed. The plan of putting on an all day study fo all organizations has been advocated and several societies have tried it with profi

As a means of promoting the work in the future, our plan is to rely more defi nitely on the district leaders as they shall endeavor to visit near-by churches an present the cause of Missions.

Next year is our "Golden Jubilee Year" the fiftieth year of Missionary work As an expression of our love and gratitude to our Heavenly Father for all the man blessings and opportunities that have been ours during the past fifty years. We war to begin now to make preparations, first of all by a deepening of our own spiritua lives, and then by a real enlargement and development in all departments of our work

I would urge the continued support of the 100,000 Club. As many individual and organizations participating as may be possible.

The great need in our Association continues to be Missionary informatio Many of our people do not know consequently we cannot expect them to do. We as our pastors to preach and our teachers to teach the "Go Ye therefore Message."

To all who have labored with me, so faithfully, through the year, I desire t express my sincere thanks and appreciation.

The opportunities for Christian service were never better, the need neve greater. To that end may we be faithful, loyal and true that His gospel may be pro claimed to the millions who know not Him as Saviour and Lord.

YOUNG PEOPLE'S LEADER REPORT

"We have had very few more flowers in our Young People's garden this year an last, however, there has been a pronounced imprevement in the garden in gen- al. The quality of the flowers has been superior in both growing quality and agrance. Never before have our flowers been such a blessing to so many people. ir largest flower, Y. W. A., has been our best this year. The next largest has been A. Our smallest plant has been R. A. but this plant once started is very hardy. ir tiniest flower in size is Sunbeam and sheds a fragrance almost as penetrating as A.

Statistics: New organizations 6 (Total organizations 46) Total visits 27; Letters ; Miles traveled 596; 12 A-1 ocieties; 7 full graded unions; Gifts $971.52."

CONSTITUTION OF THE STANLY BAPTIST ASSOCIATION

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, or that fails to represent itself, either by delegates or letter more than two successive sessions, without sufficient reasons; or that treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the minutes and other necessary expenses.

Article. 8. It shall be the duty of each church to send an annual

letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Art. 10. It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

———————o———————

7. T. S. Crutchfield read the report on Religious Litera-

ture. After the report was discussed by R. F. Terrell, it was adopted.

Report On Christian Literature

It is the testimony of people who read Christian literature that it affords pleasure, contributes to one's intelligence, and adds much to the development of Christian character. However, many of our people have not formed this habit and do not realize what a great blessing they are missing.

We commend the following as wise selections of literature to be placed in our homes: The Commission, Southern Baptist Home Missions, Biblical Recorder, and Charity and Children. And your committee recommends that the Association elect a general representative to cooperate with the churches and their pastors in an effort to place these publications in every Baptist home of the Association.

It is also recommended that this representative shall endeavor to arrange for Good Literature Day to be observed in the churches of the association.

Respectfully submitted,
T. S. CRUTCHFIELD.

———o———

8. It was moved that the report be amended and that L. D. Munn be appointed Biblical Recorder representative. The motion carried.

10. The clerk read the report on B. T. U., written by Miss Cornelia Forrest. The report was adopted without any discussion.

Baptist Training Union Report

"The most monumental question of the hour is one raised by a Roman governor two thousand years ago, 'What shall I do with Jesus?'." The future of this nation depends not upon the size of its submarine force, not upon the efficiency of its air fleet, neither upon the greatness of its army, nor upon its economic policies. The future of this nation depends upon what young people of this generation do with Christ.

One of the most potent factors in helping young Christians to answer this question is the Baptist Training Union.

No. of churches, 34; no. Baptists, 6,568; no. B. T. U.'s, 8; B. A. U.'s, 4; Senior, 11; Intermediate, 8; Junior, 7; Total 30.

(These statistics from the 1937 minutes.)

Total number training schools held during the year 9.

May the pastors of Stanly Association accept the challenge, en-

courage their young people and lead them forth in a great Training Union conquest!

Respectfully submitted,
CORNELIA FORREST.

THURSDAY AFTERNOON

17. The Association reconvened at 1:15 P. M. After singing "I Will Sing the Wondrous Story" the session was led in devotion by H. E. Rogers.

18. L. D. Munn then made a digest of the church letters.

19. T. B. Mauney read the report on the Sunday Schools. After he discussed the report, it was adopted.

Report On Sunday Schools

Many our churches are realizing the incalculable value of the Sunday School, but as an Association, we are doing very little to promote Sunday School work.

The Associational Sunday School Convention has not been able to function, due to the fact that we have been unable to find leaders who are willing to give enough time to this work.

Full cooperation of all pastors, superintendents, and Sunday School officers and teachers is essential for this organization to be successful. So many of our pastors are non-residents, or their churches are so scattered that they find it difficult to sponsor the work of this organization in their churches.

If we hope for the Associational Sunday School Convention to succeed, we must in some manner promote the organization and the purposes for which it stands.

Respectfully submitted,
T. B. MAUNEY.

20. W. S. Coggin read the report on Christian Education. After it was discussed by him, Dr. W. R. Cullom of Wake Forest, and C. C. Burris of Wingate Junior College, the report was adopted.

Report On Christian Education

Since the introduction of the Christian Religion, its teachings have been the balancing power in the conduct of nations and of individuals. No life is complete without physical, mental, and moral training; and it is necessary that man receive Christian education to balance his life.

Two lines of action are being taught today for man's salvation. Some colleges are teaching salvation through intellectualism, while our churches are teaching salvation through faith in Christ; and the position of the church is being challenged today as never before..

Paul, the foremost teacher of Christian education, constantly stimulated the faith of the followers of Christ by his teachings, which will be inspiration to Christians as long as Christianity endures. The call comes to us today for more and stronger Christian education to help maintain our faith.

Respectfully submitted,
W. S. COGGIN.

21. W. A. Hough read the report on Ministerial Relief and after some general discussion, the report was adopted.

Report On Ministerial Relief

It is our Christian duty to take care of the aged and disabled servants of God. The Relief and Annuity Board offers a plan, known as the Age Security Plan, where by we can do our share in taking care of these servants. In this plan the minister contributes three per cent of his salary and his church or churches contribute 3 per cent of his total salary. Only 24 churches in North Carolina have as yet adopted this plan. We hope that every church will do so.

But there are some too old to participate in this plan; consequently we need to take care of them. Last year our Dallas Board paid out $86,000.00 on direct relief. The suggestion is made that every church take a fellowship offering at least once a year in connection with the observance of the Lord's Supper and send it for direct relief for our aged ministers. This is the least we can do.

Respectfully submitted,
W. A. HOUGH.

22. Ellis Burris read the report on Hospitals, and after some discussion by him, J. Clyde Yates, J. D. Marler, and Charlie Palmer, the report, with an amendment, was adopted. See below.

Report On Hospitals

The North Carolina Baptist Hospital opened its doors in May, 1923, and since that date over forty thousand people have been restored to health.

The hospital has been running full capacity for two years, and now as many are being turned away as are being admitted. A Christian hospital should have capacity to take care of all applicants.

Our obligations to the denomination require that it must meet the demands upon it.

Let us rally to the support of our hospital and encourage the enlarging of it in any way pleasing to God.

Respectfully submitted,
ELLIS BURRIS.

———o———

23. It was moved and passed that the report be amended to authorize the hospital representative to correspond with Dr. Hagaman and institute the best methods of building a room in the new addition to the hospital by the Stanly Association.

24. The original report was then adopted.

Report On The Orphanage

It costs the Orphanage $452.14 daily to care for the 850 children it mothers. This amounts to $165,110.10 annually. That means we must keep sending our money to help support these children.

The following are some vital statistics concerning what the Orphanage produces in the form of produce:

325 gallons of milk daily; 13,664 dozens of eggs, 8,093 lbs. of poultry, and 30,000 lbs. of pork annually. Last year 8427 bu. of small grain, 486 tons of hay, 676 tons of ensilage, 3625 bu. of potatoes, and vegetables valued at $4669.79 were produced.

May we rally to the Orphanage this year as never before and do a service that is well pleasing to the Lord.

Respectfully submitted,
W. S. COGGIN.

W. B. HOLMES.

44. Miss Nora Eddins read the report of the Historian. The report was adopted.

Report Of Historian

Kendall's Baptist Church was organized on Saturday before the fifth Sunday in May, 1830. From 1823 it had been a part of Rocky River Church. Under the leadership of Job Callaway, great grandfather of Fred Callaway, and grand-father of Jacob Callaway, a small church was built on land donated by Sam Kendall. It was near the present site and was known as Kendall's Meeting House.

The 17 members elected Noah Richardson as pastor, and since that time the following have served as pastors: Noah Richardson, Benjamin Lanier, John Culpepper, Calvin Bessett, Samuel Morton, J. C. Denney, Washington Russell, W. G. Morton, J. F. Hodge, Alfred Kinney, J. M. Bennett, J. W. Suttle, J. A. McKaughan, J. F.

Davis, J. E. M. Davenport, Grover Stanly, C. J. Black, E. M. Brooks, C. B. Reid, B. G. Whitley, J. W. O. Hill, Grover Philipps, W. A. Hough, E. F. Eagle, and J. D. Marler.

The present building was erected in 1905. J. B. Richardson, son of the first pastor, was invited to preach the dedicatory sermon in April, 1907.

Records show that preaching was held in Kendall's community as early as 1805. So, for at least 133 years this church has played its part in the Christian upbuilding of the community.

May Kendall's Baptist Church continue earnestly for the faith once delivered to the saints.

Respectfully submitted,
NORA PAGE EDDINS.

in the mission work. The W. M. U. inspires us to teach, to train, and to foster young people's organizations.

May we strive for the conversion of those around us as faithfully as for the heathen.

May we listen to his voice and say with Paul: "I can do all things through Christ who strengtheneth me."

The work is going forward in Stanly Association. We now have 20 W. M. S.'s and 43 young people organizations. Through the year we have been led, not by might nor by power, but by His spirit.

CONSTITUTION OF THE STANLEY BAPTIST ASSOCIATION

Article 1. This body shall be known as the Stanly Baptist Association.

Articel 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, or fails to represent itself, either by delegates or letter more than two successive sessions, without sufficient reasons; or that treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sab-

baths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a Vice-Moderator, Historian ,Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Art. 10. It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

REPORT OF EXECUTIVE COMMITTEE

On April 3, 1939, the Executive Committee elected L. D. Munn as Moderator Pro-Tem, to take the place of T. B. Mauney, who resigned after automatically becoming Moderator at the resignation of J. D. Marler.

The Committee fostered an Associational B. T. U. Conference in April at the First Church, Albemarle, with W. Perry Crouch and Miss Louise Turner leading, and an Associational Preliminary Meeting, also at the First Church, on Friday, September 15, with Mr. Crouch leading. 18 churches were represented at this meeting.

8. M. L. Dorton was elected Vice-Moderator for the Fifty-Fifth session.

9. H. E. Nash read the report on Religious Literature. It was adopted without a discussion.

REPORT ON RELIGIOUS LITERATURE

One of the most common evils to be found in our home today is cheap literature. Many homes are flooded with this cheap literature.

Our young people are fed on this type of literature and seldom read the better class of literature. We should encourage the reading of the better type of literature and see that it is placed in our homes. People are largely influenced by what they read.

Let us note some reading that will magnify Christ.

1. The Bible. 2. The Biblical Recorder. 3. Charity and Children.

We feel that when this is done a great step forward will be made in guiding the thoughts of our people to higher things.

Respectfully submitted,

H. E. Nash

THURSDAY AFTERNOON

21. The Association reconvened at 1:15.

22. The Association sang "Tell Me the Old, Old Story."

23. E. S. Summers led in prayer.

24. T. B. Mauney read the report on Sunday Schools, and after being discussed by C. E. Baucom of Concord, it was adopted.

REPORT ON SUNDAY SCHOOLS

Our Sunday Schools continue from year to year to make slight gains in enrollment. This may be due to an increasing population rather than to anything we are doing to get others enlisted.

If soul-winning is our chief concern, we must enlist more people in our Sunday Schools. It is through the Sunday School that the seed are sown which make possible a golden harvest at the revival meetings.

The best agency that the church affords to arouse interest in the Lord's work is the Sunday School.

In order to win souls, we must first get them in our Sunday Schools. Let us strive as never before to see that each boy and girl, man and woman in our various communities have an invitation and opportunity to attend. And when we get them there, let's

do our best to win them to Christ.

Respectfully submitted,
T. B. Mauney

25. Crawford Poplin read the report on the B. T. U. After he discussed the report, it was adopted.

REPORT ON B. T. U.

The Training Union is the training department of our churches. Realizing our responsibility in training in Christian servce, we seek to encourage every Baptst member to find his place in the training program, and every church to have a training union.

Be it resolved:

That we pledge ourselves to the earnest and consecrated work of training our people, to fortifying our present organization, and to support with our prayers the work of the training union, and to strive to have a union in every church in Stanly Association.

Respectfully submitted,
Crawford Poplin

26. Mrs. T. S. Crutchfield read Mrs. A. D. McNeil's report on the W. M. U. After it was discussed by Mrs. Charles Trammel of Troy, the report was adopted.

W. M. U. REPORT

A searchlight upon the heart of W. M. U. would reveal these noble aims: prayer, enlistment, study, personal service, tithes, missionary education. These aims in the light of the great Commission have been our study this year. We have been impressed with this personal command of Jesus, "Go ye therefore" and realize that obedience to this Commission—our mission—becomes the duty and love-test of every Christian.

The new half-century calls us to reaffirm our responsibility to stand for world peace, inter-racial justice, and high standards of morality.

May this be the prayer of the 20 W. M. U.'s and 42 Young Peoples organizations in Stanly Association:

"Lord, speak to me that I may speak
In living echoes of Thy tone;
As Thou has sought so let me seek
Thy erring children, lost and lone."

Respectfully submitted,
Mrs. A. D. McNeil

27. M. L. Dorton read the report on Christian Education, and after being discussed by him, C. C. Burris and C. E. Baucom, it was adopted.

CHRISTIAN EDUCATION

Without knowledge the people perish. Knowledge unlearned of Christianity is worse than ignorance. Education may or may not be good for people. Education without Christianity has destroyed more than one nation. The United States is a great nation, not because of her natural resources, but because of her people. Her people are great because of the building that was erected in the midst of every community. In the first years, it was made of logs and was used as a school house during the week and as a place of worship on Sundays. The teacher who was often also the preacher, made America great. Our Baptist people have never departed from that practice. They have not put asunder what God joined together—Education and Religion.

This freedom that is essential to a free people is found only in a Christian college and reaches as near perfection in a Baptist college as anywhere on earth. It is only the ignorant that say that Christian Education is no more. In seeking truth, the Christian college does not bar the Bible, and Baptist colleges open it wide and listen while it speaks.

Our convention joins the conventions of other Southern states in maintaining: The Southern Baptist Seminary, The Southwestern Seminary, The Baptist Bible Institute and the Woman's Training School. All these, with their locations, are well known.

Respectfully submitted,
M. L. Dorton

48. The clerk read W. R. Kiser's report on State Missions. It was adopted without discussion.

REPORT ON STATE MISSIONS

The Spirit of Missions, whether State, Home or Foreign, is the same. The objective of State Missions is to preach the gospel of our Lord in the State ,winning the lost to Christ, and then teaching and training those who are won for Kingdom service.

Therefore may we urge every member of our churches, and every church in our Association, to help in every possible way to carry on this blessed ministry. May we spend much time in prayer, and practice generous giving. May we do our part as Baptists in our State, in bringing to Christ the more than a million lost souls in our State, who are responsible to God at this hour.

Let us, therefore, maintain an aggressive program of State Missions. In so doing we shall not only win North Carolina but the world.

Respectfully submitted,
W. R. Kiser

49. The Home Missions report was read by C. L. Pickler and after being discussed by him, it was adopted.

REPORT ON HOME MISSIONS

The Home Mission Board has functioned for ninety-four years. The achievements have been glorious. Missionaries have baptized 865,000 people, which is equal to one out of every five of our total number of church members. They have organized 8,600 churches. This is equal to one out of every three of our total number of churches.

The Home Mission Board now has 371 missionaries working in 756 mission stations. During the past year 39 were added to the mission force. 64 new mission stations were opened and 20 chapels were acquired. The missionaries have distributed 29,226 Bibles, Testaments, and portions of Scripture, and over 790,000 tracts, preached 29,454 sermons, led over 5,250 to make profession of faith in Christ, and received 3,833 into fellowship with the Church.

The past year the Home Mission Board received from all sources $513,841.80. Paid on principal of debt $163,660.89. A debt payment program has been maped out which will liquidate all debts of the Home Mission Board by 1945 provided receipts do not

fall below the receipts of 1938.

Respectfully submitted,
C. L. Pickler

50. H. V. Scarborough spoke on the above reports. T. S. Crutchfield made a few remarks.

51. W. J. Bradley read the report on Foreign Missions and without discussion it was adopted.

FOREIGN MISSION REPORT

"But ye shall receive power, when the Holy Spirit is come upon you: and ye shall be my witnesses both in Jerusalem, and in all Judea and Samaria, and unto the uttermost part of the earth," Acts 1:8.

We wish in a time of fear and uncertainty to re-affirm our belief in the sufficiency of the Gospel of Christ to meet the needs of toiling and suffering humanity. Nations are at war and other nations are hastily arming for the slaughter. Vast multitudes still wait in the darkness of heathenism for the Light of the World.

For 1937 we reported total receipts of $1,119,768.67. Last year we received for all purposes $1,130,083.93. It will thus be seen that we are rebuilding our financial structure and, with caution and conservatism in expenditures, we can gradually enlarge and expand our work in all lands.

We now owe $279,500. We have paid $830,500 on the principal of the debt in six years.

In 1938 the Lottie Moon Christmas Offering was $315,000. The salaries of 125 missionaries are cared for out of this offering. The remainder goes for the support of missionary training schools in many lands, the repair and building of missionary homes, chapels, school buildings, hospitals and to assist the Board in many other ways of necessary endeavor for which the Board has no funds.

Respectfully submitted,
W. J. Bradley

FRIDAY AFTERNOON

61. The Association reconvened at 1:10 by singing "Help Somebody Today." Ray Smith led in prayer.

62. The clerk read the report on Hospitals, written by W. B. Holmes. After being discussed by J. A. McKaughan, it was adopted.

REPORT ON HOSPITAL

Our own Baptist Hospital, located in Winston-Salem, received its first patient May 28, 1923. Since that date, 44,635 patients have been treated up to July 14, 1939. More than 4,000 were treated last year, a little more than one-third of these paid little or nothing.

It is little less than a tragedy that during the last year the Hospital has been compelled to turn away more than 2,000 patients for lack of room.

Plans are going forward to add 100 more bed space to the hospital, giving the hospital a bed capacity of 212. This will enable the hospital to treat 8,000 patients each year. For the expense of caring for our sick who cannot pay, we look largely to Moth-

er's Day Offering and to free donations.

We recommend that every church push the Mother's Day Offering and other donations.

Respectfully submitted,
W. B. Holmes

63 W. S. Coggin read the report on the Orphanage, and after being discussed by him. W. J. Bradley, H. V. Scarborough and W. A. Hough, it was adopted.

REPORT ON THE ORPHANAGE

The Baptist Orphanage of North Carolina is an institution to prepare poor orphans for the duties and responsibilities of life. It is not a reformatory or a feeble minded institution; so it is functioning in the field where it can do the greatest work. Now if Christian religion is the balancing power of the conduct of nation and of individual, no life is complete without physical, mental, and moral training; therefore, it is necessary that the orphans have Christian education to balance their lives.

Now as there are a great number to be cared for and others knocking at the door, we will have to increase our offering if we keep the buildings repaired and other necessary objects. We are proud of their farm products but this does not meet all their demands.

Respectfully submitted,
W. S. Coggin

64. T. S. Crutchfield read the report on Ministerial Relief. After a general discussion, the report was adopted.

REPORT ON MINISTERIAL RELIEF

Since the last meeting of our Association, the Baptist State Convention of North Carolina has inaugurated a new plan for ministerial relief. It is called the Ministers' Retirement Plan.

According to this plan, the participating minister, the church or churches of which he is pastor, and the Baptist State Convention all make annual contributions to provide an annuity for the pastor after he reaches age sixty-five, or upon becoming disabled.

All who are interested in the plan and desire full infomation concerning its operation and benefits may receive same by applying to the Executive Secretary of the Baptist State Convention, M. A. Huggins, 121-123 West Hargett Street, Raleigh, North Carolina.

Respectfully submitted,
T. S. Crutchfield

66. W. A. Hough read the report on Temperance and Public Morals. After being discussed by him, Mr. McKaughan, and Mr. Scarborough, the report was adopted.

REPORT ON TEMPERANCE AND PUBLIC MORALS

Wine is a mocker. Strong drink is raging, and whosoever is deceived thereby is not wise. Prov. 20:1. Many a useful life has been wrecked, many a home has been torn asunder, leaving widows and orphans, because of strong drink. It claims the rich as well as the poor; it fills our jail houses and asylums with the youth of our land.

May we as the Stanly Baptist Association, through the teaching of the Bible and under the leadership of the Holy Spirit, use every available means at hand to rid our country of this awful evil.

Respectfully submitted,
W. A. Hough

CONSTITUTION OF THE STANLY BAPTIST ASSOCIATION

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice or fails to represent itself, either by delegates or letter more than two successive sessions, without sufficient reason; or that treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in face of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, and male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and

distribution of the same, and to keep on file the printed minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

Proceedings

1. The Stanly Baptist Association was called to order at Bethel Church on Thursday, October 24, 1940, at 10 o'clock A. M. Delegates were registered at the door.

4. The report of the Program Committee was read and accepted.

5. Report on Christian Education was submitted and duly accepted. Also upon request of Rev. S. L. McIntyre, a committee was appointed for the reception of churches.

Note: Mr. Shearon Harris made the report on Christian Education, dealing with all phases of the subject very acceptably; but did not, the Clerk believes, make available a written resume.

6. Then, as pre-arranged, report on Relief and Annuity was presented by Rev. J. E. Kirk. Adopted in order.

RELIEF AND ANNUITY REPORT

Our State Convention sponsors a plan for "Ministers retirement". About one-fourth of our churches and pastors are using the plan already.

According to this plan, pastors, churches and the State Convention contribute to a fund administered by the Relief and Annuity Board; for the purpose of paying an Annuity to ministers who reach retirement age, and to those who be disabled prior to a given age of years.

God has decreed in both the Old and New Testaments that His ministers "Shall eat of the offerings of the Lord". Every church in the Association should cooperate in this plan; so that the church itself and its pastor shall be on side of a great movement promoted by our State and Southern conventions.

Respectfully Submitted,

JONES E. KIRK.

13. Rev. C. L. Devine presented a report on State Missions which was duly adopted.

STATE MISSIONS

When Jesus was ready to go back into the Spirit world after his resurrection he gave his disciples working orders. He told them how to let the world about his plan for saving the lost.

While the Baptists of North Carolina, during the one hundred and ten years of their organization have made wonderful progress in their efforts to imprint the Life and Ideal of Christ on the people of the state; they still have before them a vast unfinished task.

State missions now embrace the following activities: training, education, benevolence and the cooperative program.

Let us therefore, maintain an aggressive program of state missions. In so doing we shall not only win North Carolina but the world.

Respectfully Submitted,
C. L. DEVINE.

14. Rev. Coy Muckle offered a report on Home Missions. It was accepted in order.

HOME MISSIONS

The Home Mission board employs above 350 workers in something more than 900 stations. It's work covers the Southland. Schools are operated, and much evangelistic work done in Havana and New Orleans. Also in Arizona, Texas and New Mexico.

Two fields of endeavor seem to invite special emphasis just now; (1) The Canal Bone, and (2) Our Negro brethren.

Emphasis by the government on defense in Panama, is making that one of the world's important centers. And our work will increase correspondingly in importance. It is hoped that the Board will be able to meet every demand.

During the past eight years Negroes have risen rapidly in importance in America. The Catholics are making a decided effort to get them into their fold. This makes it more than ever necessary that we should try even harder to save them for our simple faith.

The Board operates within its budget, so the more we increase our giving the more it can increase its work.

Respectfully Submitted,
COY MUCKLE.

15. It was moved and seconded that the Foreign Mission report be passed for the time being; due to absence of report and reporter. Motion carried.

16. Rev. M. O. Alexander, state speaker, was accorded the floor. He spoke very forcefully on what he set forth as our present day needs and the needs of our organized work.

Second Day's Session

24. Meeting called to order by Moderator L. D. Munn. The body sang, "Oh Worship The King". Prayer by Rev. Ray Smith. Mrs. L. D. Munn was appointed by the choir to serve in place of Mrs. N. A. Hayes on committee on committees.

25. The Temperance report prepared by Rev. H. E. Nash was read by Mrs. S. T. Morris. Motion was made and carried

that report be accepted. Rev. S. T. Morris spoke on the report.

REPORT ON TEMPERANCE

Temperance means habitual moderation and control in the indulgence of the appetites and passions. But the fruits of the Spirit are love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance.

Daniel refused the king's meat and drink. The liquor question is not a political issue; it is a moral issue. The drink bill of the American people is $46.15 for every man, woman and child in our country. There were forty thousand fatal accidents in our country last year; and in more than twenty thousand of them liquor was involved.

We have around 460,000 places where legalized liquor is sold. And there are 325,000 barmaids in our country today.

Be it resolved that we, the Stanly Baptist Association go on record as being opposed to the sale of strong drink in any form; and second, that we do our part in bringing about national prohibition.

Respectfully Submitted,
S. T. MORRIS.

26. It is moved and seconded that the report prepared by Mr. T. B. Mauney on the Hospital, the report being read by the Clerk, be accepted. Motion carried.

HOSPITAL REPORT

The bodily healing of the sick occupied a large place in the ministry of Jesus.

Since the Baptist hospital in Winston-Salem received its first patient in May, 1923, 49,660 patients have been admitted and treated. Actual work is now under way to enlarge the hospital from 108 beds to 300. By reason of our efforts in establishing and maintaining this hospital, we have not followed the commands of our Lord by ministering unto those who are sick, but we have opened the door of opportunity for others to do likewise.

An individual has agreed to support a full-time resident pastor to minister to the spiritual needs of patients and point them to the Great Physician.

The Bowman Gray school of medicine of Wake Forest College is now being erected on grounds adjacent to the Hospital; which will be of untold value to the hospital. Our churches must see to it that none of the 300 beds are empty for lack of funds. The responsibility is ours. Let us not falter in our duty.

Respectfully Submitted,
T. B. MAUNEY.

27. It moved and carried that Hospital speaker be heard later.

28. Motion was made and carried that Dr. Charles Brewer should be invited to speak. He spoke for Education and convention work.

29. Bro. W. S. Coggins made a formal report on the Orphanage. He also spoke on the subject. The report was accepted. J. E. Hough of Kennedy Home was accorded the floor and spoke concerning Orphanage work.

The children who compose the population of the Baptist Orphanage of North Carolina may be classified under three heads: (1) full orphans, (2) half orphans, and (3) victims of deserted and wrecked homes.

The demands upon the Orphanage have never been greater. No mat-

ter how urgent the demands however, the policy of the orphanage is to never make special appeals.

The past year was one of the best in the history of the Orphanage, but needs increase.

We suggest as a goal for the Association for next year; (1) a monthly contribution from each church, (2) gifts of produce in season, (3) a real Thanksgiving offering each year, and (4) a club of Charity and Children subscribers in each Sunday School.

Respectfully Submitted,
W. S. COGGINS.

30. Officers were elected according to the constitution. (See directory.)

REPORT OF THE EXECUTIVE AND PROMOTION COMMITTEE

Inasmuch as the Committee on Committees failed to nominate an Executive Committee last year, the chairman asked the members of the last committee to serve until the 1940 session: L. D. Munn, W. J. Bradley, M. L. Dorton and W. B. Holmes have acted in this capacity. The Committee met four times during the year in general supervision of the associational work, and as a special feature helped to promote an associatoinal work, and as a special feature helped to promote an associtional-wide B. T. U. Revival in July. The number of churches and pastors responding to this program was encouraging, although the response was not as good as it ought to have been.

The Committee hates to report that last year, according to the 1939 minutes, five churches failed to give through the Co-Operative Program, one church failed to give to the Orphanage, eight churches failed to give to the Hospital. We beg churches and pastors to take notice of this distressing fact.

The Committee asked R. F. Bass, the Associational Clerk, to act as Treasurer until the 1940 session in place of W. T. Pickler, who died shortly after the 1939 session.

The Promotion Committee, constituting the active pastors of the Association, met ten times during the year in their regular Pastor's Conference. This Committee had an average attendance of seven and nine of the twenty-two pastors failed to attend a single meeting. Since the whole denominational program is promoted through this Committee, we plead for our pastors to attend.

Respectfully Submitted,
L. D. MUNN.

31. Motion is made and carried that Centerview letter be received again by association; and that the petitioning church should be given a definite statement in written form. Several announcements were made.

32. Rev. W. J. Russell brought the Doctrinal sermon. Scripture readings were from fourth John. This was followed by prayer by Mrs. C. C. Huneycutt.

33. H. V. Scarboro appointed to Committee on Committees.

Afternoon Session

34. Association convened at 1:15; and sang a hymn.

35. BTU report written by Miss Pattie Marks was read by Crawford Poplin and accepted by Association. Rev. G.

K. Ford also read a written digest of BTU work. Rev. M. L. Dorton made some remarks on the report.

BTU REPORT

We are living today in an age that calls for efficiency. In every profession there is a demand for greater skill; in every vocation there is a cry for trained workers. The church is no exception.

Training in Christian service is the work of our training union. Its program provided for all ages and covers all phases of our work. It is almost impossible to evaluate its worth.

The past year has been a good one. Let us renew our efforts to organize and maintain a Union in every church in the Stanly Baptist Association. Taking as our motto: Second Timothy 2:15, "Study to show thyself approved; a workman that needeth not to be ashamed, rightly dividing the word of truth.

Respectfully Submitted,
PATTY J. MARKS.

36. Report on Sunday Schools was submitted by Rev. T. S. Crutchfield. Motion was made and carried that it be accepted.

SUNDAY SCHOOLS REPORT

It is very probable that a large majority of this body is deeply grateful for the instruction they have received in Sunday schools.

Another thing to be noted is the improvements made in character of the work done in our Sunday schools during the passing years. Still there is room and need for advancement. And your committee recommends: (1) That we endeavor to get all church members active in Sunday school. (2) That more of our people make special effort to be competent Sunday School workers. (3) That workers make faithful efforts to lead the unsaved to accept Christ as their Savior, Lord and Master.

Respectfully Submitted,
T. S. CRUTCHFIELD.

37. Report on W. M. U. work was presented by Mrs. J. B. Copple, which was followed by a play by visitors from Wingate Junior College. It was then moved and carried that report be adopted.

REPORT ON W. M. U.

"Be ye steadfast, unmovable always abounding in the work of the Lord." I Cor. 15:38.

The theme for the WMU of the South for the year is: "Purpose in a changing world"—a steadfast aim. The monthly programs for the year have shown accumulating evidence of God's unchanging purpose. Our program both at home and abroad has demonstrated the rich rewards for following God's unchanging plan for the ages. Our rapidly changing world would strike terror to the human heart but for abiding faith.

The teaching of God's law of tithes and offerings is a chief aim of the Woman's Missionary Union, because it is so essential to cause of missions, which is the sole purpose of WMU.

It is the aim of WMU to have a debtless denomination by 1945. The goal for which we are striving is $250,000 a year for five years. May we of the Stanly Baptist Association make every effort to do our part in ridding our denomination of debt.

Respectfully Submitted,
MRS. J. B. COPPLE.

38. Motion was made and carried that H. V. Scarboro be given some time. He made some pertinent remarks about tithes and giving.

39. Rev. W. J. Bradley submitted a report on Christian Literature. After discussion lead by D. R. Morgan, Recorder Agent, W. A. Hough and L. D. Munn, was duly adopted.

REPORT ON CHRISTIAN LITERATURE

Publishers of books and magazines are now enjoying the most prolific business in their history. This "reading matter" is, with too few exceptions, injurious to the moral and spiritual development of its readers.

Baptists of our State and South are indeed fortunate in having such publications as: The Biblical Recorder, Charity and Children, The Commission, Home Missions, as well as many valuable books published by our Sunday School Board.

The Biblical Recorder, owned by our State convention, is our greatest agency for the promotion of our Denominational life in all departments. For North Carolina Baptists it is the best paper in the world.

We regret exceedingly the interpretation given the "Baltimore Convention" by the editor of the Recorder, and the controversy arising therefrom. We wish to express our profound appreciation of the noble men who composed the Southern Conventions Committee on the invitation of the Federated Council of Churches, and to express our approval of the Committees report.

We recommend: (1) That we pray for our editors as they feel the responsibility of guiding the thought life of our people. (2) That "Religious Literature Day" be observed in all of our churches with attention to all our periodicals.

Respectfully Submitted,
W. J. BRADLEY.

40. A message on the state of the churches was brought to the Association by Rev. C. C. Huneycutt. Motion was made and carried that message be approved.

41. The Historian's report was presented and accepted.

HISTORIANS REPORT

Bethel Baptist Church was organized in the year 1915. There were eleven charter members, of which the following are still living: R. L. Page, C. O. Tucker, O. G. Hartsell, Mary Hartsell and Flora Page.

The first deacons were: C. O. Tucker, R. L. Page, and Bennett Tucker. The present deacons are: J. W. Hatley, A. R. Hatley, A. T. Huneycutt, P. H. Huneycutt, F. M. Huneycutt and John Almond.

Rev. S. L. McIntyre served as the first pastor. The succeeding pastors were Rev. John Harris, Rev. Brantley Reid, Rev. E. J. Hutchinson, Rev. Ralph Harris, Rev. W. R. Kiser and Mr. Vernon Connell.

The church has a Sunday school with an enrollment of 133 members.

In the last revival meeting there were eight additions to the church. Four by baptism and four by letter. There is now a membership of 190; with half time services and splendid prospects.

Respectfully Submitted,
NORA PAGE EDDINS.

42. Motion was made and carried that Clerk prepare Obituary Report.

43. Rev. P. B. Hartsell obtained the floor and paid a tribute to the late Rev. P. G. Hartsell.

44. Report of Committee on Committees is presented and accepted. (Recorded elsewhere.)

45. Committee on Time, Place and Preacher reports. Accepted in order. (Recorded elsewhere.)

46. Committee on Resolutions makes report. Accepted

REPORT FOR THE COMMITTEE ON RESOLUTIONS

WHEREAS, the Stanly Baptist Association, meeting in its Fifty-sixth Annual Session at the Bethel Baptist Church, has been benefitted by an inspirational and informational program,

BE IT THEREFORE RESOLVED THAT:

1. We express our deep and abiding appreciation to the Bethel Baptist Church for their cordial and splendid hospitality.
2. The evening session of the first day, which is usually given to the Training Union, be eliminated and a suitable amount of time be allotted on the program of the Association for the Report and the Demonstration of the Training Union work.
3. The elimination of the Doctrinal Sermon as moved at the last session, found on page 18, item 76, which reads, "W. S. Coggin made a motion that the Executive Committee consider eliminating the doctrinal sermon. W. J. Bradley made an amendment that this be taken up at the next session. The amendment carried," be adopted.
4. The Associational Meetings be held at two churches for the convenience of our constituency. These churches to be as widely separated as practicable. We believe that this procedure would insure a large attendance at each meeting of the session.
5. Each Pastor put forth special effort in the promotion of the Sunday School, Training Union and the Men's Brotherhood work in each of the churches.
6. The Moderator appoint a committee of three to revise and rewrite the constitution of the Association. This Committee to report their findings at the first days meeting of the association at their next session.
7. The churches which have not given to the Co-operative Program during the past associational year co-operate in this work this year.

Let us all strive to have all churches supporting the Co-operative Program and the Orphanage.

Respectfully Submitted,
MRS. T. S. CRUTCHFIELD.

MARGARET FUND REPORT

Our missionaries through 36 years have given us 373 children to train, educate, and keep for them while they represent us in the far corners of the world. We have been asked to secure an offering to be known as the "Margaret Fund", not to exceed three dollars from each society, so that three times a year each student may receive a $5 check for his or her personal use.

The Scholarship money is provided by the special prayer season offerings; so the Burney gift is the only Margaret Fund offering stressed during the year. Let us not forget to pray for our students, and give our means that our missionaries may know that we "Guard that which has been committed to us".

TRAINING SCHOOL REPORT

In thinking of our WMU work, there is nothing that thrills more than to know that through 33 years we have helped send 201 young women from our Training School into 18 countries and more into fields of service in the homeland.

How grateful we are for the fine girls from our own state there now, and how glad we are that each woman can have a share in this work. Our annual gift for current expenses is $1700, and scholarship loan funds $1200, given each year during July and August.

The need for trained leadership in our churches is ever increasing, and the cause of Mission calls for new workers. May we not forget to give and pray that this work may go forward and his Kingdom come in the hearts of men.

Respectfully Submitted,
MRS. W. J. BRADLEY, Chairman.

SUPERINTENDENTS REPORT

Another year with its unlimited opportunities and responsibilities has rapidly flown, and the record for Stanly WMU has been made. Can we say we have done our best? To those who have attained to the full significance of the years watchword, I Cor. 15:58, there has been joyful service. Indifference on the part of some has been the means of deprivation of blessings, both to the individual and the work!

Despite discouraging conditions, the work continues to go on in twenty churches. Fourteen remained unenlisted. The situation will not improve a great deal until pastors and people realize the need and are willing to faithfully carry out New Testament teaching relative to the matter of carrying the Gospel to the whole world.

A conference was held in the First church early in the year when plans were made for the New Year's work.

An Association wide school of missions was held at first church in May. Mrs. J. B. Boatwright of Mullins, S. C., and Miss Mary Currin, State Young People's Leader of Raleigh were with us and contributed largely to the success of the school.

The various phases of the work, including the Hundred Thousand Club, has been before our people, and the results due to the faithful efforts of many have been gratifying.

Our great needs are, information, consecration, and a Missionary leadership in the churches.

Grateful for past achievements but not satisfied with anything short of our best, may we launch into the New Year with firm resolutions and a consecrated willingness to ourselves unreservedly to the task of witnessing for Him. Statistical report: Letters 112, cards 145, societies visited 16, meetings held 4, miles traveled 472.

Respectfully Submitted,

CONSTITUTION OF THE STANLY BAPTIST ASSOCIATION

Article 1.—This body shall be known as the Stanly Baptist Association.

Article 2.—It shall be composed of white messengers, elected by the Churches connected with this body and ordained ministers who are members of or laboring in connection with said Churches. Each Church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional

fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3.—The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the Churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4.—The Association shall have no power to infringe upon the sovereignty or the rights of the Churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the Churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5.—The Association may dissolve connection with any Church that becomes unorthodox in doctrine or disorderly in practice, or fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reasons; or that treats with contempt its objects and requirements; or upon application of a Church for its dismission.

Article 6.—Each individual Church shall hold and exercise all the functions of an independent Church of Jesus Christ. As constituent members of the Association, the Churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the Churches, they shall have the right to dissolve their connection with this body.

Article 7.—It shall be the duty of the Churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8.—It shall be the duty of each Church to send an annual letter to the Association, giving: 1.—Locality; 2.—The names of its pastor and clerk, and their respective post offices; 3.—The Sabbaths of regular service; 4.—The Church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5.—Sabbath school statistics; 6.—Amount contributed to the benevolent objects, and the Association fund 7.—Names of the messengers and alternates; 8.—Any other information deemed of special importance.

Article 9.—The officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the

present annual session, and continue until the close of the next Annual Associational Session.

Article 10.—It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11.—It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12.—It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13.—It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14.—The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

STANDING RESOLUTIONS

RESOLVED: That this Association will not fellowship with any Church that knowingly retains a member that drinks intoxicating liquors as a beverage.

RESOLVED: That Article 9 of the Stanly Baptist Association be amended so as to permit the election of officers on the morning of the second day of the Association.

RESOLVED: That Article 9 of the Constitution be amended to read as follows: That the officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be nominated from the floor at each annual associational session.

PROCEEDINGS

The fifty-seventh annual session of the Stanly Baptist Association was called to order, Thursday, October 23rd, 1941, at 10:00 at Richfield Baptist Church by L. D. Munn, the moderator.

Gerald K. Ford led the Association in singing the hymn, "Send the Light." W. B. Holmes read Matthew 28:16-20 and called upon Wade H. James who lead the Association in prayer.

The Association authorized the Moderator to proceed with the matters of business, messengers present and those to come to constitute the Association in session.

The clerk read and the Association adopted, subject to any necessary changes, the report of the program committee.

By motion the moderator was given permission to proceed with the program which was running ten (10) minutes ahead of time.

L. D. Munn read the annual report of the Moderator and Executive Committee combined which was adopted to be printed in full in the proceedings.

REPORT OF THE MODERATOR AND THE EXECUTIVE COMMITTEE

The Executive Committee met eight times during the year with practically every member present for each meeting. Much prayer, thought and time were given to the promotion of the work in our Association.

1.—First, the Committee wishes to make this statement: That we regret sincerely the poor Minute service during the past year and will strive to promote better service in the future.

2.—Gerald K. Ford was elected clerk of the Executive Committee.

3.—Using the power invested in him at the 1940 annual session of the Association, the moderator appointed the members of the Executive Committee to act with him in rewriting the constitution. Since this constitution is not ready, the moderator asks that this matter be tabled for the time being.

4.—Mr. N. A. Hayes of Badin was elected by the Committee to serve as the representative for the Orphanage.

5.—Rev. W. J. Bradley was elected as Biblical Recorder reporter for the Association.

6.—R. F. Bass submitted his resignation as associational clerk to the committee, which was accepted, and Rev. G. L. Hocutt of Norwood, was elected clerk pro-tem.

7.—The Committee, at the request of the Association, investigating the status of the so-called Centerview Baptist Church near Palmer Stone Works, makes the following recommendation: That the Association reject this group's letter for admission to the Association on the following reasons:

(a).—There was no adopted articles of faith, Church covenant nor report of work as regards all phases of our Baptist program included with the letter requesting admission to the fellowship of the Association.

(b)—The organizing council did not consist of any of the active pastors of the Association.

(c).—No active group in any Church was consulted about the organization.

(d).—It is felt that at the present time there is no definite need for an established Church in this vicinity. However, it is felt that an Associational Mission Project may be carried on which may eventually grow into an active Church.

8.—The Committee made some effort, which was partially misunderstood, to have every Church come up with a full report this year. Nevertheless, we do hope that every Church has contributed to the Orphanage and through the Co-operative Program.

9.—The members of the Executive Committee have striven to the best of their ability to serve the Association, and we respectfully beg your prayers and help.

Respectfully submitted,
L. D. MUNN.

Mrs. N. A. Hayes read the report on the W. M. U. which was adopted after being spoken to by her, Mrs. R. Strider, T. S. Crutchfield, W. J. Bradley, J. E. Kirk, Mrs. J. E. Kirk and W. A. Hough.

W. M. U. REPORT

The reports of the various branches of W. M. U. activities at our annual meeting show decided gains especially in gifts and offerings. Our women and young people have truly caught and accepted the challenge in our watchword: "That thy way may be known upon earth; thy salvation among all nations." Psalm 67:2. How grateful we are to our Heavenly Father for our blessings and His leadership in prompting our gifts of $418.00 to date to the payment of our debts. Our 19 Woman's Missionary Societies and 43

Young Peoples organizations are interested in doing their bit to have a debtless denomination by 1945.

Respectfully submitted,
MRS. N. A. HAYES.

With the program proceeding twenty (20) minutes ahead of time the Association yielded time to C. C. Burris, president of Wingate Junior College, who brought greetings from Wingate and spoke on preserving our civilization and Christian heritage.

At the beginning of a period of miscellaneous business, all delegates and visiting members from the Churches were called upon to stand. J. C. Bennett, W. J. Bradley, T. S. Crutchfield, C. L. Devine, M. L. Dorton, E. F. Eagle, Thomas B. Flowe, Gerald K. Ford, W. B. Holmes, C. C. Honeycutt, J. E. Kirk, S. T. Morris, Coy Muckle, L. D. Munn, and G. L. Hocutt were recognized, pastors of the Association present. C. C. Burris, Wade H. James, J. W. Whitley, E. M. Brooks, J. A. Seymore were recognized as ministers, members of Churches in the Association and visitors. Dr. A. C. Reid of Wake Forest College was also recognized.

The treasurer's report not being ready was deferred until Friday.

The moderator appointed the following committees:

1.—Committee on Committees: W. J. Bradley, J. M. Pickler, Mrs. J. B. Copple.

2.—Time, Places, and Preacher: Ellis Burris, T. B. Mauney, W. B. Holmes.

3.—Resolutions: Coy Muckle, Mrs. M. A. Small, Mrs. J. B. Morris.

4.—Orphanage: T. S. Crutchfield, S. T. Morris, W. S. Coggin.

After leading the Association in singing, My Hope Is Built," and in prayer, Gerald K. Ford brought the annual sermon the subject, "The Christian Triad," using as his text 1 Thessalonians 1:3.

Dr. J. W. Whitley closed the morning session with prayer.

Lunch was served by the host Church.

THURSDAY AFTERNOON

The afternoon session was convened at 1:15 and sang, "When I Survey the Wondrous Cross." J. E. Kirk read Mark 6:45-52, John 11:17-29 and led the Association in prayer.

A digest of Church letters was presented by the clerk which was accepted by the Association.

George L. Hocutt after reading, spoke to the report on Sunday Schools. The report was adopted.

REPORT ON SUNDAY SCHOOLS

The Sunday School work among Baptist of the South reports steady gains: An average increase of 487 Sunday Schools, and 104,178 members for the last five years. In North Carolina, for a like period, there has been an average gain of 26 Sunday Schools and 8,944 enrollments. What is the picture when we look at the Sunday School work in our Association? In 1935 we had 33 Sunday Schools, one in every Church, with 6,367 enrolled. In 1940 we reported 34 Sunday Schools in 35 Churches with an enrollment of 5,554 —a gain of one school, but a loss of 813 in enrollment and 140 in average attendance.

May we give earnest prayer and greater consecration to the task of reaching our constituency for the study of the word of God in our Sunday Schools.

Respectfully submitted,
GEORGE L. HOCUTT.

W. A. Hough read the report on Christian Education. Dr. A. C. Reid, professor of Wake Forest College, spoke to this report which was adopted.

REPORT ON CHRISTIAN EDUCATION

Christian education embraces, along with proper instruction and training, the idea of the spiritual element in personality development. In other words, personality linked up with materialism produces industrial power, personality linked up with God gives us spiritual power. Therefore my idea of Christian education is not only the growth and development of the physical and social, but the mental and spiritual elements as well.

One writer has said, "Life is for growth." The Christian school assumes a joint responsibility with the home, to see to it that our boys and girls grow in the grace and knowledge of Christ, our Redeemer and Friend. Therefore, if we are to meet the demands of Christ upon us in this or any other generation, we must see to it that: First, our children are taught the meaning of Christianity

around the hearth stone; and second, re-inforce these fundamental principles by sending them to a college where God-fearing teachers lead them out into a larger and nobler life, with Christ at the center.

Respectfully submitted,
W. A. HOUGH.

The report on Ministerial Relief and the Minister's Retirement Plan was read by W. J. Bradley who along with Dr. J. W. Whitley and J. E. Kirk discussed the report even through the time extended by the Association. The report was adopted.

REPORT ON MINISTERIAL RELIEF AND MINISTER'S RETIREMENT PLAN

The Relief and Annuity Board of the Southern Baptist Convention continues to supply, in so far as it is able, relief to aged ministers and their wives in North Carolina. There are now around 50 men and 65 women in North Carolina being aided by the relief funds, the amount ranging from $9.00 to $30.00 per quarter.

The Minister's Retirement Plan is definitely established. This plan meets and solves some of our most acute needs. Since its inauguration a large number of pastors and Churches have adopted the plan.

Practically all states of the Southern Baptist Convention have adopted the Minister's Retirement Plan. A minister may go from one state to another now without fear of losing his protection under the annuity plan. Whether large or small the support of every Church is needed. The Minister's Retirement Plan protects Church and pastor alike. Both need it. If a pastor regards the welfare of his brethren as well as his own he should adopt the plan. A pastor working as a self-centered unit cannot solve our denominational needs or problems. The Retirement Plan seeks to give protection by uniting, for in no other way can the individual pastor secure an annuity at such a reasonable rate.

The plan is fair and just to all. The pastor pays 4% of his salary, the Church pays 4% of the salary they pay their pastor and the denomination pays $18.00.

Those pastors and Churches that have not adopted the plan are urged to do so.

Respectfully submitted,
W. J. BRADLEY.

Mrs. M. A. Small read the report on the Baptist Hospital which was adopted.

REPORT ON BAPTIST HOSPITAL

Our Baptist Hospital at Winston-Salem is just now completing additions to its plant that increases its capacity from 108 to

300 beds. This will enable the treatment of 10,000 patients per year, 3,300 of whom will be service patients; 3,300 will be mothers who have waiting for their return home, 10,000 children. Probably 200 will be preachers.

The hospital has a staff of 100 doctors, all specialists in the many fields of medicine and surgery. It runs a well-equipped standard Training School for Nurses; a class of about 50 will be taken each year. Stanly Association is represented by Ethelene Small, a senior in the present student body.

The Bowman Gray School of Medicine, adjoining the hospital, opened the first of September, this year.

The spiritual side of the hospital's service is stressed always. A full-time pastor, Rev. Chas. E. Parker, is supplied by Mr. C. M. Scott of High Point.

Respectfully submitted,
MRS. M. A. SMALL.

Since no one from the hospital was present to speak on this report, the Association asked that twenty (20) minutes be allotted to Dr. Hagaman on Friday should he come. Should he not come, W. B. Holmes was named to use the allotted time.

The report of committee on Time, Place and Preacher was adopted. See Associational Directory.

The committee on Orphanage recommended that each pastor and his Church or Churches handle for themselves their collection for the Orphanage to be delivered not later than Nov. 18th. This recommendation was rejected and the time and authority of the committee was extended to name on Friday an Orphanage representative.

Upon motion Thursday's session adjourned at 3:40.

FRIDAY MORNING

The Association opened its second day's session Friday, at 9:50 by singing, "Come, Thou Almighty King." Dr. J. W. Whitley read Palm 1 and lead the opening prayer.

9:55, the time for the election of officers. Motion made and seconded to re-elect the present Moderator. This motion was unfavorably received, so was withdrawn. L. D. Munn and S. T. Morris were nominated. L. D. Munn was elected. The other officers elected were W. B. Holmes, vice-moderator; G. L. Hocutt, clerk; U. S. Burleyson, treasurer; Miss Nora Page Eddins, historian.

The B. T. U. report was read by the clerk in the absence of the committee, Mrs. M. L. Dorton. M. L. Dorton and Miss Margie Williams spoke to this report and it was adopted.

B. T. U. REPORT

Only about one-third of the Churches in our Association have Training Unions. We regret there are not more, but we have made some progress during the past year.

Our goal for next year should be to have at least one-half of our Unions A-1. We recommend and urge that the Training Unions put into practice those things that we are training for and learning to do.

We are happy over the progress we have made, and since the Training Union is the only organization that our Churches have that seek to train and develop its membership, may we continue to work together to the end that we enlist all our Baptist in this great educational program.

Respectfully submitted,
MRS. M. L. DORTON.

C. L. Pickler and John Blalock were recognized as pastors in the Association.

Coy Muckle, the committee to report on State Missions, not having arrived, the Association gave the moderator leave to proceed to the next item of the program.

The report on Home Mission was read by C. L. Pickler. He spoke to this report which was adopted.

REPORT ON HOME MISSIONS

The Home Mission Board now has 391 missionaries working in 915 mission stations with 71 new stations opened and 14 new pieces of property acquired this year. There have been 725,505 tracts and 4,443 Bibles and Testaments distributed. Over 70,000 people have been visited in behalf of their soul's salvation apart from the appeal made in the 31,403 sermons preached. With these efforts 5,375 people have made professions of faith.

During the year the board has been able to pay on the principal of its debt $181,130.41 which is a marked increase over the year before. Total receipts from all sources for the year are $560,169.09.

May the Churches of the Stanly Association support our Home Mission Board in its glorious work.

Respectfully submitted,
C. L. PICKLER.

The report on Foreign Missions was presented by T. S. Crutchfield. He spoke briefly on the subject and his report was adopted.

REPORT ON FOREIGN MISSIONS

The writer of this report is profoundly grateful for the privilege of joining with others in helping to have the gospel preached unto the utmost part of the earth. It warms a Christian's heart to read the account which our missionaries give of these benighted ones becoming our brothers and sisters in Christ. Jesus makes obedience to His commands a test of our love for Him and He specifically commands us to go into all the world and preach the gospel to every creature; and the more obedient we are to his command the happier we are. "If ye know these things, happy are ye if ye do them".

We commend obedience to Christ's commands to every member of every Church in our Association.

Humbly submitted,
T. S. CRUTCHFIELD.

A motion giving the clerk authority to secure the report on State Missions and include in the Associational Minutes was rejected.

Time for the morning address came. Our moderator called upon M. A. Huggins, State secretary, who introduced to the Association, D. E. Hill of Portsmouth, Va. Mr. Hill is a native North Carolinian traveling with Mr. Huggins.

Coy Muckle having arrived presented his report on State Missions which was adopted.

REPORT ON STATE MISSIONS

Three phases of mission work through the state board should have extra attention in North Carolina.

The first one is that of our Negro problem. There are 250,000 Negroes in North Carolina who are inclined toward Baptist Churches. Serious inroads by Catholics and others are being made on these naturally Baptist inclined colored people. The great forward move of the Negro during the past eight years makes it imperative that liberty loving Baptists do not let them be captured by Ecclesiasticism.

The second definite work that we ought to do is that of extra evangelism in our industrial centers. Wildcat schemes and spurious doctrines abound in mill centers and our Baptists ought to have a big interest in that.

The third thing is that special interest ought to be given

the matter of our Sunday Schools. Juvenile delinquency amounts to nothing in families where the children go to Sunday School. There are 800,000 prospects in North Carolina to be added to our Sunday Schools, therefore, we ought to double our Sunday School forces in North Carolina.

Respectfully submitted,
COY MUCKLE.

Mr. Huggins addressed the Association following these reports on State, Home and Foreign Missions. He referred to the work of both Home and Foreign Missions but confined his message largely to missions in the state. He reported a 15 per cent increase in contributions, then asked that we double our contributions to state missions this year.

D. E. Hill led the closing prayer of the morning session.

FRIDAY AFTERNOON

The closing session of the Association opened by singing "Wonderful Words of Life." C. C. Honeycuttt led in prayer.

The report on Christian literature was presented by S. T. Morris. He spoke to the report and it was adopted.

CHRISTIAN LITERATURE

The kind of literature a person reads will usually show up in his character. One evil most commonly found in many homes today is cheap literature. Many times it is down right immoral. Such reading matter we permit to be sold to our children and young people. Periodicals which are uplifting, that feed both the mind and the soul, are seldom read. We should do all within our power to encourage the reading of the better class of literature, and see to it that the best reading matter is placed in our homes.

"The Biblical Recorder," "Charity and Children," "Royal Service," and other publications of the Sunday School Board and W. M. U. Department will be helpful and should be in every Baptist home.

Respectfully submitted,
S. T. MORRIS

Ellis Burris presented a report on temperance and introduced to the Association V. H. Harrell of the United Dry Forces of North Carolina who spoke to his report. This report was adopted.

REPORT ON TEMPERANCE

"Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is not wise." (Prov. 20:1.)

We regret to acknowledge that for the last few years the cause of Temperance has lost very much in N. C. and in the nation because of the repeal of the 18th amendment. There are liquor stores in 26 counties in N. C., and 31 beer stands in Stanly County.

We recommend that we cooperate with the dry forces of N. C., and the nation in their fight for sobriety.

Respectfully submitted,
ELLIS BURRIS

At this juncture an offering to the amount of $5.79 was contributed by the Association to the work of the United Dry Forces of North Carolina.

The clerk read the report on the Orphanage. H. G. Early in speaking to this report pictured the farming and poultry raising activities of the Orphanage. This report was adopted.

REPORT ON THE BAPTIST ORPHANAGE
OF NORTH CAROLINA

In spite of the fact that the government has entered the field of child welfare in a large way there are still many more calls for service to the bereaved children of North Carolina than our Baptist Orphanage can meet. These children need to be provided for unless they are to go through life with dwarfed and stunted physical, mental, and spiritual natures.

Our North Carolina Orphanage has consistently refused to attempt to stimulate high-pressure gifts by means of special appeals since such an enterprise cannot be carried on without a regular and more or less consistent income. It is our Baptist Orphanage and it therefore becomes our responsibility to see that this regular and consistent income is provided. We recommend that every church in this association appoint an Orphanage representative whose responsibility it shall be to see that the appeal of these dependent children is kept before the local group and emphasize the need for having a worthy once-a-month offering for this work and that our Thanksgiving offering is suitably presented and everyone in the group is given an opportunity to have a worthy part in it.

Respectfully submitted,
NELSON A. HAYES.

In the absence of Miss Nora Eddins, Historian, the clerk was authorized to secure, along with the moderator to edit, and to insert her report in the minutes.

4. Report of Resolution Committee read, amended and adopted

The committee on resolutions beg to make the following report:

We wish to express the thanks of the Association to the Richfield Baptist Church for the splendid entertainment which we

have received during the session. We desire to make special mention of their willingness to meet an emergency and allow the Association to meet here again for the second day. We would like to express our appreciation for the splendid work of the officers of the Association for the past year and believe that, special mention ought to be made of the services of the clerk, who has efficiently done the work of the Association on short notice.

We wish to express the appreciation of the Association for the fine work of Rev. and Mrs. M. L. Dorton who have been in the Association for fourteen years, and who are soon going to another field. Mr. Dorton, as Moderator for several terms, and as Associational Superintendent for Sunday School work, has done outstanding service in the Association and we wish for this fine couple every blessing in their new work.

The committee makes the following recommendations:

(1) That the Association pay the clerk $25.00 for his services plus an allowance for expenses, such allowance not to exceed $15.00.

(2) We recommend the method for expending the funds of the Association be changed so that the treasurer shall pay out funds only on the order of the Executive Committee.

(3) We recommend that the churches close the associational year with the last Sunday in September, and that all Associational letters be finished and mailed to the clerk during the 1st week in October.

(4) We recommend that the executive committe take under consideration the advisability of fostering in the Spring an Associational-wide Sunday School enlargement program.

(5) We recommend that the Association go on record as being opposed to the operation of movies on Sunday, and the sale of any intoxicating liquors.

Respectfully submitted,
MRS. M. A. SMALL
MRS. J. B. MORRIS

REV. M. L. DORTON

Rev. M. L. Dorton, who was called by our Lord to lay down his work on February 8th, 1942, and go on home—our heavenly home—was for fourteen years a pastor in our Association. Twelve of these years were spent at West Albemarle Baptist Church, where he did a very fine piece of pastoral work. Under his wise leadership the church debt was reduced from $37,000 to $12,000. He was Moderator of our Association for five years. He was also Pastor-Adviser of our B. T. U. work for a number of years. He was always ready to do his part in any general associational work.

In order that his memory may live with us through the coming years, we are inserting his cut and this bit of information in regard to his work among us.

By Order of the Executive Committee.

CONSTITUTION

Of The Stanly Baptist Association

Article 1.—This body shall be known as the Stanly Baptist Association.

Article 2.—It shall be composed of white messengers, elected by the Churches connected with this body and ordained ministers who are members of or laboring in connection with said Churches. Each Church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3.—The object shall be to devise and reccommend measures for increasing the harmony, the intelligence, and the spiritual power of the Churches, and for developing and directing their energies, their resources and their gifts and advancing the redeemer's Kingdom in the earth.

Article 4.—The Association shall have no power to infringe upon the sovereignty or the rights of the Churches. It is neither an ecclesiastical legislature nor council, nor court of appeal. It may advise the Churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5.—The Association may dissolve connection with any Church that becomes unorthodox in doctrine or disorderly in practice, or fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reasons; or that treats with contempt its objects and requirements; or upon application of a Church for its dismission.

Article 6.—Each individual Church shall hold and exercise all the functions of an independent Church of Jesus Christ. As constituent members of the Association, the Churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the Churches, they shall have the right to dissolve their connection with this body.

Article 7.—It shall be the duty of the Churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8.—It shall be the duty of each Church to send an annual letter to the Association, giving: 1.—Locality; 2.—The names of its pastor and clerk, and their respective post offices; 3.—The Sabbaths of regular service; 4.—The Church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5.—Sabbath school statistics; 6.—Amount contributed to the benevolent objects, and the Association fund; 7.—Names of the messengers and alternates; 8.—Any other information deemed of special importance.

Article 9.—The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10.—It shall be the duty of the Moderator to open the meeting punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11.—It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12.—It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13.—It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14.—The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

STANDING RESOLUTIONS

RESOLVED: That this Association will not fellowship with any Church that knowingly retains a member that drinks intoxicating liquors as a beverage.

RESOLVED: That Article 9 of the Stanly Baptist Association be amended so as to permit the election of officers on the morning of the second day of the Association.

RESOLVED: That Article 9 of the Constitution be amended to read as follows: That the officers of the Association shall be a Moderator, a Vice-Moderator, Historian, Clerk and Treasurer, who shall be nominated from the floor at each annual associational session.

PROCEEDINGS

The fifty-eighth annual session of the Stanly Baptist Association, Meeting with the Union Grove Baptist Church, Friday, October 23rd, 1942, was called to order at 9:45 by L. D. Munn, the moderator.

The clerk read the report of the Moderator and Executive Committee which was adopted.

Report of the Moderator and Executive Committee

Owing to the fact that Bro. G. K. Ford, acting-clerk of the Executive Committee, left to become a chaplain in the army, without leaving his minutes at our disposal, my report is without any exact dates and may not be complete.

We set the time of our meeting on the same morning as the Pastors' Conference in order to be conservative with war materials as possible, meeting at 9:30 Monday morning following the first Sunday in each month. We met at least seven times during the year.

Besides acting in a general capacity in the supervision of the work of the Association, The Committee acted upon three important items of business:

(1). Rev. G. K. Ford was elected as Assoc. S. S. Supt., and Rev. G. R. Hinton as Asso. Supt.

(2). Under the war circumstances of this year, the Committee felt that it would be wise to hold only a one day session of the Association, to meet at Union Grove Baptist Church on Friday, Oct. 23.

(3). The Committee appointed Rev. J. W. Whitley as special representative to determine the correct status of the newly-organized church near Palmer's Sone Works, known as Centerview Baptist Church. After thorough investigation and help, and with the proper credentials in hand, the Committee voted to recommend to the Association that Centerview be received at this session into the Association. And with that statement, we do so recommend.

Respectfully submitted,

L. D. Munn

In accepting the report of the Executive Committee the Association officially received Centerview Baptist Church into its fellowship. L. D. Munn, moderator, in behalf of the Association, extended the right hand of associational fellowship to its pastor and messengers Rev. Lee Johnson, Walter Spivy, G. F. Williams, and Miss Clara Tucker.

10:15—

Mrs. George L. Hocutt read the report of the Women's Missionary Union which was adopted.

Report on Woman's Missionary Union

The Baptist women of the Stanly Association are carrying on as a part of the greatest organization in the world. God grant that we shall continue to carry on.

We are glad to report again this year, in the face of so many important demands on our time and money, that we have gained especially in gifts and made some gains in organization.

Through the past year our theme has been "Thy will be done on earth." May "Thy Light and Thy Truth" which cometh from Jesus "The Light of the World" ignite the missionary spirit among

our women to pray and to give to Kingdom building.

Respectfully submitted

Mrs. George L. Hocutt

10:25—

W. B. Holmes asked the clerk to read the report on Temperance to which he spoke revealing two things: 1st. Indifference on the part of people generally to the liquor problem; 2nd. Wine and beer have no restrictions while dairies have to make deliveries every other day. This report was adopted.

Temperance Report

"Who hath woe, who hath sorrows, who hath contentions, who hath babbling, who hath wounds without cause, who hath redness of eyes; they that tarry long at the wine; they that go to seek mixed wine. Look not thou upon the wine when it is red, when it giveth its color to the cup, when it moveth itself aright. At the last it biteth like a serpent and stingeth like an adder." Proverbs 23: 29-32.

"Woe to him that giveth his neighbor drink." When a person votes to establish liquor stores, making it easier to buy liquor, is he not giving his neighbor drink? "Woe to him that buildeth a town with blood." Habakkuk 2: 12. When citizens acting in the name of their country, engage in selling liquor to their fellow-man, with the hope of profits to pay public expenses and reduce taxes, are they not supporting their government with blood, and trying to reduce their taxes by iniquity?

Humbly submitted,

W. B. Holmes

10:30—

C. C. Honeycutt read his report on the Orphanage. Dr. John Arch McMillan, Editor of Charity and Children, brought a fine message revealing how the Orphanage inducts and dismisses children and something of the treatment they receive while there. Report accepted.

Orphanage Report

The children of North Carolina are important. They are our first responsibility and must not be forgotten nor neglected by citizens distracted by war demands.

The Orphanage is doing a fine work with the children. During the year 1941 five hundred and fifty-four children were cared for in Mills and Kennedy homes and seventy-seven in twenty-three homes were helped by the Mother's Aid Fund. During this same period there were five hundred and eighty-three applications for admittance. Only eighty of these were received because of lack of room.

Let Stanly Baptist strengthen the Orphanage work by giving liberally this Thanksgiving season.

W. J. Bradley voiced the feeling that the Association was not voting enthusiastically on matters of interest and urged the messengers to exercise this privilege.

Committees were called to meet during the noon hour.

An announcement that the Kennedy Home High School Chorus would begin its Radio Hour over station WPTF, Raleigh, 1:15 Sunday, November 1, 1942, was made by the Moderator.

The Association asked the clerk to send an appropriate message to E. M. Brooks of New London who was unable to attend the 1942 session. This the clerk did.

11:20—

Time having arrived J. W. Whitley read the Hospital report for Lee Johnson. Dr. John A. McMillan discussed this report which was adopted.

Baptist Hospital Report

We have a modernly constructed and equipped hospital with a bed capacity of almost 10,000 patients annually.

We shall have this year not less than 2,500 service or free pa-

tients, representing about $250,000 for free service.

The hospital has a staff of 26 internes and about 100 doctors practicing in the hospital. In addition, it has the free service of the entire staff of the Medical School whenever desired for consultation and diagnosis.

The equipment of the hospital is entirely modern. The hospital recently added $20,000 worth of new instruments to the operating rooms and $44,000 worth of new X-Ray equipment.

The hospital, in conjunction with the Medical School, has a floor-space of four acres and represents a value to the denomination of $2,000,000 with only a very small amount of indebtedness.

The purpose of the hospital shall remain as ever—to give hospital treatment to those who are unable to pay for same, educate nurses with Christian ideals, and at the same time, maintain a standard of scientific efficiency "second to none in the country." It is the abiding purpose of the management that it shall be definitely a Christian Institution with all that it implies.

This greatly expanded service which is growing more and more into every section of the state, of course, requires an increased support. This, we are glad to report, is growing year by year.

Respectfully submitted,

Lee Johnson

11:40—

C. C. Burris, president of Wingate Junior College was given fifteen minutes. He brought greetings from Wingate and pleaded for a larger support of Christian Education.

11:55—

The Association sang "On Jordan's Stormy Banks." W. J. Bradley read for his scripture lesson John 12:20-36 and brought the annual Associational sermon on the theme "Let the Church be the Church," holding up the great Christian doctrines, and bearing a flaming witness for a living, victorious God.

12:30—

L. D. Munn led the closing prayer to the morning session an dat the same time rendered thanks for the noonday meal, a bountiful dinner, served by the host church.

AFTERNOON SESSION

The afternoon session beginning at 1:45 sang "I Need Thee Every Hour" with Crawford Poplin leading. W. H. Furgerson led a fervent prayer for God to lead his people.

1:55—

Rev. J. B. Willis of Hamlet spoke to the Association on our Baptist colleges making special reference to the the enrolling of girls in the Junior and Senior classes of Wake Forest.

2:20—

A digest of Church letters was presented by G. L. Hocutt which the Association accepted.

2:30—

T. B. Mauney presented the report on Christian Education which was adopted.

Christian Education Report

In discussing Christian Education, we more often think of it as pertaining to college training. At the present time, however, we should think more seriously of Christian Education as it pertains to our younger children. Christian Education must begin in the home—"Train up a child in the way he should go, and when he is old, he will not depart from it" (Prov. 22:6) is just as true today as in the days of Solomon.

The training of children in the home is sorely neglected, although it is universally recognized that the early training that a child gets is the most effective. If a child is properly taught the fundamentals of Christianity in the home, and, if he is led to accept Christ as his personal Savior while under the influence and supervision of his parents, who point him to the Christ, both by precept and example; this early training will remain with him as a pillar of cloud by day and a pillar of fire by night, to guide and direct him into whatever avocation he may pursue.

So during this period of world strife let us not neglect the teaching of Christian Education in the home in order that the character of the men and women of tomorrow might be properly influenced.

Respectfully submitted,

T. Burt Mauney

2:35—

T. S. Crutchfield presented the following report on Christian Literature which was adopted.

Christian Literature Report

In Isaiah's day the Lord spoke through that great prophet and said, "Israel doth not know, my people doth not consider." The same is true of many of our Baptist people in this day. And much of that which we greatly need to know and to which we need to give careful consideration is well presented in our denominational periodic literature.

Fortunate and blessed are all Baptist who regularly read these publications. We especially commend to North Carolina Baptist the following: Biblical Recorder, Charity and Children, The Commission, and Southern Baptist Home Missions. All four of these may be had for the sum of three dollars and seventy-five cents.

Respectfully submitted,

T. S. Crutchfield

2:38—

The following report on Sunday Schools was presented by J. A. Hopkins and adopted by the Association.

Sunday School Report

Jesus, the world's greatest teacher, placed teaching the Bible next to preaching the Gospel. He said, "Go ye into all the world and preach the gospel to every creature, teaching them to observe all things whatsoever I have commanded you."

It is in obedience to this command that the churches maintain their Sunday Schools. Out of them have come many of the rich and purifying things that have gone into the fabric of human society. They have counteracted a flood of evil influence, which have threatened to engulf all vestiges of Christianity. Yet we are very slow about the Master's work; for here in America only one out of every four attend Sunday School.

For best results our Sunday Schools should be departmentized; the best leaders available used for the children; and grade them carefully.

Last year we had a loss in membership of 16,160 for the state and 196 for the county.

Let us go forward with the Master's work. Let us have weekly Teacher's Meetings or Monthly Worker's Conferences, and another Enlargement Campaign, such as we had in the county in 1934.

Respectfully submitted,

J. A. Hopkins

2:40—

The clerk read Miss Margie Williams' report on the Baptist Training Union which was adopted.

Baptist Training Union Report

If our boys and girls do not receive the right kind of training, the churches will soon be deprived of the right kind of leadership and fail in carrying out Christ's commands as Baptists understand them.

Religious education has been almost entirely eliminated from schools and homes. Therefore the responsibility falls largely upon the churches with their training unions.

It is a great day in the life of any church when they come together in a great, united program of training its boys and girls for Christ's work.

May the pastors and churches of Stanly Association accept the challenge, encourage their people and lead them forth in a great Training Union conquest.

Respectfully submitted,

Miss Margie Williams

2:45—

C. R. Hinton spoke on these last two reports, Sunday School and Training Union, urging the churches and all Christians to be militant in reaching people for the Sunday School and Training Union.

3:00—

Ministers' Retirement and Missions came to the attention of the Association. J. E. Kirk, the committee to report on Minister's Relief and Retirement, was not present and sent no report. Mrs. D. B. McCurdy Read the Foreign Mission report.

Foreign Mission Report

When one tries to sum up in a few words or figures the work that has been done on the foreign fields, that person is overwhelmed with inadequacy. While the work seems to be disrupted, there are yet many missionaries on foreign soil, striving to promote His cause wherever they may be. They solicit our prayers and need our support. All those who have been recalled from their work, hope some day to go back to their fields of service. We must prepare for the future by contributing to the mission cause. We need to "lengthen our cords and strengthen our stakes."

Le us be light and send the light. Jesus said, "I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life."

Jesus specifically commands us to go into the world and preach the gospel to every creature. Let us obey His commands as well as expect His promise to be fulfilled.

Respectfully submitted,

Mrs. D. B. McCurdy

Mrs. R. Strider read the State Mission Report.

State Mission Report

Baptists in North Carolina and Stanly County need to inform themselves concerning the present State Mission program, and the need State Missions hopes to meet during the next five years. "Where there is no vision the people perish." Prov. 29: 18.

Ours is far from being a Christian state, and until she does become Christian in reality, there remains much to be done.

The following phases of mission work deserves special attention and ample support from every Baptist in our Association: 1. Missions around camps and defense plants. 2. Associational missions—twenty associations need misionaries. 3. Rehabilitation for paroled and discharged prisoners; Contact needs to be made between discharged prisoners and the churches of the communities where they undertake to make a new start. 4. Temperance Education and prohibition. Representatives are needed to go into our seven-hundred high schools to instruct the next generation, and organize sentiment for the destruction of liquor.

Respectfully submitted,

Mrs. R. Strider

C. L. Devine read the report on Home Missions.

Home Missions Report

During the past year we have added 31 missionaries to our force, opened 64 mission stations, constituted 13 new churches; our missionaries distributed 17,258 Bibles, Testaments and portions of the scripture; gave out 785,000 tracts; preached 35,000 sermons; led 7,000 people to accept Christ; and received into the fellowship of the churches 2,863 members.

We are today preaching the gospel to the Indians, Mexicans, Spanish, Jews, Italians, French, Cubans, Chinese.

We are also paying our debts. Last year the Home Mission Board paid $335,000 on the principal of its debt and at the end of the year the obligations, amounting to $495,000, were refinanced on a 2½% interest basis, open bank notes being the only security given. At the present rate of debt payments and on the basis of receipts for the last year the Board expects to be fully out of debt before the end of the calendar year 1943.

Respectfully submitted,

Carl L. Devine

3:10—

Rev. D. M. Branch, representing the State Mission Board asked the Association to sing "Saviour, Like a Shepherd Lead Us". He then spoke briefly on Foreign and Home Missions before turning his attention to missions within the state. He mentioned associational evangelism, called for larger efforts in the vicinity of our army camps and defense areas, and said we need: 1st. Co-operation; 2nd. A new consecration to God; 3rd. Increased and renewed devotion to the Kingdom of God; 4th. Faith which will make us see God upon his throne leading his program to consummation.

All the reports on missions were adopted.

The Historian's report was not ready and was not presented to the Association but said body instructed the clerk to insert it. It follows:

HISTORY OF UNION GROVE BAPTIST CHURCH

Union Grove Baptist Church was organized under a brush arbor in 1885. Services were conducted in Center Grove school house until a church was built in 1886. It was remodeled in 1914 while J. C. Black was pastor.

The following were charter members, viz., David S. Morton, John D. Hudson, Bedie C. Holt, Elizabeth Lowder, Sina Bryant, Mary J. Holt, Martin L. Kimery, Judie Hudson, Rutha Rummage, W. S. Kimery, Julia Kimery. The last name of the list is the only charter member living.

The first pastor, W. G. Morton was called in January 1836. The following pastors succeeded him: Oscar Haywood, L. A. Whitlock, G. A. Honeycutt (served at two different times), J. W. Griffin,

J. W. Suttle, J. A. McKaughan, D. S. Morton, E. M. Brooks, J. S. Harris, C. J. Black, B. J. Whitley (served twice), W. J. Russell, Q. C. Davis, G. W. Stanly, D. P. Morris (supplied three months), H. W. Stallings, M. L. Ross, H. G. Linner (supplied for a few months), W. S. Caudle. The present pastor, Thomas B. Flowe was called in February 1938.

The present brick building was constructed in 1941. Six new members were added this year, five by baptism, and one by letter. The present membership is 182. The church has preaching services twice per month, and a Sunday School with an average attendance of 106 members last year.

The church has done a good work in uplifting and christianizing the community. May she continue to sow the seed of the Gospel for future generations to reap an abundant harvest.

W. M. U. Proceedings

New London Baptist Church

October 2, 1942

Theme: "Lighted That We May Lighten."

Presiding officer: Mrs. George L. Hocutt, Superintendent.

Five pastors, four visitors, and seventy-nine members representing thirteen of the eighteen societies in the Stanly Associational W. M. U. registered at the door.

The call to order was followed by the hymn, "The Light of the World is Jesus" and the watchword, "O Send out Thy Light and Thy Truth." Mrs. T. S. Crutchfield read the 43rd Psalm. G. L. Hocutt led in prayer. "Take My Life and Let It Be" concluded the devotional. Mrs. J. M. Mauney extended a cordial welcome to which Mrs. W. H. Lowder of Albemarle responded.

Recognition of visitors was followed by a brief report on W. M. U. work in the First Church, Albemarle, by Mrs. D. B. McGurdy.

The superintendent gave her report as follows:

Superintendent's Report

Another year has gone by under the leadership of a new superintendent. New adjustments had to be made and new situations surmounted. Yet, I feel that the work has continued in a fine way. The co-operation of all churches has been splendid. That I can only praise. However, there is much work to be done.. Many churches are yet to be won to missionary endeavor. We now have societies in eighteen churches.

An Executive Committee meeting was held in the home of the superintendent in November to launch a program for the year. A conference was held in the First Church, Albemarle, early in the year to acquaint the churches with this program. The superintendent attended the conference for the associational leaders of the Charlotte division held in the First Church, Charlotte. I have tried faithfully to keep informed in all phases of the work and relay such information to the societies. I have reported on time to the Raleigh office from my societies each quarter. I have written 161 letters, 181 cards, visited 16 societies, held 3 meetings, and traveled 770 miles. The sum total of all gifts is $5,446.87.

I am grateful for all achievements during the year; yet I wonder if we have given our best to the Master. May we pledge anew all that we have to make the coming year a better year in the name of Jesus Christ.

Mrs. W. J. Bradley presented The Margaret Fund, Training School and Burney Gift in her report.

Margaret Fund and Training School

The aims and purposes of the Margaret Fund are to express love and appreciation to our missionaries and to help lighten their burdens. The program provides a $250.00 scholarship to sons and daughters of home and foreign missionaries. In 1916, eight students received scholarships; in 1941, there were 108, enrolled in 50 different colleges. In these 26 years, 433 students have been assisted through scholarships amounting to $384,625.

Beginning in 1937, $6,000 of this is allocated yearly from the Annie Armstrong offering and $16,000 from the Lottie Moon offering. Other awards are the Elizabeth Lowndes scholarship of $200 to a senior student of high scholastic rating and general excellence. For this scholarship $7,000 has been invested with only the interest used. The Margaret Fund is an emergency fund begun in 1939. The Burney fund provides for personal checks to the individual students at regular, specified times.

We look with pride to our Training School where 2,275 students have graduated in 35 years. North Carolina's annual gift for the scholarship loan fund is $1200 and during July and August each year $1,700 is given to the school for current expenses.

Let us continue to pray and give that this work may expand.

Mrs. John Bivens of Wingate, Young People's Leader of the Charlotte division was presented.

Mrs. N. A. Hayes presented the young people's report.

Young People's Report

Never in the history of our country has there been such a demand for trained leadership. From every military post comes the call to sustain the morale of our men in arms as well as of our civilian population. How proud we are, and how confident we are of their ability to stand and withstand—the boys whom we have trained to be true soldiers in life. Our carelessness in so-doing rises up to shame us now as never before when we observe their apparent turning from God. May we rise up while it is yet day and send forth the true light into the lives of our young people that they may share in lightening the darkness of the world.

REV. E. M. BROOKS

Rev. Edgar Maecellus Brooks was born February 5, 1861, in Stanly county near Norwood. He lived there until he was twelve years old. His father then moved to Union county near Rocky River Baptist Church. He lived here and later on at Crooked Creek for twenty years. During this time, his parents died, he was converted, joined the Rocky River Baptist Church and immediately entered into the work of the Church in a very active way. Pretty soon he was elected superintendent of the Sunday School and served for eight years. On the first Sunday in June, 1895, he was licensed to preach and preached his first sermon two weeks later in his home church. His subject was, "Believing and Doing". He availed himself of every opportunity to preach in the community. He preached for one year in an empty store building in Burnsville where there was an afternoon Sunday School being held.

In September, 1897, he was called to the pastorate of Pleasant Hill Baptist Church in Union county and served this church for four years. While pastor here, he baptized Hamp G. Bryant who later entered the ministry and has been and is a faithful and successful pastor.

He was next called to Cottonville in Stanly county and served them for two years. Later in his ministry, he was called to this church and again served them for three years.

In 1899, he was called to Union Grove and served them for seven years. It was here that he met the young lady who was to be his life's companion, Miss Emma Eugenia Morton, daughter of Rev. David S. Morton. To this marriage were born six children.

Mrs. Morton survives him.

The other churches which he served as pastor and, often he served two or more at the same time, are: Barbee's Grove, 3 yrs.; Philadelphia, 7 yrs.; Chaney Hill, 3 yrs.; Gold Hill, 1 yr.; Cottonville, 4 yrs.; Norwood, 6 yrs.; Anderson's Grove, 1 yr.; New London, 7 yrs.; Brown Creek, Anson county, 2 yrs.; Big Lick, 1 yr.; Palmerville Field, 2 yrs. (This field included Palmerville and Ebenezer which is now Badin.

He was then called to Lumber Bridge and Elizabethtown in Bladen county and served these two churches more than three years. He was thn called to Person Street Baptist Church in Fayetteville, N. C., November, 1922. While serving here, he was called to serve Boardman, Pleasant Grove, Williamson's Cross Roads and Lebanon.

In October, 1925, he moved to Albemarle, N. C., without any church work in view. Almost immediately, he was asked by the deacons of the First Baptist Church to supply for them until Bro. F. A. Bower whom they had called as pastor could come. Following this supply work, he was called to Stanfield and Richfield in Stanly county. A little later, he served Summerville in Davidson county. In 1926, he was called to his old home church, Rocky River, where he was baptized, licensed to preach, and preached his first sermon. While serving here, he supplied Oakboro for a short time. He was then called to Peachland where he served for twelve years and where he finished his forty-five years as an active pastor. "And their works do follow them," (Rev. 14:13) can be fully applied of Bro. Brooks. The work he did for our Lord will live on and on in Stanly county and the other counties where he labored as pastor.

Bro. Brooks had, so far as schools go, no education. He was taught to read by his sister. He had an eager mind to learn and read every good book he could get hold of through the years and was one of the best informed pastors in his active days. He was also a good preacher, a splendid pastor, and a great friend to young preachers, always ready to help them in any way he could. Many hundreds of boys and girls, men and women were won to Christ by him and baptized into the fellowship of the churches which he served as pastor. While these live, they will carry on and then pass on to other younger saints of Christ to carry on for our Lord.

On March 25, 1943, Jesus told him to lay down his tools of labor and come on home to his mansion above which was ready and waiting for him. He went with the assurance that he would be met with the welcome plaudit, "Well done good and faithful servant."

Well can be say of him:

Servant of God, well done! Thy glorious warfare's past,
The battle's fought, the race is won, And thou are crowned at last."

THE BAPTIST HOSPITAL

12. Hospital. Report by Rev. T. B. Flowe.

The Baptist Hospital has completed a full year with its enlarged facilities. Instead of caring for 4,000 patients as formerly, we have had 12,000 the past year—1942. It is again becoming increasingly difficult to provide for the growing numbers of sick who come for treatment—an average of 33 each day.

Of these 12,000 patients who were treated last year, 4,000 were service patients; that is, were unable to pay a hospital bill. These are the sick for whom our Mother's Day Offering is made. It is also interesting to note that 4,000 of this 12,000 patients were mothers who had, here and there in our state, 12,000 children waiting anxiously for her return. We had also about 175 ministers, returned missionaries, ministerial students and children from our orphanage for whom no charge was made.

The Hospital Training School for Nurses has 116 students in training, 51 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aids, making a nursing staff of 189.

It is one of the functions of the Baptist Hospital to educate as many nurses as possible with the Christian ideal of service. These are always selected so as to represent as nearly as possible every section of our state.

Although quite a number of our Medical Staff are constantly going into the service of our country, we still have a staff of about 75 doctors, almost all of whom are specialists in the several fields of medicine and surgery.

These two institutions—Hospital and Medical School—represent a money value to the denomination of $2,000,000.

It is with a just pride, we trust, that the American Medical Association has given the Baptist Hospital as high rating of any hospital in the entire south.

The hospital desires to express to the members of this association their appreciation for the best Mother's Day offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linen.

The hospital was built and has operated for these 20 years with one great fundamtntal purpose: That it shall be an institution through which the half million Baptist of our State may render a definite Christian service to sick and suffering humanity who could not, in most instances, have hospital treatment otherwise. It is the purpose of the denomination and the management that it shall forever remain true to this one purpose in addition to its wider service.

Respectfully submitted,

THOS. B. FLOWE.

MINISTERS' RETIREMENT PLAN

More than ten thousand ministers, missionaries, denominational workers, and ministers' widows are participating in one or more of the Board's plans, while over twenty-six hundred of these are now receiving benefits from the Board and all of the others are due to receive benefits in the years that lie ahead. The Relief and Annuity Board has already become and is destined to become increasingly a strong, stabilizing force in the life of our denomination. It offers a stability of economic security to every denominational worker and employee throughout the Southern Baptist Convention, asking only the co-operation of all that it may render the largest possible service.

Already more than ten thousand churches are participating and more than seven thousand preachers are members of the plan. The percentage of pastors in North Carolina who are enlisted in the plan as of April 30, 1943-49. Since the first of the year 50 pastors have entered the plan. But as yet we have only 450 members in North Carolina.

Let me urge every church and pastor in the Stanly Association to get together and discuss the plan and give every minister this protection, then at the age of 65 or earlier in case of total disability he will have an income for life.

Humbly submitted,

W. B. HOLMES.

THE FOREIGN MISSION REPORT

The foreign mission board 1943 is indeed "the year of liberty" the time of its emancipation from the bondage of debt. The generosity of Southern Baptist coupled with the Board's competent leadership, wise management, and rigid economy have broken the shackles, and on March 12, 1943, the financial obligation which, ten years ago had reached the distressing height of $1,621,643.56 (including some debts in mission lands) was removed. It is with humble gratitude that a triumphant Board faces a challenging future.

While struggling against the bondage of debt, the Foreign Mission Board did not fail to carry on its regular program of service throughout its several mission fields—caring for its 481 active missionaries and its 78 noble workers now on the emeritus list.

Nor has the Board been unmindful of the suffering people in war-stricken countries. Between January 1, 1942, and April 5, 1943, the Baptists of the South have given through the Foreign Mission Board

$887,802.66 to our World Emergency Relief Program. This includes $200,000.00 given to aid the British Foreign Mission Board; Another $200,000.00 to Chinese Relief; the sum of $15,000.00 designated for the purchase of Bibles for Russian prisoners of war in German camps; and $45,000.00 was sent for European Relief. These and other appropriations have enabled Southern Baptists to experience the joy of sharing with God's needy ones.

The Board is deeply grateful to the Woman's Missionary Union of the South for the Lottie Moon Christmas Offering which reached the record-breaking peak of $558,672.63.

While we rejoice that 40 of our Missionaries to the orient were among the repatriates who returned to America in August 1942, we regret that 38 were reported to be interned in China. These are due to arrive in U. S. early in December. Only 2 S. B. M. will remain in occupied China (Mrs. E. F. Tatum and Miss Eliz. Hale); 4 are marooned in the Portuguese Colony of Macoo and 10 are held in Japanese control Manila (Mr. and Mrs. H. H. Culpeper, Mr. and Mrs. Bob Dyer, Mrs. Rufus Gray and son, Fern Harington, Cleo Marrison, Mr. Gray have been reported missing since the fall of Manila).

Those whose furloughs in this country are prolonged by war conditions are redeeming the time by rendering invaluable service in conventions, conferences, Good will centers, and at local Missionary gatherings. Some have temporarily accepted pastorates, others taking courses in Universities are equipping themselves for more efficient service in the days ahead.

Europe and the near East are closed to our Missionaries. A message from a native of Spain reports crowded services every Sunday night. Some are converted by personal work. The largest number are converted at services held in their homes. In most places Baptists are not permitted to hold services in the churches. Two couples have been appointed recently for Beirut and Damascus. Another couple and a single lady are being considered. It is hoped that after the war we shall be able to occupy the region beyond the Jordan. Amid Italy's dire poverty the Baptist pastors have pooled their meager salaries, all of them now receiving the same inadequate pittance.

Dr. Greene reports our Mission work is moving steadily forward in Africa. College, Seminary, and Hospitals are busy training preachers, teachers and nurses.

Nigerian Christianity has overflowed into the regions around Lyberia, Sierra Leone, Gold Coast, and Camaroons, these are appealing for guidance to the Nigerian Baptist Convention. In out post war plans we must give consideration to these calls. Our Board is happy to announce that Misses Young, Anderson, Sanders, Haron, and Truly have arrived in Belgian Congo en route to Nigeria. Mr. and Mrs. W. A. Congdon and Miss Ruth Walden, Vivian Nowell, and Dr. J. C. Pool sailed from Phil. in Sept.

In free China the work of evangelism is going forward, hospitals and schools continue to function. Churches are crowded as eager people seek a living, loving God. Twelve Missionaries have been given passage to relieve the 18 workers who are carrying such heavy loads in free China.

Dr. Gill says that current reports present a feeling that present doors must be entered in Latin America now or be closed forever. Several new Missionaries have recently been appointed to this field.

Hawaiian Island Mission has indeed come into being for such a time as this. Stragetically located, it is able to render invaluable service to occidentals and orientals. Man by experience Missionaries who have been cut off from their own lelds of service, it is exerting a world-wide influence. Mr. and Mrs. Edwin E. Dozier and Mrs. C. K. Dozier, former workers in Japan, are doing a wonderful work there.

We thank God for these servants of Jesus Christ and will follow them with our prayers and gifts.

Respectfully submitted,

MRS. L. W. FIELDS.

REPORT ON HOME MISSIONS

For the first time since 1920 the Home Mission Board is out of debt. The final note of the Board's indebtedness being paid on May 12, 1943. When the final $55,000 note was paid on that date it terminated a struggle against debt for fifteen years during which time the Home Mission Board paid a total of $2,425,531.91 on debts. Since 1933 the Hundred Thousand Club has paid $636,900.21.

We have a total of 435 workers on all fields. During the year thirteen new missionaries were added,. forty-three mission stations opened and six churches constituted.

The missionaries distributed 14,445 Bibles and Testaments and 672,093 tracts. They preached 37,657 sermons, and led 15,928 to profess faith in Christ.

Total offerings for the year amounted to $767,371.41.

The Board's monthly magazine, Southern Baptis tHome Missions, has reached a circulation of over 87,000 a month.

REPORT OF STATE MISSIONS IN NORTH CAROLINA — 1943

.....Figures which seem fairly reliable state that the total world population only one out of every 165 is a Baptist. Of all those in the world who are called Christian and belong to any church that bears a Christian name, only one out of fifty is a Baptist. In our own United States about out of every six who belong to a church is a Baptist. In North Carolina about one out of every two belonging to any church belongs to a Baptist church.

Now these striking figures suggest:

Less than one-third of the total world population belong to any Christian church. What a marvellous opportunity for world missions, and particularly for Baptist world missions. Of significant import is the fact that about one-half of all those in North Carolina who are called Christian are Baptists. And to go a little further, let it be said that one out of every five of the total white population in North Carolina is Baptist. If we include the total population, almost one out of four is a Baptist. This means hat if Baptists were genuinely Christian our State would be well on the way toward being a Christian state. And yet every one knows that as a state w eare far from being Christian. It means also that Baptists would appear to be at least one-half responsible for the one million human souls in North Carolina who have never yet said yes to Christ.

Now in the face of all these facts the task of State Missions in North Carolina is quite clear. Recently a young preacher remarked that some people he met believed we should make North Carolina Christian first and perhaps forget other areas of the world until that was accomplished. That conclusion is of course incorrect. If we are to try to Christianize North Carolina we must carry on a State Mission program and at the same time a Foreign Mission program. They go together or not at all. Let a church forget foreign missions and soon it will forget state missions; or let it forget, state missions and soon it will forget foreign missions. At the same time one must bear in mind that the demonstration of the Christian way of life here in North Carolina will be worth to the rest of the world scores or more of arguments.

Through our State Mission program at present we are attempting to develop a teaching and training program of those already in the church. At the same time through aid to missionary pastors, through help to growing churches in needy and strategic places, and in other ways, the State Mission program is seeking to win some of these millions of souls to Christ.

During the present year there is available for this State Mission program about $150,000. It ought to be at least $250,000. The war areas in the eastern part of the state are the greatest challenge we face at the moment.

What is the individual to do about this? What is the church to do about it?

The answer is: Support the Baptist Cooperative Program, for State Missions receives 15% of the Undesignated Cooperative Program money. Recently an appeal has been sent out for an extra offering to help in the work around the camps. Churches which have not taken this offering are urged to do so. Then it must be remembered that each year on the last Sunday in October the Sunday schools are asked to make a generous offering for the whole State Mission program. Also the Woman's Missionary Union is laying unusual stress on their State Mission program this fall. They will make their offering in September. One dollar, just one dollar, from each adult member of our churches would give us an offering of about $100,000.

We Baptists have a tremendous responsibility to aid in growing a Christian state. To this end let us give our prayers and our means with enthusiasm.

Respectfully submitted,

J. A. SEYMOUR.

Dr. E. L. Spivey brought us a message on all four of these topics which was informative, spiritual and challenging.

SUNDAY SCHOOL REPORT

Another year has passed and still there is plenty to be done for the Master in the enlisting of our people in Sunday school work. When all our Sunday school enrollments are presented, we are sure that our enrollment will exceed that of last year by a small majority.

Last spring during our one day Associational conference, some goals were set whereby the Sunday schools would strive to increase their activities during this year. Those goals were as follows: First, fourteen churches having training schools; second, 250 training awards; third, two standard Sunday schools; fourth, an increase of 500 in our enrollment; fifth, one new Sunday school; sixth, 11 vacation Bible schools. According to the report of our Sunday School Board, from January 1, 1943, to October 1, 1943, we have had 12 training schools, 197 awards, one new Sunday school, and six Vacation Bible schools held. Two churches reported libraries. My observation, in comparison with other associations, is that we stand fifth among the schools reported and third in the number of Vacation Bible schools held. There are yet two months in this year to complete our goals. The last stretch of an undertaking is always important. So, since we are on the last stretch, we should make a special effort to reach our goals and I believe that we can reach them by uniting for victory.

In May, a simultaneous enlargement campaign was held in our Association in which 14 churches participated. These proved to be very helpful. An effort is being made to have a city-wide traing school in Albemarle sometime in January. Such an effort has never been made before in our Association. We believe it will be very helpful to every church which participates in it. This training school will be open to every Baptist church in our Association. If this one proves to be helpful, plans will be made to have such schools in other sections of our Association so we can touch every Baptist church.

Respectfully submitted,

C. R. HINTON.

BAPTIST TRAINING UNION REPORT

Surely the plan of the Baptist Training Union was given to our Southern Baptist Leaders by God. We all agree that there is nothing better than winning a lost soul to Christ as Savior. How can that saved soul best serve his Savior? Certainly through some expression from that saved soul. There is no better way, in our opinion, provided in our churches than through the training union. It provides for all ages and

covers all phases of our Baptist work. It is a daily guide to better living and better serving.

When every member of every one of our churches come to realize that the Training Union is our task and obligation, it will be no longer an organization, but an organism. May that day soon come.

In our Association, we have thirty-seven churches and a total B. T. U. membership of 455. Within our bounds, there are 2802 Baptist members who have no adequate training program for them. May our pastors and other church leaders of our Association really awaken to the truth of the Training Union Motto—"SAVED TO SERVE"—and with all their might sponsor a training union in each one of their churches for the growth and development of all their members.

Respectfully submitted,

MARGIE V. WILLIAMS.

W. M. U. REPORT

As Christians, our marching order is to "Go into all the world and preach the gospel to every creature." A very large group, the W. M. U., offers an excellent way by which to go. Through its organized program of prayer, missions study, stewardship, community missions, and missionary education of our young people, we may go very effectively even to the uttermost part.

Despite the discouragements and handicaps, our enlisted women and young people are faithfully marching on. There have been gains in organizations and gifts. We now have 19 W. M. S.'s and 40 Young People's organizations in nineteen churches. Seventeen churches as yet are unenlisted.

We need an organization in every church in our Association. Our people need missionary training. Is there a better way? A vision for the lost world and obedience to our Lord's command will bring this about. "The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest that he will send forth laborers into his harvest."

Respectfully submitted,

MRS. T. S. CRUTCHFIELD.

REPORT ON RELIGIOUS LITERATURE

To know a race or nation of people, we must know its literature. It is Christian or unchristian according to its literature. Christian literature is not at all the most popular at this time. A majority of the people of the United States do not read religious literature. Therefore, it behooves us to make a united effort to popularize religious literature.

Baptists should recognize that it is just as necessary that they should have periodicals to enlighten the membership by keeping them posted on matters of the Lord's kingdom as it is for every large corporation to have its publications for a similar purpose. Therefore every Baptist home should have the Biblical Recorder and each paper published by our departments. How can we intelligently promote an organization about which we have little knowledge? It is incredible that we should endeavor to promote our Baptist World Program and at the same time neglect one of our greatest promoting agencies—our Biblical Recorder. The denominational program is inseparably a part of the program of every Baptist Church. The Biblical Recorder is the medium of enlistment for all our people, missionary, benevolent, and local church programs.

Be it resolved that the messengers of the Stanly Baptist Association urge the churches which they represent to inaugurate some plan for placing the Biblical Recorder in every Baptist home. If the local church will put the Biblical Recorder in the home of every resident member, it will cost each home but $1.20.

Respectfully submitted,

J. C. BENNETT.

CHRISTIAN SCHOOLS

The seven Baptist schools of North Carolina have had a difficult year. Some were rather successful, some made war-time adjustments, but one, Chowan, voluntarily closed her doors—at least for the duration.

The government's use of her plant through its Finance Unit and her School of Medicine at Winston-Salem have been the salvation of Wake Forest. Meredith, our only all-girl school, continued to have a full enrollment, but our junior colleges, Campbell, Mars Hill, Gardner-Webb and Wingate, naturally had a decrease in enrollment.

A study of our schools reveals the need of a closer relationship with the Convention. All six existing schools have announced rather ambitious enlargement campaigns—all of which are more or less independent of the Convention. Wake Forest, through her trustees and alumni, has launched a $7,000,000.00 enlargement. Meredith, through her alumnae and friends, plan a $600,000.00 enlargement. Similarly, all four junior colleges have announced enlargement campaigns. While Gardner-Webb is entirely separated from the Convention, being supported by the Kings Mountain and Sandy Run Associations, and Wingate, separated from the Convention except by a small financial support, which amounted to $3,000.00 the past year, is supported by the Mecklenburg, Cabarrus, Pee Dee, Anson and Stanly Associations of North Carolina, and Chesterfield Association of South Carolina, yet it seems to this reporter that these undertakings, with their far-reaching consequences and inevitable repercussions, should be promoted and approved by the Convention in session.

In the meeting of the General Board in June, 1942, it was voted that an Education Commission be appointed to make a study of our Baptist educational program and be ready to report not later than the meeting of the Convenion in 1943. This Commission has recently stated that it is ready to recommend that the Convention for the time being limit its support to four (4) schools: Namely, Wake Forest, Meredith, Campbell and Mars Hill. Such a recommendation would make for more harm than good. This recommendation would create a spirit of sectional pride, jealousy, and competition—as if this sort of spirit is not already too far advanced.

Just as good argument can be made for Wingate as for any of these other schools. Surely, if any section of North Carolina needs a Baptist school, this Piedmont section does; and with other denominational schools arising around us, it is time that our Convention take notice of this fact. While we need to continue to support our other schools, we Baptists in Stanly should rally around Wingate as never before. It is our school; may we prove true to our trust.

Respectfully submitted,

L. D. MUNN.

Supt. Smith Hagaman brought us a soul-stirring message on the work of the Hospital.

14. Report on our Orphanage: W. A. Hough.

REPORT OF BAPTIST ORPHANAGE

"These little ones", represent Jesus; as we do unto them; even so we do unto HIM, Matt. 25:40-45. Homeless children present to us a privilege

we cannot afford to lose and a responsibility we cannot afford to evade. Our institution is the best means through which we can minister to them.

According to our latest information, Baptists of North Carolina have provided for 687 homeless children; 35 in boarding homes, 74 in their own homes, and approximately 578 in the Mills and Kennedy homes. This provision includes: room, food, clothing, church, school, work, and play, all with regularity and proper direction. Unfortunate children from undesirable circumstances and with poor heritage enter our orphanage; appropriate the blessings of God and the benefits of fine officials, and ste pout into the wold unashamed of the gifts within them, unafraid of the odds between them and youths from private homes and they are the CHOICE YOUTH of TODAY, in the service of our country, in business, or in any citizenship.

Asking entrance into our orphanage almost 500 little ones have taken "no" for an answer. That "no" came from North Carolina Baptists. May we unite our contributions and our voices saying "yes" to more of the homeless children and unto Jesus.

Respectfully submitted,

W. A. HOUGH.

Report on Temperance: D. J. Robinson.

REPORT ON TEMPERANCE

A fine woman at Ridgecrest said this summer to a group of us, "One of the fine girls in my young ladies' Sunday School class said to me some time ago, 'I will have to learn to drink so I can be temperate; for I surely cannot be temperate unless I drink'." It seems to me that this incident is enough within itself to show us that we ought to stop talking about temperance when we are dealing with a poison and narcotic like alcohol. I wish our associational program leaders would find another word.

"Madame, thou errest: I say, there is no darkness but ignorance." These are the words of Shakespeare in his Twelfth Night. The liquor powers still see the power of ignorance; so they are spending millions to make the American public believe a large group of lies. It is true that often what they say is a half truth, but that is where they catch the public off guard.

They would try to persuade us that alcohol is a food and beneficial to the human body, but science now knows that it is not a food in the true sense of the word.

In a round-about way they have persuaded the public that it is a stimulant. If you would ask the question, is alcohol a stimulant, to every grown person in the state you would be amazed at the large number who believe it a stimulant. The fact is it is a narcotic and is in the same category as cocaine, novicane and other drugs of that description as you readily see in a medical dictionary. A man will freeze to death much quicker who is full of alcohol.

Another neat lie is that we cannot afford to refrain from drinking because we will be left out of society, and they have made many good people believe that lie.

Let us as Baptists arise to throw light on their darkness, and let the world see the monster in its true light.

Respectfully submitted,

D. J. ROBINSON.

Dr. I. G. Greer, President State Convention and Supt. of our Orphanage work, brought us a thrilling address on these two vital subjects.

HISTORIAN'S REPORT

On April 17, 1836, several members of Kendall's church met and organized Ebenezer Baptist church, which became a member of Pee Dee Association as early as 1841, and was received into the Stanly Association in 1889.

The first building, constructed in 1836, was a one-room, hewed, log house, and was used until after War Between the States. In 1868 the log house was replaced by a frame building which was built, depot

style, by Parhan and John D. Kirk. This building being too small to accommodate the throngs of people who attended the revival meetings, necessitated the building of a large brush arbor yearly.

In 1894 a substantial one-room wooden structure was built to take the place of the old building and was used until 1916.

During the pastorate of Rev. J. M. Arnett (in 1916) the present commodious brick structure of Georgian architecture was started. For eight years the congregation worshipped in the basement. In 1924 the work of completing the church was resumed under the leadership of Rev. J. M. Page, who represented the Baptist State Board in the capacity of church builder. Through the untiring efforts of Rev. Page, and the building committee, along with the prayers and hearty co-operation of its entire membership, the church was completed in 1924, with an estimated value of $100,000.00.

Since the organization of the church a number of rugged preachers of t hestudy type have labored. Rev. Benj. Lanier, the first resident clergyman, served from 1836-1841. Others were: A. Kinney, S. P. Morton, Wm. A. Morris, David Wright, J. W. Littleton (two pastorates), G. O. Wilhoit, J. R. Littleton, J. W. Dunn, Jas. Jordan, W. M. Bostick, W. B. Harrell, J. C. Denny, Haywood Morris (two pastorate), J. W. Suttle, J. F. Davis, J. E. M. Davenport, W. E. Watkins, Jno. R. Miller, D. W. Arnette, J. L. Kirk, C. E. Edwards, E. M. Brooks, J. W. Arnette, W. N. Johnson, C. T. Tew, P. D. Buck, J. M. Page, M. L. Dorton, R. W. Torbert, and L. D. Munn, present pastor.

This church has sent out the following ministers: Wm. Solomon, J. W. Littleton, A. G. Calloway, J. R. Littleton, J. L. Jenkins, J. T. Calloway, and L. P. Beck.

During its early days the church held services only once a month, conference on Saturday, and preaching on Sunday. The church has reported a Sunday school since 1877.

The one hundredth anniversary of the old Ebenezer Baptist church was observed on Sunday, April 19, 1936. The membership cordially welcomed its many friends on that occasion. With three hundred twenty-three members, an active Sunday school, W. M. U., B. T. U.'s, N. Y. A., and an ever-enlarging opportunity, the Badin Baptist church, proud of its honored past, looks confidently forward, believing by His grace the best is yet to be.

Respectfully submitted,
MISS NORA EDDINS.

KENDALL'S BAPTIST CHURCH

October 1, 1943

"Chris tPreeminent" was the theme of Stanly W. M. U. which convened at Kendalls, October 1, 1943, with the superintendent, Mrs. T. S. Crutch, field, presiding. The call to order was followed by the year's hymn, "All Hail the Power of Jesus' Name," and the watchword, "That all the kingdoms of the earth may know that Thou art the Lord, even Thou only."—Isaiah 37:20.

Mrs. H. C. Morton, president of Kendall's W. M. S., extended a kind welcome to which Mrs. R. Strider of New London responded.

Mrs. C. R. Hinton, West Albemarle, brought the morning devotional, reading John 9, presenting Jesus as the panacea for the world's needs and urging America to have the right influence on other nations. She concluded with prayer.

Seventeen of the nineteen societies in Stanly Association responded to the roll call with 112 members, 8 pastors, and 6 visitors present. Afternoon visitors increased the number present to 145. Society presidents were recognized and gave brief reports. Badin was given special recognition for being A-1 full-graded W. M. U., with the pastor, Rev. L. D. Munn, receiving commendation for his faithfulness with R. A.'s.

All officers and chairmen of all phases of W. M. U. work in Stanly Association gave full and interesting, as well as encouraging and inspiring, reports of the work accomplished during the past year. MRS. A. D. McNEILL, Sec. & Treas.

All reports were adopted.

Miss Bonnie Jean Ray, home missionary located in the Wilmington Defense Area, but formerly of China, brought an inspirational message on "Christ Exalted in All the Kingdoms of the Earth," with particular emphasis on W. M. U. efforts to make Christ preeminent in China.

In conclusion, Miss Ray showed the Christ-like spirit of Chinese Christians toward the Chinese soldiers in their midst. Mrs. J. S. Farmer of Raleigh led the prayer to conclude the message.

A special offering of $42.00 was made.

Committees were appointed: Time and Place—Mesdames B. M. Rogers, Martin Lambert, Walter Laton; Resolutions—Mesdames Clyde Wilhelm, T. B. Mauney, R. W. Simpson.

The Committee on Nominations was elected: Mesdames Clyde Wilhelm, M. G. Moore, D. N. Bennett.

Invitation to lunch on the church lawn was extended by Kendall's pastor, Rev. D. J. Robinson.

Prayer by Rev. C. R. Hinton closed the morning session.

AFTERNOON SESSION

"O Zion Haste" was sung by the Association, after which Mrs. L. W. Fields of Norwood presented devotional thoughts on Christ Preeminent in the life of Paul, reading Col. 1:18 and Phil. 2:9-11. She challenged us to follow Paul's example and give Christ first place in all things. She con? cluded with prayer.

Open conference was conducted by Miss Mary Currin, of Raleigh, the W. M. U. executive secretary of North Carolina in a most interesting and informative way.

The Union sang the hymn, "Lead On, O King Eternal."

Mrs. J. S. Farmer, State W. M. U. president, made the inspirational address of the afternoon session, in which she presented W. M. U. ideals and goals to be reached, reminding us of Jeremiah's warning, "Curseth be he that doeth the work of the Lord slavenly."

Mrs. N. A. Hayes presented the work of the Young People. Miss Mary Curris was recognized and spoke briefly. Rev. E. N. Gardner of Henderson was presented, and he, in turn presented R. A. Conclaves and their great value, announcing the Conclave at Kannapolis, November 12 and 13th, 1943.

YOUNG PEOPLE'S REPORT

"It is extremely difficult these days to keep Christ preeminent in the minds of our youth. It is especially so when we have to combat such slogans as, "Bring a piece of scrap and kill a Jap." However, if we shall be ever at the task, we will find that many of our former problems of approach have been solved, for is it not true that the average American boy and girl today knows a great deal about the countries in which to work, even though that county may now be our foe?

May we be wise in our leadership and strive to instill into the hearts of our youth that our ultimate aim is a peace that shall be of everlasting good among all nations and that each of us may help to make it so. As adults, are we as diligent as we might be in youth training? Grant that we may rise to the challenge and the need about us.

Only 16 of our churches have organized missionary training for our youth. What about yours?

MRS. N. A. HAYES, Leader.

Rev. C. R. Hinton and the Royal Ambassadors from West Albemarle presented a delightful demonstration on the R. A. ranking system and on R. A. work in general, singing the hymn and quoting Biblical verses from memory.

The foregoing and following reports were adopted:

Time and Place—North Albemarle. Time to be designated by executive committee.

Resolutions—Expressions of appreciation to the officers of Stanly W. M. U. to Miss Bonnie Jean Ray, to Miss Mary Curris, to Mrs. J. S. Farmer, to Rev. E. N. Gardner, to Rev. C. R. Hinton, to West Albemarle Royal Ambassadors, and to Kendall's church for its hospitality.

Nominations—See directory of W. M. U.

A vote of appreciation was extended Mrs. N. A. Hayes and Mrs. R. Strider for their years of faithful service.

New officers were introduced to Stanly W. M. U.

Reading of the minutes were dispensed with, approval to be made by the executive committee.

A stewardship play, "When the Owner Cometh," was presented by Miss Bertie Holt and West Albemarle church as the conclusion of Stanly W. M. U. Convention.

Adjournment.

CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their enegries, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignity or the rights of the churches. It is neither an ecclesastical legislature nor council, nor court of appeal. It may advise the churches and recommend measure of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, or fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or that treas with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of the Association, the churches shall have the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1.—Locality; 2.—The names of its pastor and clerk, and their respective post offices; 3.—The Sabbaths of regular service; 4.—The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5.—Sabbath school statistics; 6.—Amount contributed to the benevolent objects, and the Association fund; 7.—Names of the messengers and alternates; 8.—Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at

each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

STANDING RESOLUTIONS

3. That we have two meetings of our Association:

PROSPECT AND OAK GROVE BAPTIST CHURCHES

Thursday and Friday, October 19, 20, 1944

1. Be it remembered that on the 19th day of October, 1944, The Stanly Baptist Association began its sixtieth annual session with the Prospect Baptist Church.

2. Rev. W. J. Bradley, the Moderator, called the Association to order, and Rev. John Simpson led us in singing, "Rescue the Perishing" and "We've A Story To Tell To The Nations". Our Moderator read John 9:1-11. We were led in prayer by Rev. Julius W. Whitley.

3. The Program was presented by the Clerk and accepted.

5. The enrollment committee announced 140 delegates present.

A motion was made that these and any other delegates enrolled later be the Association.

,6. The Moderator then called for applications for membership in our body and Kinza and Red Cross Baptist churches presented their credentails which were referred to the committee on credentials.

7. Report of the Executive Committee. The report follows:

The Executive Committee met at the First Baptist Church in Albemarle on December 10, 1943, and gladly received he new members—C. R. Hinson, Miss Margie Williams, Mrs. T. S. Crutchfield and J. C. Russell, who represents our Associational work in these departments—Sunday School, B. T. U., W. M. U., and the Fifth Sunday meetings, respectively.

The Committee authorized the Clerk to include in the minutes a picture and a life sketch of Rev. E. M. Brooks, deceased.

The Committee authorized the Treasurer to pay all bills as they came due.

The Committee recommended that:

(1). C. R. Hinton and W. G. Russell assist the Clerk in working out some conflicting statements in our constitution.

(2). That families or friends of deceased Ordained Baptist ministers in our Association who desire the picture of sketches or both to appear in our minutes furnish the cut and sketch and pay the cost.

(3). That the Clerk's salary be increased from $40 to $50 per year.

(4). The Executive Committee co-operating with the Pastors' Conference assisted in organizing two Baptist churches during the year—Kinza and Red Cross, both of which were received into our Association.

8. Visitors were recognized. Dr. C. C. Burris, President Wingate Junior College. Twenty pastors of the Association were present. Five ministers who are not pastors were recognized. Pastors and the members of Prospect, the host church for that day, were recognized. The deacons and W. M. U. members present were recognized.

9. Report of committee on credentials made their report.

(1). Kinza Baptist Church was received and the delegates and pastor were extended the right-hand of fellowship.

(2). Red Cross Baptist church was received and the Pastor and members present were given the right hand of fellowship.

10. Announcement was made by the Moderator of the request of our State Secretary, Mr. M. A. Huggins, for support of our work for next year, urging each church to accept its suggested quota.

11. Announcement by the host Pastor, Rev. W. B. Holmes, about the lunch hour.

12. The Annual Sermon was preached by Rev. D. J. Robinson, using Matt. 6:25-34. Topic, Jesus Shall Reign.

NOON HOUR.

The good ladies of the Church served us a bountiful lunch which every delegate and visitor enjoyed. The fellowship was also fine.

AFTERNOON SESSION

1. Rev. L. D. Munn led us in singing, "I'll Go Where You Want Me To Go." He led our devotion, using Luke 11:1-13.

2. Dr. E. L. Spivey, brought us a thrilling message on "A Thousand Souls For Jesus This Year". It was a great heart-searching message.

3. Our Baptist Hospital. Report by J. A. Hopkins.

The Baptist Hospital has completed two full years of enlarged service—the last year being the largest in its history, receiving 7,609 patients besides 2,724 patients examined and treated but not admitted to the Hospital—making a total of 10,333. 8,000 others were seen in the clinic, making a grand total of 21,133.

Many of these patients were mothers who had to leave their children while she was being lovingly cared for in our Hospital. We are thankful that our Hospital cares for its charity patients equally as well as the pay patients. The doctors and nurses do not know who pays and who does not. Our Mothers' Day Offerings helps to pay for service rendered to the patients who can not pay. Truly, we are thankful for the great staff of 75 doctors, 43 graduate nurses and the nurses in training and the Hospital Pastor who are ministering in a spiritual way to our sick ones there.

If all the patients treated in the Hospital and in the Clinic were placed on beds placed end to end it would make a line 48 miles long. Be glad when Mother's Day comes around and make a large offering for the help of our unfortunate poor sick ones.

Our Hospital is recognized as one of the best in the South. There is none better and only one or two its equal. Any one who helps support the Hospital and visits there is made to feel that he has a part in this work of our Master who went about doing good and healing all kinds of diseases.

4. Report on our Orphanage—Ellis Burris.

Our Orphanage maintains two homes—one at Thomasville (Mill's Home) and one near Kinston (Kennedy Home). We have one Orphanage with these two homes. Each home has a superintendent. Our General Supt. is Dr. I. G. Greer, and our Treasurer is Mr. R. D. Covington, both living in Thomasville. All monies are sent to Mr. R. D. Covington, Thomasville, N. C.

Our Orphanage cared for 698 during 1943 in the two homes, 23 in boarding homes, and 60 in their own homes. They have been able to place more children than ever before, making it possible to care for more children.

Attendance at school averaged almost 99 per cent, owing to the good health of our children.

Our Orphanage produces an abundance of farm products—fresh vegetables, milk, pork, beef, chickens and eggs. Our Orphanage makes the most of the clothing for the children in the Orphanage by the girls. Every child in the Orphanage is taught to do something in the Orphanage.

The Orphanage also prints the Charity and Children which every Sunday School should have and distribute during the Sunday School hour. Children as well as grown people enjoy this splendid paper. Rev. J. A. McMillian is the editor.

Rev. J. A. McMillian spoke on the two reports—Hospitals and Orphanage. He stirred our souls and made us want to do more for these two fine institutions.

5. B. T. U. Reports read by L. W. Fields for Miss Virgie Williams.

What church in our Association needs more spiritual vitality? If your church needs help to revitalize your many, many self-satisfied members; if you do your duty by your new converts; let us urge you to inaugurate a full-time training program for all the membership of your church—The Baptist Training Union.

In our Association, we had reported last year 7,629 members who ought to be in training in stewardship, daily Bible reading, public speaking, in praying, missions and other phases of our work.

Let us enlist those self-satisfied members into active service and give the new converts a chance to grow spiritually through active service participation in His Church.

Rev. L. W. Fields spoke to this report.

6. Business session.

(1). A motion was made and carried to have:

a. A one-day session of our Association at the regular time in the fall for reports and business.

b. And a one-day session for information and inspiration in the spring, the time left to the Executive Committee.

(2). A motion of appreciation to the Pastor, members of the church, and to the good women for the splendid and pleasant way in which they entertained us for the day.

7. We by motion were adjourned to meet with Oak Grove Church on Friday. Rev. D. P. Morris led the prayer.

Friday, October 20, 1944

We convened at 9:30.

Rev. John Simpson led us in singing "Come Thou Almighty King".

Rev. John Blalock brought us the devotional message using Acts 8:26-32. He brought use a helpful message.

MISSIONS

1. State Missions—Mrs C. R. Hinton.

Jesus said, "Ye shall be my witnesses both in Jerusalem, and in all Judea, and in Samaria and unto the uttermost parts of the earth". Our denomination is trying to carry out that command. To do this, we have our local churches and associaions, State, Home and Foreign Mission Boards.

Our State Mission Board is working to carry Christ's kingdom to the uttermost part of our State and the World War has sent our boys and young men to the end of the earth and the war has also brought thousands of young men from countries of our enemies as prisoners to our own State which give us a world-wide opportunity. Our State Secretary, Mr. M. A. Huggins, with other State workers is trying to enter every open door using every available worker, including missionaries at home because of the war to reach the foreigners in our midst with the gospel.

Some of our cities and many of our associations have added a city or an associational missionary to help in these local fields in mission work. They are doing a great work.

For a number of years, we have been able to point with pride to our work among the Indians and our colored friends. We desire to stress this phase of our work all the more. These war days are critical and the gospel of Jesus is needed all the more to help us as races to live together in peace.

Our Convention continues its fine policy in helping needy church fields in supporting a pastor, and needy full-time churches, needing church buildings and securing pastors for vacant fields.

Our major emphasis is on programs of missions, education, evangelism and worship. Dr. E. L. Spivey is our State Evangelist and is doing a splendid work. Through the Sunday schools, the B. T. U., The W. M. U., and The Biblical Recorder, our State Mission Board is seeking to reach, teach, train, and enlist and use all our people in this mission program that the Kingdom of God may soon come to every corner of our State and even in the world.

2. Home Missions—Mrs. D. B. McCurdy.

Occasion for universal rejoicing among Southern Baptists is the fact that for the first time since 1920 the Home Mission Board is out of debt. The final note of the Board's indebtedness was paid on May 12, 1943. When the final $55,000 was paid on that date, it terminated a struggle against debt for fifteen years, during which time the Home Mission Board paid a total of $2,425,531.91 on debts. Since 1933 the Hundred Thousand Club has furnished $636,900.21 which was a little over one-fourth of the total amount of our debts. The other three-fourths was paid by the Board from Co-operative Program and general denominational receipts. Offerings for the first eight months of this year indicate that total receipts in 1944 may reach a million and a half. Total receipts to date of $904,027,86 represent a 32 per cent increase over the $684,765.56 total for the same period last year.

The missionary-minded women of the South through their love gifts to the Annie Armstrong Offering, last year, contributed $290,111.92 to the causes of Home Missions.

We now have 489 missionaries working in 1,037 Mission Stations. We added last year 49 to our force. Recently eight more have been added.

During the year 60,000 Bibles, Testaments and portions of the Scriptures have been distributed.

Our missionaries gave out more than 925,000 tracts; they preached over 36,000 sermons; they led more than 12,000 people to make a profes-

sion of faith in Christ and received into the fellowship of the churches 8,200 members.

Sixteen states are now included in the Home Mission work. Within the last year 43 mission stations have been opened and 6 churches constituted.

Now that our debt is paid and our work is well organized we have a task much more important and much more valuable facing us, namely the winning of a million souls for Christ during the Centennial Evangelistic Crusade of our Southern Baptist Convention. The big task is ours. We pray that the Home Mission Board and all Southern Baptists may be spirit-filled and lend aid to winning lost souls for Christ.

Respectfully submitted,

MRS. D. B. McCURDY.

3. Foreign Missions—Mrs. L. W. Fields.

As the day of victory draws nearer of this tragic war, Southern Baptists face the greatest missionary needs and opportunities in our history. The ravages of war intensifies the need for physical and spiritual food for multiplied millions of peoples.

Gifts to our Foreign Mission Board plus the Lottie Moon offering of $775,231.02 totaled $2,116,805.46. The World Relief amounted to $1,840,820.14. Surely God is at work in our hearts. We are doing work in 17 countries with 502 missionaries. Fifty-two new missionaries have been appointed since April. By the end of the war, we should double our total number of missionaries.

Soldiers on foreign lands as they have opportunity are doing mission work; and, when the war is over, they want to go as missionaries for Jesus. Dr. Madry says, "We believe that the Co-operative Program is the best method yet devised by us for the adequate continuous, and dependable support of all phases of our Baptist work. "As an ideal, he advocates a 50 to 50 division of funds for our churches. For every dollar spent in our local church, send a dollar to the Boards. In our Association last year, we gave to all causes $73,950.88. We gave to missions, $11,817.89. (Shame on us to be so selfish.)

One of the most effective methods of giving information concerning our work on foreign fields is by the use of moving pictures of the work being done there. Such pictures with explanations warm our hearts and stir our interest to the point where we want to do something about it in a greater way.

The testimony of the missionaries on the fields today give glowing account of the work being done. Workers like Bausum in South China, Missionary Stewart of Manchuria, Missionary Powell of Nigeria, Missionary Owens of Palestine and Garrott of Japan give glowing accounts of the faith and courage of these Christians on their respective fields. They ask that we join them in prayer that we all in this time of supreme crisis might be faithful, be it unto death; that, when the skies clear, we might be ready to play our parts in bringing all the world to know Christ and His salvation.

CHRISTIAN LITERATURE

4. Report by T. B. Mauney.

One of the most common evils found in our homes today is cheap literature. In many of our homes, you will find comic books or magazines being devoured by our children while Christian literature is untouched.

The comic books now take first place on the shelves of our news stands. The demand for this type of reading is greater than the supply. For this reason, the books are re-purchased by news men and re-sold to the general public. I wish that it were possible for us to visualize the change that would be wrought, if such were the case as regards Christian literature.

We should provide our families with the best Christian literature available. We should not only read it ourselves, but see to it that the habit of

reading it regularly is formed by every member of the family. If we have not formed this habit, we do not know what a blessing we are missing. Christian literature adds to and develops Christian character, and should be read regularly. Before we can read it, we must, of course, make it available. So subscribe for and keep the Biblical Recorder and Charity and Children coming to your home all the time.

We had with us Dr. L. L. Carpenter, Editor Biblical Recorder, who brought us an informing and inspiring message on the Biblical Recorder and urged every church to have a RECORDER CLUB IN IT. A church with less than 100 members (RESIDENT MEMBERS) can have a club by getting three subscribers at $1.50 per year payable in advance. Have 100 and more, by getting 5 or more subscribers. If the Church sends the Recorder to ever resident family, they get the Recorder for $1.20 and can pay for it monthly, quarterly, or half-year at a time. If you do not have a club, get one at once. Send your list of subscribers and money to Dr. L. L. Carpenter, Recorder Building, Raleigh, N. C.

MINISTERS AND CHRISTIAN WORKERS

RETIREMENT PLAN

5 The Report—W. H. Furguson.

The work of the Relief and Annuity Board of the Southern Baptist Convention should find a large place in the thought and concern of every member of our Baptist churches. They should make it a matter of prayer, study, and co-operative effort.

First, The Board continually faces the great task of providing food, clothing and shelter for thousands of ministers who have grown old in the service of Christ by sacrificial efforts having laid up nothing for this rainy day and the widow of deceased ministers.

Second, The younger men now active in the ministry of Southern Baptist churches will, if they live, grow old; and, unless something is now done to help them make ready for old age, they too will become dependent upon the relief side of our Board and upon the local churches which they have served. Neither, nor both combined is adequate to meet that situation. Usually children of ministers have all that they can do to provide for their own household.

This Retirement plan affords us the opportunity to adequately provide for these ministers and Christian workers by CO-OPERATION—the Minister or worker doing his part, the church its part, and the State convention doing its part. The best plan is for the Minister to put in 4% of his salary, his church 4%—a like amount as the Pastor, and the convention $18.00 per year if the salary is $1,800 per year. Each can put in 3% and the Convention likewise a small amount, but the help in old age will be less.

The Relief and Annuity Board has already paid out to needy ministers approximately $4,500,000.00. This is only a drop in the bucket. Every pastor and Christian worker should be in this plan for our Leaders pledged our Government that we would do so if the United States would not TAX US TO DO IT.

Rev. L. D. Munn spoke to this report.

AFTERNOON SESSION

1. Hymn, "Why Do You Love Me So," and prayer, by Rev. Lee Hartsell.

2. Sunday School Report. Rev. R. C. Hinton.

Our Sunday school work has not accomplished as much this year as last year due to the fact that we did not have an enlargement campaign in our Association this year. As compared with the report which we made last year with 12 training schools, 197 awards, one new Sunday school and six Vacation Bible Schools, we had this year only four churches reporting work, 48 awards, two new schools, and four Vacation Bible Schools. We attribute this decline to the polio and the ban put on public gatherings of children. May our prayer be that we greatly increase our Sunday school and Bible school work during this Associationay year.

We held only one Associational Sunday school meeting the past year, but a good spirit was manifested in that one. We had more present than at any previous meeting that your President has been privileged to attend and every phase of the Sunday school work was discussed. We were fortunate to have with us and to speak to us one of our returned missionaries, Dr. A. S. Gillespie. He brought an inspiring message. There were 24 of our 37 churches represented.

Our Southern Baptist Convention is to celebrate its Centenial this next year, and in this celebration some worthy goals have been set forth. Certainly the Sunday school is to have a great part in helping to attain these goals. No greater soul-winning agency can be found than our Sunday schools because so many of the unsaved are enrolled in our Sunday schools. Surely, if we are to win the MILLION souls for Jesus this year, the Sunday schools must play a large part in winning the goal. If our Sunday school teachers can feel their responsibility, this can and will be done—a million souls won and baptized.

May we pray more and then do more than we ever have in the past that the Sunday schools in our Association might grow and glow and win souls.

An announcement will be made soon as to the plans for our work during the centenial year as to what we can do in making this one of the crowning years in Sunday school advancement.

3. Our W. M. U. Report—Mrs. T. S. Crutchfield.

The purpose of the W. M. U. work is information and inspiration resulting in intelligent endeavor to carry out the commands of our Lord in the giving the whole gospel to the whole world.

The past year has been a good one. Reports show an increase in all departments of our work. Gifts to missions and other objects have exceeded any previous year. The Hundred Thousand Club has met with a gorgeous response thus helping to reduce the indebtedness on our State Mission Board in N. C. One W. M. S. and seven young peoples orgnaizations have been added during the year, making a total of 20 W. M. S.'s and 48 young peoples organizations. Twenty-five have made the start toward the A-1 standard. Three churches claim the distinction of full-graded A-1 unions—namely Albemarle, First, Badin and Grace. The most discouraging note is the large number of unenlisted churches and the indifference many in the partially enlisted ones. I appeal to the Pastors and all Christian workers

to lend a helping hand and thus speed the gospel on its way even unto the uttermost part.

4. Report—Christian schools—Rev. Samuel Long.

Our Christian schools seem to be adjusting themselves well to war conditions and are carrying on in a fine way. Wake Forest has the largest freshman class in its history, numbering 313 with a total enrollment of 756. Meredith College begun the current year auspiciously with an enrollment of 587. Mars Hill Junior College was founded in 1856. That school is well established with no indebtedness, and has a large patronage and ha senrolled 710 this year. Gardner-Webb Junior College has a plant valued at $300,000.00 and $230,000.00 has recently been added to their expansion program. This school has no debt. Its enrollment this year is 169. Wingate Junior College with which our Association is affiliated and of which Rev. C. C. Burris, a Stanly man, is the president. The enrollment has been low for the past few years but has increased from ten to fifteen percent this year, having an enrollment of 150 and this will go to 175 before the year is over.

Through the kindness of the churches of the seven affiliated associations supporting Wingate Junior College, the entire indebtedness has been paid and we have some money left to do some pressing repair work which is already under way.

We urge each church in the Stanly Association to:

(1). Send in a contribution to this improvement campaign if you have not as yet done so. They need help.

(2). Put Wingate in your financial budget for this year.

(3). Send your boys and girls there for their first two years of college training.

Why? Wingate has an able faculty that compares favorably with any other college. It is a small, friendly, helpful college. Expenses are also less.

This report was ably discussed by President C. C. Burris. He is an able man and leading Wingate Junior College in a great way. These seven supporting associations, including Stanly, are proud of him and his work.

5. Digest of letters was made by the clerk—Julius W. Whitley.

He gave the facts about our losses and our gains. He reported fine progress along many lines of our work.

b. Fall Session. Place, Centerview. Preacher, Rev. J. E. Kirk. Alternate, Julius W. Whitley. Time, Thursday after the third Sunday in October.

(5). Report of the Resolution Committee.

We, speaking for the Association, wish to express our deep appreciation to the brethren for their timely and inspiring messages throughout the entire session.

We also wish to express our deep appreciation to the pastors, Brethren W. B. Holmes and J. C. Bennett, and their churches—Prospect and Oak Grove—respectively, for their cordial and bountiful hospitality and their splendid services in preparing for our bodily comforts while in their midst.

Respectfully submitted,

C. L. TAYLOR, J. E. KIRK, T. B. MAUNEY.

PROCEEDINGS OF THE WOMAN'S MISSIONARY UNION ASSOCIATION

The Woman's Missionary Union of the Stanly Association of the Stanly Association convened with North Albemarle Baptist church, Thursday, April 6th, 1944, with the Vice President, Mrs. J. M. Mauney, in charge of the proceedings. The program built on the challenging theme—"Face Today—Plan For Tomorrow," opened with the combined watch-words, "Laborers together with God that the generations to come might know—First Cor. 3:9 and Psalms 78:6, followed by the humn, The Morning Light is Breaking".

The Morning Devotion, Prayer Changes Things, was given by Mrs. Mauney who used the prayer of Solomon in the dedication of the Temple to remind us that God will hear and heal our land if the people will humble themselves and depend upon their knees instead of their knowledge for success. She said that we need to pray most earnestly now in order to face today and to plan for tomorrow. Rev. L. D. Munn led in prayer.

Nine pastors and five visitors were recognized. Sixteen churches responded to the roll-call with 73 members present from 16 churches; 123 attended during the day.

The reports of the officers were given very informally in playlet form with Miss Katheline Abee, Raleigh, leading.

Mrs. W. J. Bradley reported on the Margaret Fund and the Training School. The report: Practically all organizations have a part in this great work because money for this purpose is taken from the Lottie Moon and Annie Armstrong offerings. In addition to this, we give each student $30.00 per year for extra things every student needs. These gifts are called Bunney gifts. The largest amount expected from any society is $3,00, any amount less than that will be accepted. Thirteen societies have contributed $21.36 this year.

We have 21 M. F. students this year.

As we face today and plan for tomorrow, how thankful we should be that we have a new and enlarged Training School. The main support for this school comes from our Heck Memorial offering. This offering supplied the scholarships of eight of our young women. We have 27 N. C. young women in our school. But we gave only $144.23 last year.

Miss Bertie Holt, Stewardship Chairman's Report follows: Thousands of general words might be said on stewardship. To all of us, God has intrusted some of the material things of this world along with our time, talents, and personality during our short stay here on earth. He is ex-

pecting us to use a part of them to help exend His kingdom "to the ends of the earth." Let us look at our stewardship record. During 1943: Night programs, 1; Classes, 11; Y. P. using leaflets, 11; number tithers in W. M. S., 169; Y. P. tithers, 75.

Weak points: Not enough stewardship nights and programs.

Encouraging features: More women and young people recognizing God's plan in giving as shown by our records.

Suggestion for 1944.

That each organization take as its goal a Stewardship night.

Receive an offering for missions from each member.

Pray for God's will to be done in us.

That we may use our possession in a way well-pleasing to God. Mrs. L. W. Fields, Y. P. Leader's Report.

We are delighted with the fine progress made by our young people. Eight new organizations have been established—making a total of 42. Our goal for them is consecrated living with lives surrendered to His will. We want our young people to realize that they are really missionaries at home as they study and pray and do community missions. The goal of this is Soul-winning.

Mrs .W. B. Poplin presented community missions.

T. B. Mauney, Baptist Literature.

C. R. Hinton, Mission Study.

Mrs. A. D. McNeill gave the treasurer's report. $131.85 received and $130.07 disbursed.

It was voted that each member be asked for 25c and the amount be devoted—20% for state expenses, 20% for divisional expense and 20% Burney fund ,and 40% associational Ex. fund.

Miss Kathryn spoke these reports.

The Nominating Committee reported as follows:

(1). Supt., Mrs. T. S. Crutchfield; (2). Associate Supt., Mrs. J. M. Mauney; (3). Sec. & Treas., Mrs. C. D. McNeill; (4). Y. P. Leader, Mrs. L. W. Fields; (5). Mission Study Chairman, Mrs. C. R. Hinton; (6). Community Mission Chairman, Mrs. J. A. Seymore; (7). Stewardship Chairman, Miss Bertie Holt; (8). Margaret Fund & T. School, Mrs. W. J. Bradley; (9). Literature Chairman, Mrs. C. A. Poplin; (10). R. A. Counsellor, Rev. R. C. Hinton.

The next session will be held with the First Church in Oakboro. The time is left with the Executive committee.

Miss Olive Lawton, missionary to China, brought an informing and inspiring message on our work in China.
